IMPORTANT NEWS
FOR SCUDDER FUND SHAREHOLDERS

While we encourage you to read the full text of the enclosed Proxy Statement, here's a brief overview of some matters affecting your Fund that will be the subject of a shareholder vote.

Q & A: QUESTIONS AND ANSWERS

Q. WHAT IS HAPPENING?

A. On December 3, 2001, Zurich Financial Services ("Zurich Financial"), the majority owner of Zurich Scudder Investments, Inc., your Fund's investment manager ("Scudder"), entered into a Transaction Agreement with Deutsche Bank AG ("Deutsche Bank"). Under the Transaction Agreement, Deutsche Bank will acquire 100% of Scudder, not including certain U.K. operations which will be retained by the Zurich Financial entities. Following this transaction (the "Transaction"), Scudder will become part of Deutsche Asset Management and will change its name. Your Fund will continue to be branded as a "Scudder" fund.

AS A RESULT OF THE SALE OF SCUDDER TO DEUTSCHE BANK, YOUR FUND'S INVESTMENT ADVISORY, MANAGEMENT AND ADMINISTRATION AGREEMENT WITH SCUDDER WILL TERMINATE. IN ORDER FOR SCUDDER TO CONTINUE TO SERVE AS INVESTMENT MANAGER OF YOUR FUND, THE FUND'S SHAREHOLDERS MUST APPROVE A NEW INVESTMENT ADVISORY, MANAGEMENT AND ADMINISTRATION AGREEMENT. The enclosed Proxy Statement gives you additional information on Deutsche Bank and the proposed new investment advisory, management and administration agreement as well as certain other matters. You are being asked to vote on the new investment advisory, management and administration agreement for your Fund, as well as, if you are a shareholder of The Korea Fund, Inc., Scudder New Asia Fund, Inc., or

Edgar Filing: KOREA FUND INC - Form DEFS14A

Scudder Global High Income Fund, Inc., a new research and advisory agreement. THE BOARD MEMBERS OF YOUR FUND, INCLUDING THOSE WHO ARE NOT AFFILIATED WITH SCUDDER OR DEUTSCHE BANK, UNANIMOUSLY RECOMMEND THAT YOU VOTE FOR THE APPROVAL OF THE NEW INVESTMENT ADVISORY, MANAGEMENT AND ADMINISTRATION AGREEMENT FOR YOUR FUND AND EACH OTHER PROPOSAL APPLICABLE TO YOUR FUND.

- Q. WHY AM I BEING ASKED TO VOTE ON THE PROPOSED NEW INVESTMENT ADVISORY, MANAGEMENT AND ADMINISTRATION AGREEMENT?
- A. The Investment Company Act of 1940, which regulates mutual funds in the United States such as your Fund, requires a shareholder vote to approve a new investment management agreement whenever there is a "change in control" of a fund's investment manager. The proposed sale of Scudder to Deutsche Bank will result in such a change of control and therefore requires shareholder approval of a new investment advisory, management and administration agreement with your Fund in order for Scudder to continue serving as your Fund's investment manager.
- Q. WHAT WILL HAPPEN IF SHAREHOLDERS DO NOT APPROVE THE NEW INVESTMENT ADVISORY, MANAGEMENT AND ADMINISTRATION AGREEMENT?
- A. If shareholders do not approve the new investment advisory, management and administration agreement and the Transaction with Deutsche Bank is completed, the current investment advisory, management and administration agreement will terminate and your Fund's Board will take such action as it deems to be in the best interests of your Fund, including entering into an interim investment management agreement with Scudder. This is discussed in more detail in the enclosed Proxy Statement under "Additional Information."
- Q. HOW WILL THE TRANSACTION WITH DEUTSCHE BANK AFFECT ME AS A FUND SHAREHOLDER?
- A. Your investment in your Fund will not change as a result of the Transaction. You will still own the same shares in the same Fund, and the value of your investment will not change as a result of the Transaction with Deutsche Bank. Scudder will be combined with and integrated into Deutsche Bank's investment management organization and, as described more fully in the enclosed Proxy Statement, many of the personnel and resources of Deutsche Asset Management will be involved in managing your Fund.

Your Fund's investment advisory, management and administration agreement will still be with Scudder and the terms of the new investment advisory, management and administration agreement are substantially identical to the terms of the current investment advisory, management and administration agreement, except that Scudder would be authorized, subject to further Board approval, to appoint certain affiliates as sub-advisers. Scudder will retain full responsibility for the actions of any such sub-advisers.

(Continued on inside back cover)

February 21, 2002

Dear Shareholder:

The Zurich Financial Services ("Zurich Financial") entities that currently own a majority of Zurich Scudder Investments, Inc. ("Scudder") have entered into a Transaction Agreement with Deutsche Bank AG ("Deutsche Bank"). Under the Transaction Agreement, Deutsche Bank will acquire 100% of Scudder, not including certain Scudder U.K. operations, which will be retained by the Zurich Financial entities (the "Transaction"). Following the Transaction, Scudder will become

Edgar Filing: KOREA FUND INC - Form DEFS14A

part of Deutsche Asset Management, the marketing name in the United States for the asset management activities of Deutsche Bank and certain of its subsidiaries, and will change its name. Because of the Transaction, it is necessary for the shareholders of each of the funds for which Scudder acts as investment manager, including your Fund, to approve a new investment advisory management and administration agreement in order for Scudder to continue serving as investment manager.

The following important facts about the Transaction are outlined below:

- The Transaction will have no effect on the number of shares you own or the value of those shares.
- The investment management fee rate applicable to your Fund under the new investment management agreement is the same as that currently in effect.
- Your Fund's investment advisory, management and administration agreement will still be with Scudder, and, except as noted below, the terms of the new investment advisory, management and administration agreement will be substantially identical to the terms of the current investment advisory, management and administration agreement. Scudder will be combined with and integrated into Deutsche Bank's investment management organization, and many of the personnel and resources of Deutsche Asset Management will be involved in managing your Fund. Under the new investment management agreement, Scudder would be authorized, subject to further Board approval, to appoint certain affiliates as sub-advisers. Scudder will retain full responsibility for the actions of any such sub-advisers.
- The members of your Fund's Board, including those who are not affiliated with Scudder or Deutsche Bank, have carefully reviewed the proposed Transaction and unanimously recommend you vote in favor of the new investment advisory, management and administration agreement.

You are also being asked to approve certain other matters that have been set forth in the Notice of Special Meetings of Shareholders.

PLEASE TAKE THE TIME TO READ THE ENCLOSED MATERIALS.

The question and answer section that begins on the front cover of the Proxy Statement discusses the proposals that require shareholder approval. The Proxy Statement itself provides greater detail about the proposals, why they are being made and how they apply to your Fund. THE BOARD RECOMMENDS THAT YOU READ THE ENCLOSED MATERIALS CAREFULLY AND VOTE IN FAVOR OF EACH PROPOSAL.

To vote, simply fill out the enclosed proxy card(s)--be sure to sign and date it--and return it to us in the enclosed postage-paid envelope. If you prefer, you can save time by voting through the Internet or by telephone as described on the enclosed proxy card(s). Because all of the funds for which Scudder acts as investment manager are holding shareholder meetings regarding these and other issues, you may receive more than one proxy card. If so, please vote each one.

Your vote is very important to us. If we do not hear from you by March 13, 2002, our proxy solicitor may contact you. Thank you for your response and for your continued investment with Scudder.

Respectfully,

PROPOSAL 1: APPROVAL OF NEW INVESTMENT ADVISORY, MANAGEMENT AND ADMINISTRATION AGREEMENT

INTRODUCTION

Scudder acts as the investment manager to each Fund pursuant to an investment advisory, management and administration agreement entered into by each Fund and Scudder (each, a "Current Investment Management Agreement" and collectively, the "Current Investment Management Agreements"). On December 3, 2001, Zurich Financial Services ("Zurich Financial"), which through subsidiaries currently owns a majority of the common stock of Scudder, entered into a Transaction Agreement with Deutsche Bank AG ("Deutsche Bank"). The Transaction Agreement contemplates that the Zurich Financial entities currently owning a majority of Scudder's common stock will acquire the balance of the common stock of Scudder so that the Zurich Financial entities as a group comprise the sole stockholder of Scudder. Deutsche Bank will then acquire 100% of Scudder, not including certain U.K. operations (known as Threadneedle Investments), from the Zurich Financial entities. Following this transaction, Scudder will become part of Deutsche Asset Management, the marketing name in the U.S. for the asset management activities of Deutsche Bank and certain of its subsidiaries. The foregoing is referred to as the "Transaction." Deutsche Bank, a global financial institution, manages, directly and through its wholly owned subsidiaries, more than \$500 billion in assets (as of December 31, 2001), including approximately \$53 billion of assets in open- and closed-end investment companies managed in the United States.

Consummation of the Transaction would constitute an "assignment," as that term is defined in the Investment Company Act of 1940, as amended (the "1940 Act"), of each Fund's Current Investment Management Agreement with Scudder. As required by the 1940 Act, each of the Current Investment Management Agreements provides for its automatic termination in the event of its assignment. In anticipation of the Transaction, a new investment advisory, management and administration agreement (each, a "New Investment Management Agreement" and collectively, the "New Investment Management Agreements" and, together with the Current Investment Management Agreements, the "Investment Management Agreements") between each Fund and Scudder is being proposed for approval by shareholders of each Fund. The form of New Investment Management Agreement is attached hereto as Exhibit A. THE TERMS OF THE NEW INVESTMENT MANAGEMENT AGREEMENT FOR EACH FUND ARE SUBSTANTIALLY IDENTICAL TO THE TERMS OF THE CORRESPONDING CURRENT INVESTMENT MANAGEMENT AGREEMENT, EXCEPT THAT, UNDER THE NEW INVESTMENT MANAGEMENT AGREEMENT, SCUDDER WOULD BE AUTHORIZED, SUBJECT TO FURTHER BOARD APPROVAL, TO APPOINT CERTAIN AFFILIATES AS SUB-ADVISERS.

3

SEE "DIFFERENCES BETWEEN THE CURRENT AND NEW INVESTMENT MANAGEMENT AGREEMENTS." The material terms of each Current Investment Management Agreement are described under "Description of the Current Investment Management Agreements" below.

In the event that the Transaction does not, for any reason, occur, each Current Investment Management Agreement will continue in effect in accordance with its terms.

Edgar Filing: KOREA FUND INC - Form DEFS14A

The information set forth in this Proxy Statement and any accompanying materials concerning the Transaction, the Transaction Agreement, Zurich Financial, Deutsche Bank and their respective affiliates has been provided to the Funds by Zurich Financial and Deutsche Bank.

BOARD APPROVAL AND RECOMMENDATION

On February 6, 2002, the Board of each Fund, including each Director who is not an "interested person" (an "Interested Person") of the Investment Manager, Deutsche Bank or the Fund within the meaning of the 1940 Act (each is referred to as an "Independent Director"), voted unanimously to approve the New Investment Management Agreement for that Fund and to recommend its approval to shareholders.

For information about the Boards' deliberations and the reasons for their recommendation, please see "Board Considerations" below.

THE BOARD OF EACH FUND UNANIMOUSLY RECOMMENDS THAT ITS SHAREHOLDERS VOTE IN FAVOR OF THE APPROVAL OF THE NEW INVESTMENT MANAGEMENT AGREEMENT FOR THAT FUND.

INFORMATION CONCERNING THE TRANSACTION AND DEUTSCHE BANK

DESCRIPTION OF THE TRANSACTION

On December 3, 2001, the majority owners of Scudder entered into a Transaction Agreement with Deutsche Bank. Under the Transaction Agreement, Deutsche Bank will acquire 100% of Scudder, not including certain U.K. operations (known as Threadneedle Investments), for approximately \$2.5 billion. Following this Transaction, it is proposed that Scudder will change its name to Deutsche Investment Management (Americas) Inc. and will become part of Deutsche Asset Management, expected to be the world's fourth largest asset management firm based on assets under management.

The Transaction will take place in three steps:

- First, in a merger pursuant to a separate Merger Agreement, the Zurich Financial entities that now own approximately 82% of Scudder's common stock will acquire the approximately 18% of Scudder's common stock now owned by Scudder's employee and retired employee

4

stockholders. The employee and retired employee stockholders will receive cash for their shares, and the Security Holders Agreement among the current Scudder stockholders will terminate.

- Second, Scudder will transfer its ownership interest in Threadneedle Investments to the Zurich Financial entities that will then own 100% of Scudder's common stock. As a result, Threadneedle Investments will no longer be a part of Scudder.
- Finally, the Zurich Financial entities will sell 100% of the common stock of Scudder to Deutsche Bank for \$2.5 billion, subject to certain adjustments.

In connection with the Transaction, Zurich Financial has also agreed to acquire Deutsche Bank's European insurance businesses for EUR 1.5 billion; Deutsche Bank has agreed to acquire Zurich Financial's German and Italian asset management businesses in exchange for a financial agent network and a real estate and mutual fund consulting business owned by Deutsche Bank; and Deutsche Bank and Zurich Financial have entered into a broad strategic cooperation agreement. Information about Deutsche Bank is provided below under "Deutsche Bank."

Edgar Filing: KOREA FUND INC - Form DEFS14A

As discussed in the "Introduction" above, under the 1940 Act, the Transaction will cause all the current investment management agreements with registered funds managed by Scudder to terminate automatically. Client consents also will be required for the continuation of other Scudder advisory agreements. If a New Investment Management Agreement is not approved by a Fund's shareholders, the Current Investment Management Agreement would terminate upon completion of the acquisition of Scudder by Deutsche Bank. If such a termination were to occur, the Board of the affected Fund would make such arrangements for the management of that Fund's investments as it deems appropriate and in the best interests of that Fund, including (without limitation) re-submitting this Proposal for shareholder approval and/or entering into an interim investment management agreement with Scudder.

The Transaction by which Deutsche Bank intends to acquire Scudder is subject to a number of conditions that are contained in the Transaction Agreement, including the approval of clients, including the Funds, representing at least 80% of Scudder's assets under management as of June 30, 2001. In addition, these conditions include, among others, the receipt of all material consents, approvals, permits and authorizations from appropriate governmental entities; the absence of any temporary restraining order, preliminary or permanent injunction or other order issued by any court of competent jurisdiction or other legal restraint or prohibition preventing the Transaction; that certain key agreements relating to the strategic partnership between Deutsche Bank and Zurich Financial are in full force and effect and all of the conditions in those agreements have

5

been satisfied or waived; the representations and warranties of the parties to the Transaction are true and correct with such exceptions as would not have a material adverse effect on Scudder; the parties to the Transaction have performed in all material respects all obligations and covenants that they are required to perform; and the parties to the Transaction have delivered appropriate certificates and resolutions as to the authorizations in connection with the Transaction. The Transaction is expected to close early in the second quarter of 2002.

Under the Transaction Agreement and the Merger Agreement, Scudder and its majority owners have agreed that they will, and will cause each of Scudder's subsidiaries engaged in the investment management business to, use their reasonable best efforts to ensure the satisfaction of the conditions set forth in Section 15(f) of the 1940 Act, as discussed under "Board Considerations," below.

Appendix 1 provides information regarding Scudder's current business, including its stockholders, directors and officers.

DEUTSCHE BANK

Deutsche Bank is a leading integrated provider of financial services to institutions and individuals throughout the world. It is organized in Germany and is a publicly traded entity. Its shares trade on many exchanges including the New York Stock Exchange and Xetra (German Stock Exchange). It is engaged in a wide range of financial services, including retail, private and commercial banking, investment banking and insurance. Deutsche Bank has combined all of its investment management businesses to form Deutsche Asset Management which, as of December 31, 2001, had more than \$231 billion in assets under management. Deutsche Asset Management acts as investment manager to 96 U.S. open-and closed-end investment companies, which in the aggregate had approximately \$53 billion in assets as of December 31, 2001.

Edgar Filing: KOREA FUND INC - Form DEFS14A

ANTICIPATED OPERATIONAL CHANGES

As proposed, Scudder will for the immediate future remain a separate corporate entity within the Deutsche Asset Management Group and, subject to shareholder approval, will continue to serve as the registered investment adviser to the Funds under the New Investment Management Agreements. Scudder will, however, be integrated operationally into Deutsche Asset Management and will utilize the services of personnel from other parts of the organization in providing services to the Funds and its other clients. In particular, the investment operations of Scudder will become part of an integrated global investment operation serving Deutsche Asset Management's clients worldwide. As a result, in an effort to improve investment performance in certain areas, current investment

6

personnel of Deutsche Asset Management will assume portfolio management responsibilities for certain funds, including Scudder Global High Income Fund, Inc. The lead managers of the other Funds are currently expected to continue. The portfolio manager changes currently contemplated for Scudder Global High Income Fund, Inc. are summarized in Appendix 2. Similarly, the various other services related to the mutual fund operations of both companies--shareholder servicing, investment operations, fund accounting, legal and compliance, sales and marketing--will also be integrated into a common service platform. Deutsche Bank and Scudder have advised the Independent Trustees that they believe that the combined organization will continue to provide services that will be equal or better in scope and quality to those currently being provided to the Funds by Scudder and its affiliates.

As discussed above, following the Transaction, 100% of the outstanding voting securities of Scudder will be held by Deutsche Bank and Scudder will be a part of Deutsche Asset Management, which is part of the broader Private Client and Asset Management ("PCAM") group at Deutsche Bank. At that time, Thomas Hughes will continue to be the President of Deutsche Asset Management and the Chief Executive Officer of PCAM Americas Region. Edmond D. Villani will join the existing Deutsche Asset Management Global Executive Committee, as well as serve on the Americas leadership team. Mr. Villani is the President and Chief Executive Officer of Scudder.

Upon consummation of the Transaction, it is expected that Juris Padegs and Daniel Pierce, each currently an Interested Person of certain Funds, will resign from each Board of which he is a member and that a senior executive of Deutsche Bank will be appointed by the Board of each such Fund to fill the vacancy created by either Mr. Padegs' or Mr. Pierce's resignation.

BOARD CONSIDERATIONS

On April 27, 2001, Zurich Financial announced its intent to seek a strategic transaction involving Scudder, its majority-owned subsidiary. Over the course of the following months, the Independent Directors met both privately and with senior Scudder and Zurich Financial personnel, to discuss the potential benefits and risks to the Funds and their shareholders from a strategic transaction. The Independent Directors were assisted in this process by their independent legal counsel and by independent consultants with special expertise in financial and mutual fund industry matters. The Independent Directors endorsed certain basic principles that would guide their review of any proposed strategic transaction. These basic principles were communicated to Scudder and were intended to be shared with any potential strategic partner.

7

Edgar Filing: KOREA FUND INC - Form DEFS14A

On September 23, 2001, Zurich Financial and Deutsche Bank entered into a preliminary agreement whereby Deutsche Bank agreed, subject to a number of contingencies (including the execution of a definitive transaction agreement), to acquire 100% of Scudder (not including certain of Scudder's UK operations) from Zurich Financial.

Thereafter, the Independent Directors met on several occasions (both prior to and following the execution of the definitive agreement between Zurich Financial and Deutsche Bank on December 3, 2001) to discuss the Transaction, and its potential impact on the Funds and their shareholders. The Independent Directors were assisted throughout this process by their independent legal counsel and independent consultants.

In the course of their review, the Independent Directors requested and reviewed substantial information regarding the management, financial position and business of Deutsche Bank and Deutsche Asset Management; the history of Deutsche Bank's business and operations, including its compliance history and the history of its recent acquisitions; Deutsche Asset Management's U.S. mutual fund operations, including the investment performance of mutual funds advised by Deutsche Asset Management; the proposed structure, operations and processes of the combined organization after the Transaction; Deutsche Bank's strategic and financial goals following the Transaction; the terms of the Transaction; and the future operational plans of Deutsche Bank and Scudder with respect to Scudder and its affiliated entities.

The Independent Directors gave careful consideration to the extensive organizational changes that Scudder will undergo as a result of the Transaction. They considered the fact that, while Scudder would continue as a separate legal entity for the immediate future, it would be integrated operationally with the global asset management business of Deutsche Bank. They also considered the significant expense reductions being planned for the combined organization designed to eliminate duplicate operations, as well as to reduce the scale of the organization to reflect current adverse conditions in the securities markets and in the investment management business. In this regard, the Independent Directors also considered the expense reductions that would likely be necessary under current market and business conditions to operate Scudder's business efficiently absent the Transaction. The Independent Directors were assured that the planned expense reductions would not adversely affect the scope and quality of services being provided to the Funds and that a substantial portion of any future revenue growth (commensurate with reasonable profit levels) would be reinvested in Deutsche Bank's U.S. mutual fund business.

The Independent Directors also considered the potential benefits to the Funds and their shareholders of the increased scale and scope of the

global asset management platform that will result from the Transaction. In this regard, the Independent Directors reviewed the investment performance records of the Deutsche Bank investment professionals who will be assuming responsibility as Fund portfolio managers. Deutsche Bank also advised the Independent Directors that it was actively seeking to hire additional investment professionals to strengthen the capabilities of the combined firm in certain areas. The Independent Directors also considered Deutsche Bank's assurances that Scudder will at all times have the resources necessary to enable it to meet its obligations to the Funds and that the services provided by Scudder and its affiliates following the Transaction will be equal or better in scope and quality to those currently being provided. Further, Deutsche Bank has assured the Independent Directors that they will continue to receive all information that they deem necessary or desirable to the discharge of their oversight

Edgar Filing: KOREA FUND INC - Form DEFS14A

responsibilities.

Deutsche Bank and Scudder each assured the Independent Directors that they intend to comply with Section 15(f) of the 1940 Act. Section 15(f) provides a non-exclusive safe harbor for an investment adviser to an investment company to receive benefits in connection with a change in control of the investment adviser so long as two conditions are met. First, for a period of three years after the transaction, at least 75% of the board members of the investment company must be persons who are not "interested persons" of such investment adviser. (The current composition of the Board of each Fund would be in compliance with this provision of Section 15(f).) Second, for a period of two years following the transaction, an "unfair burden" must not be imposed upon the investment company as a result of such transaction or any express or implied terms, conditions or understandings applicable thereto. Deutsche Bank and Scudder have agreed that they, and their affiliates, will take no action that would have the effect of imposing an "unfair burden" on any Fund in connection with the Transaction. Deutsche Bank and Scudder have undertaken to pay the costs of preparing and distributing proxy materials to the Funds' shareholders, as well as other fees and expenses in connection with the Transaction, including the fees and expenses of legal counsel and consultants to the Funds and the Independent Directors relating to their review of the Transaction.

In previously approving the continuation of the Current Investment Management Agreements in July 2001, the Independent Directors had considered numerous factors, including, among others, the nature, quality and extent of services provided by Scudder to the Funds; investment performance, both of the Funds themselves and relative to appropriate peer groups and market indices; investment management fees, expense ratios and asset sizes of the Funds themselves and relative to appropriate peer groups; Scudder's profitability from managing the Funds and the other investment companies managed by Scudder before marketing ex-

9

penses paid by Scudder. Based on a review of recent market and industry trends and financial results of Scudder's businesses, the Independent Directors concluded to continue the fee arrangements currently in place between the Funds and Scudder and its affiliates. The Independent Directors expect to review these arrangements in further detail in connection with their consideration of the annual continuation of these arrangements on or prior to September 30, 2002.

In addition, in considering whether to approve the New Investment Management Agreement for each Fund (the terms of which are substantially identical to the terms of the Current Investment Management Agreement for each Fund except as described below under "Differences Between the Current and New Investment Management Agreements"), each Board considered the potential benefit to the Funds of providing the Investment Manager more flexibility in structuring portfolio management services for each Fund. Each Board recognized that it may be beneficial to the Funds to allow the Investment Manager to take advantage of the strengths of other entities within the Deutsche Bank organization by permitting the Investment Manager to delegate certain portfolio management services to such entities, and to do so, to the extent permissible, without incurring the expense of obtaining further shareholder approval. In addition, the Board considered that (i) any restructuring of the provision of portfolio management services provided to the Funds would require the prior approval of a majority of the members of a Fund's Board, including a majority of the Independent Directors; (ii) the management expenses incurred by the Funds would not be affected by any action taken to delegate services to other Deutsche Bank entities or their employees in reliance on the New Investment Management Agreements because any fees paid to a sub-adviser would be paid by the Investment Manager and not by the Funds; and (iii) Scudder would retain full

Edgar Filing: KOREA FUND INC - Form DEFS14A

responsibility for the actions of any such sub-adviser or delegates.

Based on all of the foregoing, at a meeting on February 6, 2002, the Board of each Fund, including the Independent Directors of each Fund, voted unanimously to approve the New Investment Management Agreements and to recommend them to the shareholders for their approval.

ACCOUNTING AGENT AND TRANSFER AGENT

Scudder Fund Accounting Corporation ("SFAC"), a subsidiary of Scudder, serves as fund accounting agent to each Fund and, as such, computes net asset value and maintains related records. Scudder Investments Service Company ("SISC"), also an affiliate of Scudder, serves as each Fund's transfer agent, registrar and dividend reinvestment plan agent. Scudder Service Corporation ("SSC"), also a subsidiary of Scudder, performs certain shareholding agency services for each Fund. Appendix 3 sets forth

10

for each Fund the fees paid to SFAC, SISC and SSC during the last fiscal year of each Fund.

SFAC, SISC and SSC will continue to provide fund accounting, transfer agency and shareholding agency services, respectively, to the Funds, as described above, under the current arrangements if the New Investment Management Agreements are approved.

Exhibit B sets forth (as of each fund's last fiscal year end) the fees and other information regarding investment companies advised by Scudder that have similar investment objectives to any of the Funds. (See Appendix 4 for information regarding the management fee rate, net assets and aggregate management fee paid for each Fund.)

PORTFOLIO TRANSACTIONS

Scudder places orders for portfolio transactions on behalf of the Funds with issuers, underwriters or other brokers and dealers. When it can be done consistently with the policy of obtaining the most favorable net results, Scudder may place such orders with brokers and dealers who supply brokerage and research services to Scudder or a Fund. The term "research services" includes advice as to the value of securities; the advisability of investing in, purchasing or selling securities; the availability of securities or purchasers or sellers of securities; and analyses and reports concerning issuers, industries, securities, economic factors and trends, portfolio strategy and the performance of accounts. Scudder is authorized when placing portfolio transactions for equity securities to pay a brokerage commission (to the extent applicable) in excess of that which another broker might charge for executing the same transaction because of the receipt of research services. The placement of portfolio transactions is supervised by Scudder. Following the closing of the Transaction, Scudder's trading system and related brokerage policies may, in part or in whole, be conformed to those of Deutsche Bank. Deutsche Bank has represented that its policies are similar in all material respects to those of Scudder, and that it does not expect that the types and levels of portfolio transactions/placements with particular brokers will materially differ from those of Scudder in the past.

DESCRIPTION OF THE CURRENT INVESTMENT MANAGEMENT AGREEMENTS

Investment Manager's Responsibilities. Under each Current Investment Management Agreement, Scudder provides each Fund with continuing investment management services. The Investment Manager makes investment decisions, prepares and makes

Edgar Filing: KOREA FUND INC - Form DEFS14A

available research and statistical data and supervises the acquisition and disposition of securities by each Fund, all in accordance with the Fund's investment objectives and policies and in accordance with guidelines and directions from the Fund's Board of

11

Directors. The Investment Manager assists each Fund as it may reasonably request in the conduct of the Fund's business, subject to the direction and control of the Fund's Board of Directors. The Investment Manager is required to maintain or cause to be maintained for each Fund all books, records and reports and any other information required to be maintained under the 1940 Act (and, with respect to The Brazil Fund, Inc. only, to furnish or cause to be furnished all required reports or other information under Brazilian securities laws) to the extent such books, records and reports and any other information are not maintained by the Fund's custodian or other agents of the Fund. The Investment Manager also supplies each Fund with office space in New York and furnishes clerical services in the United States related to research, statistical and investment work. The Investment Manager renders to each Fund administrative services such as preparing reports to, and meeting materials for, the Fund's Board of Directors and reports and notices to Fund stockholders, preparing and making filings with the U.S. Securities and Exchange Commission (the "SEC") and other regulatory and self-regulatory organizations, including preliminary and definitive proxy materials and post-effective amendments to the Fund's registration statement, providing assistance in certain accounting and tax matters and investor public relations, monitoring the valuation of portfolio securities, calculation of net asset value and calculation and payment of distributions to stockholders, and overseeing arrangements with the Fund's custodian. The Investment Manager agrees to pay reasonable salaries, fees and expenses of each Fund's officers and employees and any fees and expenses of the Fund's Directors who are directors, officers or employees of the Investment Manager, except that each Fund bears travel expenses (or an appropriate portion of those expenses) of Directors and officers of the Fund who are directors, officers or employees of the Investment Manager to the extent that such expenses relate to attendance at meetings of the Board of Directors or any committees of or advisors to the Board. During each Fund's most recent fiscal year, no compensation, direct or otherwise (other than through fees paid to the Investment Manager), was paid or became payable by the Fund to any of its officers or Directors who were affiliated with the Investment Manager.

Under each Current Investment Management Agreement the Investment Manager may retain the services of others, but at no additional cost to the Fund, in connection with its services to the Fund.

Fund Expenses. Under each Current Investment Management Agreement, each Fund pays or causes to be paid all of its other expenses, including, among others, the following: organization and certain offering expenses (including out-of-pocket expenses, but not including overhead or employee costs of the Investment Manager or of any one or more organizations retained as an advisor or consultant to the Fund or, in the

12

case of The Brazil Fund, Inc. only, by the Fund or by the Investment Manager as a Brazilian administrator or adviser of the Fund); legal expenses; auditing and accounting expenses; telephone, facsimile, postage and other communications expenses; taxes and governmental fees; stock exchange listing fees; fees, dues and expenses incurred in connection with membership in investment company trade organizations; fees and expenses of the Fund's custodians, subcustodians, transfer agents and registrars, and accounting agents; payment for portfolio

Edgar Filing: KOREA FUND INC - Form DEFS14A

pricing or valuation services to pricing agents, accountants, bankers and other specialists, if any; expenses of preparing share certificates and other expenses in connection with the issuance, offering, distribution, sale or underwriting of securities issued by the Fund; expenses of registering or qualifying securities of the Fund for sale; expenses related to investor and public relations; freight, insurance and other charges in connection with the shipment of the Fund's portfolio securities; brokerage commissions or other costs of acquiring or disposing of any portfolio securities of the Fund; expenses of preparing and distributing reports, notices and dividends to stockholders; expenses of the dividend reinvestment and cash purchase plan (except for brokerage expenses paid by participants in such plan); costs of stationery; any litigation expenses; and costs of stockholders' and other meetings.

Compensation Paid to the Investment Manager. In return for the services provided by the Investment Manager as investment manager, and the expenses it assumes under each Current Investment Management Agreement, each Fund will pay the Investment Manager a monthly fee, which, on an annual basis, is equal to the rate per annum of the value of the Fund's average weekly net assets set forth in Appendix 4. The fee rate paid by each Fund under its Current Investment Management Agreements is set forth in Appendix 4 hereto. As of the end of each Fund's last fiscal year, each Fund had net assets and paid an aggregate fee to the Investment Manager under its Current Investment Management Agreement during such period as also set forth in Appendix 4 hereto.

Non-Exclusivity. Under each Current Investment Management Agreement, the Investment Manager is permitted to provide investment advisory services to other clients, including clients which may invest in securities of issuers in the country in which a Fund primarily invests and, in providing such services, may use information furnished by advisors and consultants to a Fund and others. Conversely, information furnished by others to the Investment Manager in providing services to other clients may be useful to the Investment Manager in providing services to a Fund.

Termination of the Agreement. Each Current Investment Management Agreement may be terminated at any time without payment of penalty by a Fund's Board of Directors, by vote of holders of a majority of the outstanding voting securities of the Fund, or by the Investment Manager

13

on 60 days' written notice, but, in the case of The Brazil Fund, Inc., only after written notice to the Fund and to the Brazilian Comissao de Valores Mobiliarios of not less than 60 days (or such longer period as may be required by regulation). Each Current Investment Management Agreement automatically terminates in the event of its assignment (as defined under the 1940 Act), provided that an assignment to a corporate successor to all or substantially all of the Manager's business or to a wholly-owned subsidiary of such corporate successor which does not result in a change of actual control or management of the Manager's business shall not be deemed to be an assignment for the purposes of any Current Investment Management Agreement.

Liability of the Investment Manager. Each Current Investment Management Agreement provides that the Investment Manager is not liable for any act or omission, error of judgment or mistake of laws or for any loss suffered by a Fund in connection with matters to which the Current Investment Management Agreement relates, except a loss resulting from willful misfeasance, bad faith or gross negligence on the part of the Investment Manager in the performance of its duties or from reckless disregard by the Investment Manager of its obligations and duties under the Current Investment Management Agreement. Each Current Investment Management Agreement also contains provisions that provide that Scudder shall use its best efforts to seek the best overall terms available

Edgar Filing: KOREA FUND INC - Form DEFS14A

in executing transactions for the Fund and selecting brokers and dealers and shall consider on a continuing basis all factors it deems relevant, including the consideration of the brokerage and research services (as those terms are defined in Section 28(e) of the Securities Exchange Act of 1934, as amended (the "Exchange Act")) provided to the Fund and/or other accounts over which Scudder or an affiliate exercises investment discretion. In addition, with respect to the allocation of investment and sale opportunities among each Fund and other accounts or funds managed by Scudder, each Current Investment Management Agreement provides that Scudder shall allocate such opportunities in accordance with procedures believed by Scudder to be equitable to each entity.

ADDITIONAL INFORMATION ABOUT THE INVESTMENT MANAGEMENT AGREEMENTS

The date of each Current Investment Management Agreement, the date when each Current Investment Management Agreement was last approved by the shareholders of each Fund, the date when each New Investment Management Agreement was approved by the Directors of each Fund and the termination date (unless continued) of each New Investment Management Agreement are included in Appendix 5.

14

THE NEW INVESTMENT MANAGEMENT AGREEMENTS

The New Investment Management Agreement for each Fund will be dated as of the date of the consummation of the Transaction, which is expected to occur early in the second quarter of 2002. Each New Investment Management Agreement will be in effect for an initial term ending on September 30, 2002 (the same term as would apply under the corresponding Current Investment Management Agreement but for the Transaction), and may be continued thereafter from year to year only if specifically approved at least annually by the vote of "a majority of the outstanding voting securities" (as defined below under "Additional Information") of each Fund, or by the Board and, in either event, the vote of a majority of the Independent Directors, cast in person at a meeting called for such purpose. In the event that shareholders of a Fund do not approve the New Investment Management Agreement, the Current Investment Management Agreement will terminate if the Transaction is consummated. In such event, the Board of such Fund will take such action, if any, as it deems to be in the best interests of the Fund including (without limitation) re-submitting this Proposal for shareholder approval, and/or entering into an interim investment management agreement with Scudder. In the event the Transaction is not consummated, Scudder will continue to provide services to each Fund in accordance with the terms of each Current Investment Management Agreement for such periods as may be approved at least annually by the Board, including a majority of the Independent Directors.

DIFFERENCES BETWEEN THE CURRENT AND NEW INVESTMENT MANAGEMENT AGREEMENTS

The terms of the New Investment Management Agreement for each Fund are substantially identical to the terms of the corresponding Current Investment Management Agreement, except that, to the extent permissible by law, pursuant to each New Investment Management Agreement the Investment Manager would be authorized to appoint certain of its affiliates as sub-advisers to perform certain of the Investment Manager's duties. In such cases, the Investment Manager would also be authorized to adjust the duties, the amount of assets to be managed and the fees paid to any such affiliated sub-advisers. These affiliated sub-advisers must be entities that the Investment Manager controls, is controlled by, or is under common control with, and any such appointments are subject to the further approval of the Independent Directors and the full Board. Shareholders of a Fund that are affected by any adjustment would receive prompt notice following approval by the Directors. The management fee rates paid by the Funds would not increase as a result of any such action; all fees incurred by a sub-adviser will continue to be the responsibility of

the Investment Manager. The Investment Manager will retain full responsibility for the actions of any such sub-adviser or delegates.

The investment management fee rates paid by the Funds under the New Investment Management Agreements are the same as those currently in effect.

THE DIRECTORS OF EACH FUND UNANIMOUSLY RECOMMEND THAT SHAREHOLDERS OF EACH FUND VOTE FOR THE APPROVAL OF A NEW INVESTMENT ADVISORY, MANAGEMENT AND ADMINISTRATION AGREEMENT FOR THAT FUND.

PROPOSAL 2: (FOR SHAREHOLDERS OF THE KOREA FUND, INC. ONLY)
APPROVAL OF NEW RESEARCH AND ADVISORY AGREEMENTS

Scudder has entered into a research and advisory agreement (the "Current Korea Sub-Advisory Agreement"), on behalf of The Korea Fund, Inc. ("The Korea Fund") with Zurich Scudder Investments Korea Limited ("Zurich Scudder Korea") pursuant to which Zurich Scudder Korea furnishes information, investment recommendations, advice and assistance to Scudder.

The Current Korea Sub-Advisory Agreement provides for its automatic termination in the event of the termination (due to assignment or otherwise) of the Current Investment Management Agreement applicable to The Korea Fund. As discussed in Proposal 1, consummation of the Transaction would constitute an assignment of the Current Investment Management Agreement and will therefore cause a termination of the Current Korea Sub-Advisory Agreement. Accordingly, a new research and advisory agreement between Scudder and Zurich Scudder Korea (the "New Korea Sub-Advisory Agreement") is being proposed for approval by shareholders of The Korea Fund. A form of the New Korea Sub-Advisory Agreement is attached hereto as Exhibit C. THE TERMS OF THE NEW KOREA SUB-ADVISORY AGREEMENT ARE SUBSTANTIALLY IDENTICAL TO THE TERMS OF THE CURRENT KOREA SUB-ADVISORY AGREEMENT. The material terms of the Current Sub-Advisory Agreement are described under "Description of the Current Korea Sub-Advisory Agreement" below and are qualified in their entirety by reference to Exhibit C.

In the event that the Transaction does not, for any reason, occur, the Current Korea Sub-Advisory Agreement will continue in accordance with its terms then in effect, as more fully described below.

BOARD CONSIDERATIONS

On February 6, 2002, the Board, including the Independent Directors, of The Korea Fund unanimously voted to approve the New Korea Sub-Advisory Agreement proposed by Scudder and to recommend its approval to the shareholders of The Korea Fund.

In considering whether to approve the New Korea Sub-Advisory Agreement, the Board considered the factors it considered in approving the New Investment Management Agreements, to the extent applicable. (See Proposal 1 for more information regarding the Board's evaluation.) Based on the facts that (i) the sole reason the Board considered the New Korea Sub-Advisory Agreement was due to the effects of the Transaction on the Current Investment Management Agreements and unrelated to the performance or structure of Zurich Scudder Korea and (ii) the New Korea Sub-Advisory Agreement is substantially identical to the Current Korea Sub-Advisory Agreement, the Board did not conduct a special review on the operations of Zurich Scudder Korea in approving the New Korea Sub-Advisory Agreement.

Edgar Filing: KOREA FUND INC - Form DEFS14A

The Board unanimously recommends that shareholders vote in favor of the approval of the New Korea Sub-Advisory Agreement.

DESCRIPTION OF THE CURRENT KOREA SUB-ADVISORY AGREEMENT

The Current Korea Sub-Advisory Agreement provides that Zurich Scudder Korea shall furnish Scudder with information, investment recommendations, advice and assistance, as Scudder from time to time reasonably requests. In addition, the Current Korea Sub-Advisory Agreement provides that Zurich Scudder Korea shall maintain a separate staff within its organization to furnish such services exclusively to Scudder. For the benefit of The Korea Fund, Zurich Scudder Korea has agreed to pay the fees and expenses of any Directors or officers of The Korea Fund who are directors, officers or employees of Zurich Scudder Korea or its affiliates, except that The Korea Fund has agreed to bear certain travel expenses of such Director, officer or employee to the extent such expenses relate to the attendance as a Director at a Board meeting of The Korea Fund.

In return for the services it renders under the Current Korea Sub-Advisory Agreement, Zurich Scudder Korea is paid by Scudder monthly compensation which, on an annual basis, is equal to 0.2875% of the value of The Korea Fund's net assets up to and including \$50 million; 0.2750% of the value of such assets on the next \$50 million; 0.2500% of the value of such assets on the next \$250 million; 0.2375% of such assets on the next \$400 million; and 0.2250% of such assets in excess of \$750 million. During the fiscal year ended June 30, 2001, the fees paid by Scudder to Zurich Scudder Korea, pursuant to the Current Korea Sub-Advisory Agreement, amounted to \$1,754,419.

The Current Korea Sub-Advisory Agreement further provides that Zurich Scudder Korea shall not be liable for any act or omission in the course of, connected with or arising out of any services to be rendered under the Current Korea Sub-Advisory Agreement, except by reason of willful misfeasance, bad faith or gross negligence on the part of Zurich Scudder

17

Korea in the performance of its duties or from reckless disregard by Zurich Scudder Korea of its obligations and duties under the Current Korea Sub-Advisory Agreement.

The Current Korea Sub-Advisory Agreement may be terminated without penalty upon sixty (60) days' written notice by either party, or by a majority vote of the outstanding voting securities of The Korea Fund, and, as stated above, automatically terminates in the event of the termination of The Korea Fund's currently effective investment advisory, management and administration agreement or in the event of its assignment.

DIFFERENCES BETWEEN THE CURRENT AND NEW KOREA SUB-ADVISORY AGREEMENTS

The terms of the New Korea Sub-Advisory Agreement are substantially identical to the terms of the Current Korea Sub-Advisory Agreement.

PROPOSAL 4: (FOR SHAREHOLDERS OF SCUDDER GLOBAL HIGH INCOME FUND, INC. ONLY) APPROVAL OF RESEARCH AND ADVISORY AGREEMENT

Scudder has proposed entering into a research and advisory agreement (the "DSA Sub-Advisory Agreement"), on behalf of Scudder Global High Income Fund, Inc. (the "GHI Fund"), with Deutsche Asset Management Investment Services Limited ("DeAMIS") pursuant to which DeAMIS would furnish information, investment recommendations, advice and assistance to Scudder. The DSA Sub-Advisory Agreement was unanimously approved by the Board of Directors of the GHI Fund, including the Independent Directors, at a meeting held on February 6, 2002. A form of the DSA Sub-Advisory Agreement is attached hereto as Exhibit C. The material terms of the DSA Sub-Advisory Agreement are described under "Description of the DSA Sub-Advisory Agreement" below and are qualified in their entirety by reference to Exhibit C.

It is anticipated that following the closing of the Transaction, the portfolio management team that is responsible for managing the GHI Fund's assets may, as set forth in Appendix 2, change, transition from the United States to London and become employees of DeAMIS. It is expected that this transition will allow the portfolio management team to access the global reach of Deutsche Asset Management more effectively.

Following the closing of the Transaction, a certain amount of time will be necessary to permit Scudder and Deutsche Asset Management to prepare and institute the necessary arrangements for the portfolio managers to transition to DeAMIS. As such, the DSA Sub-Advisory Agreement will go into effect at a time to be determined following the closing of the Transaction (and in any case not more than two years following such date) upon the approval of the Board of the GHI Fund and the Independent Directors. In addition, the fees to be paid to DeAMIS will at that time be determined, again upon the approval of the Board and the Independent Directors. Any such fees payable under the DSA Sub-Advisory Agreement are paid by Scudder and have no effect on management fees paid by the GHI Fund to Scudder pursuant to the New Investment Management Agreement. In no case will the investment management fees paid to DeAMIS by Scudder be greater than those paid

24

Edgar Filing: KOREA FUND INC - Form DEFS14A

by the GHI Fund to Scudder pursuant to the New Investment Management Agreement. Scudder retains responsibility for the actions of DeAMIS pursuant to the DSA Sub-Advisory Agreement.

The DSA Sub-Advisory Agreement as unanimously approved by the Board is now being submitted for approval by the shareholders of the GHI Fund. If it is approved by the shareholders of the GHI Fund, the DSA Sub-Advisory Agreement would continue in effect until the next September 30 following its date of effectiveness unless earlier terminated, and will continue from year to year thereafter, subject to approval annually by the Board or by holders of a majority of the outstanding voting securities of the GHI Fund, and also, in either event, approval by a majority of the Independent Directors at a meeting called for the purpose of voting on such approval. If the shareholders of the GHI Fund should fail to approve the DSA Sub-Advisory Agreement, the Board will take such action, if any, as it considers to be in the best interests of the Fund.

BOARD CONSIDERATIONS

On February 6, 2002, the Board, including the Independent Directors, of the GHI Fund voted unanimously to approve the DSA Sub-Advisory Agreement proposed by Scudder and to recommend its approval to the shareholders of the GHI Fund.

In considering whether to approve the DSA Sub-Advisory Agreement, the Board considered the factors it considered in approving the New Investment Management Agreement, to the extent applicable. (See Proposal 1 for more information regarding the Boards' evaluation.) In addition, the Board considered the recommendation of Scudder and various information and materials provided by each of Scudder and DeAMIS. As discussed above, the DSA Sub-Advisory Agreement will allow the portfolio managers to integrate with DeAMIS' London facilities. Furthermore, the Board considered that approval of the DSA Sub-Advisory Agreement would not affect management fees paid by the GHI Fund, and that Scudder would remain responsible for DeAMIS' actions under the DSA Sub-Advisory Agreement.

The Board was told by representatives of Deutsche Asset Management that the deferral in implementing the DSA Sub-Advisory Agreement was necessary to permit Scudder and Deutsche Asset Management a sufficient amount of time to plan, prepare and institute the necessary arrangements for the transition of portfolio management teams to DeAMIS. Scudder also emphasized to the Board that the DSA Sub-Advisory Agreement would be implemented only upon approval by the GHI Fund's full Board and Independent Directors based on information they then deemed adequate and necessary to consider these arrangements, including fee arrangements.

25

The Board unanimously recommends that shareholders of the GHI Fund vote in favor of the approval of the DSA Sub-Advisory Agreement.

DESCRIPTION OF THE DSA SUB-ADVISORY AGREEMENT

The DSA Sub-Advisory Agreement provides that DeAMIS shall furnish Scudder with information, investment recommendations, advice and assistance, as Scudder from time to time reasonably requests. In addition, the DSA Sub-Advisory Agreement provides that DeAMIS shall maintain a separate staff within its organization to furnish such services exclusively to Scudder. For the benefit of the GHI Fund, DeAMIS has agreed to pay the fees and expenses of any Directors or Officers of the GHI Fund who are directors, officers or employees of DeAMIS or its affiliates, except that the GHI Fund has agreed to bear certain travel expenses of such Director, Officer or employee to the extent such expenses relate to the

Edgar Filing: KOREA FUND INC - Form DEFS14A

attendance as a director at a Board meeting of the GHI Fund depending upon the residency of such Director, Officer or employee and the location of such Board meeting.

As noted above, the sub-advisory fee payable under the DSA Sub-Advisory Agreement would be paid by the Investment Manager, not the GHI Fund, and will be set, and may vary from time to time thereafter, subject to the approval of the GHI Fund's Board, including a majority of the Independent Directors.

The DSA Sub-Advisory Agreement further provides that DeAMIS shall not be liable for any act or omission in the course of, connected with or arising out of any services to be rendered under the DSA Sub-Advisory Agreement, except by reason of willful misfeasance, bad faith or gross negligence on the part of DeAMIS in the performance of its duties or from reckless disregard by DeAMIS of its obligations and duties under the DSA Sub-Advisory Agreement.

The DSA Sub-Advisory Agreement may be terminated without penalty upon sixty (60) days' written notice by either party, or by a majority vote of the outstanding voting securities of the GHI Fund, and, as stated above, automatically terminates in the event of the termination of the GHI Fund, currently effective investment advisory, management and administration agreement or in the event of its assignment.

Edgar Filing: KOREA FUND INC - Form DEFS14A

portfolio transactions for the GHI Fund, DeAMIS may consider its affiliates. When it can be done consistently with the policy of obtaining the most favorable net results, DeAMIS may place such orders with brokers and dealers who provide market, statistical and other research information to the GHI Fund or DeAMIS. DeAMIS is authorized, under certain circumstances, when placing portfolio transactions for equity securities to pay a brokerage commission (to the extent applicable) in excess of that which another broker might charge for executing the same transaction on account of the receipt of market, statistical and other research information. Allocation of portfolio transactions is supervised by DeAMIS.

REQUIRED VOTE

Approval of the DSA Sub-Advisory Agreement requires the affirmative vote of a "majority of the outstanding voting securities" (as defined under "Additional Information") of the GHI Fund.

THE DIRECTORS OF THE GHI FUND UNANIMOUSLY RECOMMEND THAT SHARE-HOLDERS VOTE FOR THE APPROVAL OF THE DSA SUB-ADVISORY AGREEMENT.

ADDITIONAL INFORMATION

GENERAL

The cost of preparing, printing and mailing the enclosed proxy card(s) and this Proxy Statement, and all other costs incurred in connection with the solicitation of proxies, including any additional solicitation made by letter, telephone, facsimile or telegraph, will be paid by Scudder. In addition to solicitation by mail, certain officers and representatives of each Fund, officers and employees of Scudder and certain financial services firms and their representatives, who will receive no extra compensation for their services, may solicit proxies by telephone, telegram or personally.

Any shareholder of a Fund giving a proxy has the power to revoke it by mail (addressed to the Secretary at the principal executive office of the applicable Fund, c/o Zurich Scudder Investments, Inc., at the address for the Fund shown at the beginning of this Proxy Statement), or in person at a Meeting, by executing a superseding proxy or by submitting a notice of revocation to the applicable Fund. All properly executed proxies received in time for the Meetings will be voted as specified in the proxy or, if no specification is made, in favor of each Proposal referred to in the Proxy Statement.

The presence at a Meeting, in person or by proxy, of the holders of a majority, with respect to each Fund, of the shares entitled to be cast of such Fund shall be necessary and sufficient to constitute a quorum for the transaction of business. In the event that the necessary quorum to transact business or the vote required to approve any Proposal is not obtained at a Meeting with respect to one or more Funds, the persons named as proxies may propose one or more adjournments of the Meeting in accordance with applicable law to permit further solicitation of proxies with respect to that Proposal. Any such adjournment as to a matter will require the affirmative vote of the holders of a majority of the concerned Fund's shares present in person or by proxy at a Meeting. The persons named as proxies will vote in favor of any such adjournment those proxies which they are entitled to vote in favor of that Proposal and will vote against any such adjournment those proxies to be voted against that Proposal. For purposes of determining the presence of a quorum for transacting business at a Meeting, abstentions and broker "non-votes" will be treated as shares that are present but which have not been voted. Broker non-votes are proxies received by a Fund from brokers or nominees when the broker or nominee neither has received

Edgar Filing: KOREA FUND INC - Form DEFS14A

instructions from the beneficial owner or other persons entitled to vote nor has discretionary power to vote on a particular matter. Accordingly, shareholders are urged to forward their voting instructions promptly.

Approval of each of the Proposals, with respect to each applicable Fund, requires the affirmative vote of the holders of a "majority of the outstand-

28

ing voting securities" of that Fund. The term "majority of the outstanding voting securities," as defined in the 1940 Act and as used in this Proxy Statement, means: the affirmative vote of the lesser of (i) 67% of the voting securities of a Fund present at a Meeting if more than 50% of the outstanding voting securities of the Fund are present in person or by proxy or (ii) more than 50% of the outstanding voting securities of the Fund.

Abstentions will have the effect of a "no" vote on each of the Proposals. Broker non-votes will have the effect of a "no" vote for each of the Proposals if such vote is determined on the basis of obtaining the affirmative vote of more than 50% of the outstanding shares of a Fund. Broker non-votes will not constitute "yes" or "no" votes for any of the Proposals, and will be disregarded in determining the voting securities "present" if such vote is determined on the basis of the affirmative vote of 67% of the voting securities of a Fund present at a Meeting. Broker non-votes are not likely to be relevant to the Meetings because the Funds have been advised by the New York Stock Exchange that each of the Proposals to be voted upon by the shareholders involves matters that the New York Stock Exchange considers to be routine and within the discretion of brokers to vote if no customer instructions are received. Shareholders of each Fund will vote separately with respect to each Proposal.

If shareholder approval of Proposal 1 is not obtained prior to the closing of the Transaction, Scudder would propose to enter into an interim advisory agreement with your Fund, pursuant to Rule 15a-4 under the 1940 Act. The interim agreement, which would take effect upon completion of the acquisition of Scudder by Deutsche Bank, would be in substantially the same form as the New Investment Management Agreement, but would not include the new provisions regarding flexibility in managing assets and would include special provisions required by Rule 15a-4, including:

- a maximum term of 150 days;
- a provision that the Board or holders of a majority of the Fund's shares may terminate the agreement at any time without penalty on not more than 10 days' written notice; and
- a provision that the compensation earned by Scudder under the agreement would be held in an interest-bearing escrow account until shareholder approval of the New Investment Management Agreement is obtained, after which the amount in the escrow account (together with any interest) would be paid to Scudder.

If any Fund relying on Rule 15a-4 has not received the requisite shareholder approval for the New Investment Management Agreement within 150 days after completion of the acquisition of Scudder by Deutsche Bank, fees (less reasonable expenses) would be returned to that Fund and

29

the Board of the affected Fund would consider other appropriate arrangements subject to approval in accordance with the 1940 Act.

Edgar Filing: KOREA FUND INC - Form DEFS14A

Holders of record of the shares of each Fund at the close of business on February 8, 2002, as to any matter on which they are entitled to vote, will be entitled to one vote per share on all business of a Meeting. The table provided in Appendix 6 hereto sets forth the number of shares outstanding for each Fund as of December 31, 2001.

To the best of each Fund's knowledge, as of December 31, 2001, no person owned beneficially more than 5% of any Fund's outstanding shares, except as stated in Appendix 7.

Appendix 8 lists the amount of shares of each Fund owned directly or beneficially by the Directors of the relevant Board and officers of each Fund.

Georgeson Shareholder Communications, Inc. ("Georgeson") has been engaged to assist in the solicitation of proxies for the Funds, at an estimated cost of \$9,500 per Fund, plus expenses. Such expenses will be borne by Scudder. As the Meeting date approaches, certain shareholders of each Fund may receive a telephone call from a representative of Georgeson if their votes have not yet been received. Authorization to permit Georgeson to execute proxies may be obtained by telephonic or electronically transmitted instructions from shareholders of each Fund. Proxies that are obtained telephonically will be recorded in accordance with the procedures described below. The Funds believe that these procedures are reasonably designed to ensure that both the identity of the shareholder casting the vote and the voting instructions of the shareholder are accurately determined.

If a shareholder wishes to participate in a Meeting, but does not wish to give a proxy by telephone or electronically, the shareholder may still submit the proxy card(s) originally sent with this Proxy Statement or attend in person. Should shareholders require additional information regarding the proxy or replacement proxy card(s), they may contact Georgeson toll-free at (866) 904-6809. Any proxy given by a shareholder is revocable until voted at a Meeting.

SHAREHOLDER PROPOSALS FOR SUBSEQUENT MEETINGS

A shareholder wishing to submit a proposal for inclusion in a Fund's proxy statement for the next annual meeting of shareholders should send such written proposal to the Secretary of the Fund within a reasonable time before the solicitation of proxies for such meeting. The timely submission of a proposal, however, does not guarantee its inclusion.

30

OTHER MATTERS TO COME BEFORE THE MEETINGS

The Boards are not aware of any matters that will be presented for action at the Meetings other than the matters described in this material. Should any other matters requiring a vote of shareholders arise, the proxy in the accompanying form will confer upon the person or persons entitled to vote the shares represented by such proxy the discretionary authority to vote the shares as to any such other matters in accordance with their best judgment in the interest of each Fund.

PLEASE COMPLETE, SIGN AND RETURN THE ENCLOSED PROXY CARD(S) (OR TAKE ADVANTAGE OF AVAILABLE ELECTRONIC OR TELEPHONIC VOTING PROCEDURES) PROMPTLY. NO POSTAGE IS REQUIRED IF MAILED IN THE UNITED STATES.

By Order of the Boards,

/s/ John Millette

The Fund further agrees that all services and products it offers in connection with the Scudder Marks shall meet commercially reasonable standards of quality, as may be determined by the Manager or the Trademark Owner from time to time, provided that the Manager acknowledges that the services and products the Fund rendered during the one-year period preceding the date of this Agreement are acceptable. At your reasonable request, the Fund shall cooperate with the Manager and the Trademark Owner and shall execute and deliver any and all documents necessary to maintain and protect (including but not limited to in connection with any trademark infringement action) the Scudder Marks and/or enter the Fund as a registered user thereof. In no event shall the Fund use the Scudder Marks or any other name or mark confusingly similar thereto (including, but not limited to, any name or mark that includes the name "Scudder") if this Agreement or any other investment advisory agreement between the Manager (or the Manager's Successor) and the Fund is terminated.]

[5.]6. The Manager agrees that it will not make a short sale of any capital stock of the Fund or purchase any share of the capital stock of the Fund otherwise than for investment.

[6.]7. In executing transactions for the Fund and selecting brokers or dealers, the Manager shall use its best efforts to seek the best overall terms available. In assessing the best overall terms available for any Fund

transaction, the Manager shall consider on a continuing basis all factors it deems relevant, including, but not limited to, breadth of the market in the security, the price of the security, the financial condition and execution capability of the broker or dealer and the reasonableness of any commission for the specific transaction. In selecting brokers or dealers to execute a particular transaction and in evaluating the best overall terms available, the Manager may consider the brokerage and research services (as those terms are defined in Section 28(e) of the Securities Exchange Act of 1934) provided to the Fund and/or other accounts over which the Manager or an affiliate exercises investment discretion.

[7.]8. Nothing herein shall be construed as prohibiting the Manager from providing investment advisory services to, or entering into investment advisory agreements with, other clients (including other registered investment companies), including clients which may invest in securities [FOR SCUDDER GLOBAL HIGH INCOME FUND, INC. ONLY: issued by issuers in emerging market countries] [FOR SCUDDER NEW ASIA FUND, INC. ONLY: of Asian issuers] [FOR SCUDDER NEW EUROPE FUND, INC. ONLY: of European issuers] [FOR THE BRAZIL FUND, INC. ONLY: of Brazilian issuers] [FOR THE KOREA FUND, INC. ONLY: of Korean issuers], or from utilizing (in providing such services) information furnished to the Manager by [FOR THE BRAZIL FUND, INC. ONLY: any Brazilian administrator and others as contemplated by sections 1 and 2 of this Agreement] [FOR THE KOREA FUND, INC. ONLY: Scudder Investments Korea Limited and others as contemplated by sections 1 and 3 of this Agreement or by] advisors and consultants to the Fund and others; nor shall anything herein be construed as constituting the Manager as an agent of the Fund.

Whenever the Fund and one or more other accounts or investment companies advised by the Manager have available funds for investment, investments suitable and appropriate for each shall be allocated in accordance with procedures believed by the Manager to be equitable to each entity. Similarly, opportunities to sell securities shall be allocated in a manner believed by the Manager to be equitable. The Fund recognizes that in some cases this procedure may adversely affect the size of the position that may be acquired or disposed of for the

Edgar Filing: KOREA FUND INC - Form DEFS14A

Fund. In addition, the Fund acknowledges that the persons employed by the Manager to assist in the performance of the Manager's duties hereunder will not devote their full time to such service and nothing contained herein shall be deemed to limit or restrict the right of the Manager or any affiliate of the Manager to engage in and devote time and attention to other businesses or to render services of whatever kind or nature.

[8.]9. The Manager may rely on information reasonably believed by it to be accurate and reliable. Neither the Manager nor its officers, directors, employees or agents shall be subject to any liability for any act or omission, error of judgment or mistake of law, or for any loss suffered by

A-6

the Fund, in the course of, connected with or arising out of any services to be rendered hereunder, except by reason of willful misfeasance, bad faith, or gross negligence on the part of the Manager in the performance of its duties or by reason of reckless disregard on the part of the Manager of its obligations and duties under this Agreement. Any person, even though also employed by the Manager, who may be or become an employee of the Fund and paid by the Fund shall be deemed, when acting within the scope of his employment by the Fund, to be acting in such employment solely for the Fund and not as an employee or agent of the Manager.

[9.]10. This Agreement shall be in effect [FOR SCUDDER GLOBAL HIGH INCOME FUND, INC. AND THE BRAZIL FUND, INC. ONLY: for an initial term ending on] [FOR SCUDDER NEW ASIA FUND, INC. AND THE KOREA FUND, INC. ONLY: until] September 30, 2002 and shall continue in effect from year to year thereafter, but only so long as such continuance is specifically approved at least annually by the affirmative vote of (i) a majority of the members of the Fund's Board of Directors who are not parties to this Agreement or interested persons of any party to this Agreement, or of any entity regularly furnishing investment advisory services with respect to the Fund pursuant to an agreement with any party to this Agreement, cast in person at a meeting called for the purpose of voting on such approval, and (ii) a majority of the Fund's Board of Directors or the holders of a majority of the outstanding voting securities of the Fund. This Agreement may nevertheless be terminated at any time without penalty, on 60 days' written notice, by the Fund's Board of Directors, by vote of holders of a majority of the outstanding voting securities of the Fund, or by the Manager [FOR THE BRAZIL FUND, INC. ONLY: but only after written notice to the Fund and to the Comissao de Valores Mobiliarios of not less than 60 days (or such longer period as may be required under the Regulations of the National Monetary Council).]

This Agreement shall automatically be terminated in the event of its assignment, provided that an assignment to a corporate successor to all or substantially all of the Manager's business or to a wholly-owned subsidiary of such corporate successor which does not result in a change of actual control or management of the Manager's business shall not be deemed to be an assignment for the purposes of this Agreement. Any notice to the Fund or the Manager shall be deemed given when received by the addressee.

[10.]11. This Agreement may not be transferred, assigned, sold or in any manner hypothecated or pledged by either party hereto, except as permitted under the 1940 Act or rules and regulations adopted thereunder. It may be amended by mutual agreement, but only after authorization of such amendment by the affirmative vote of (i) the holders of a majority of the outstanding voting securities of the Fund, and (ii) a majority of the

A-7

Edgar Filing: KOREA FUND INC - Form DEFS14A

members of the Fund's Board of Directors who are not parties to this Agreement or interested persons of any party to this Agreement, or of any entity regularly furnishing investment advisory services with respect to the Fund pursuant to an agreement with any party to this Agreement, cast in person at a meeting called for the purpose of voting on such approval.

[11.]12. This Agreement shall be construed in accordance with the laws of the State of New York, without giving effect to the conflicts of laws principles thereof, provided, however, that nothing herein shall be construed as being inconsistent with the 1940 Act. As used herein, the terms "interested person," "assignment," and "vote of a majority of the outstanding voting securities" shall have the meanings set forth in the 1940 Act.

Certain senior executives of Scudder are expected to take positions at Deutsche Asset Management, including Edmond D. Villani, Scudder's President and Chief Executive Officer, who is expected to join the existing Deutsche Asset Management Global Executive Committee, as well as serve on the Americas leadership team. Deutsche Bank has represented that it does not anticipate that the Transaction will have any adverse effect on Scudder's ability to fulfill its obligations under the New Investment Management Agreements or on its ability to operate its businesses in a manner consistent with its current practices.

Edmond Villani, Nicholas Bratt and Lynn Birdsong, each a director of Scudder, are parties to employment agreements with Scudder, entered into in 1997 when Scudder was acquired by Zurich Financial, which would provide each executive, if his employment is terminated by Scudder without cause or by the executive for good reason, with a severance payment equal to two times the sum of his base salary and the higher of his two most recent annual bonuses, in the case of Messrs. Pursuant to the terms of each of the Zurich Scudder Investments Supplemental Employee Retirement Plan, Zurich Scudder Investments Executive Defined Contribution Plan and Zurich Scudder Investments Special Incentive Compensation Plan, upon consummation of the Transaction, the respective accounts of each participant in such Plans will become fully vested to the extent that such amounts were not vested prior to the consummation of the Transaction.

Scudder also informed the Funds that as of December 31, 2001, Scudder shared power to vote and dispose of 1,634,248 shares of Deutsche Bank common stock (approximately 0.26 of 1% of the shares outstanding). All of those shares were held by various investment companies managed by Scudder. On that date, Scudder also shared power to vote and/or dispose of other securities of Deutsche Bank and its affiliates, some of which were also held by various investment companies managed by Scudder. To the extent required by the 1940 Act, prior to, or within a reasonable time after the Transaction, Scudder will dispose of the Deutsche Bank (and affiliates) securities held by various investment companies managed by Scudder, and Deutsche Bank will pay the transactional costs associated with such disposition.
