PROXY STATEMENT

2004 ANNUAL MEETING OF STOCKHOLDERS

NOVEMBER 11, 2004

ABOUT THE ANNUAL MEETING

Party City Corporation ("Party City" or the "Company") is providing these proxy materials in connection with Party City's 2004 Annual Meeting of Stockholders or any adjournment or postponement thereof (the "Annual Meeting") at 9:00 a.m., Eastern Time, to be held at the Parsippany Hilton, 1 Hilton Court, Parsippany, New Jersey. This proxy statement, the accompanying proxy card and the Company's Annual Report on Form 10-K for the year ended July 3, 2004 were first mailed to stockholders on or about October 15, 2004. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully.

WHO IS SOLICITING MY VOTE?

The Board of Directors of Party City is soliciting your proxy for use at the Annual Meeting.

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

You will be voting on:

- Election of directors; and
- Any other business that may properly come before the Annual Meeting.

WHAT ARE THE BOARD OF DIRECTORS' RECOMMENDATIONS?

The Board of Directors recommends a vote:

- FOR the election of each nominee as director;
- FOR or AGAINST other matters that come before the Annual Meeting, as the proxy holders deem advisable.

WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING

The Board of Directors set September 16, 2004 as the record date for the Annual Meeting (the "record date"). All stockholders who owned Party City common stock at the close of business on September 16, 2004 may attend and vote at the Annual Meeting.

HOW MANY VOTES DO I HAVE?

You will have one vote for each share of Party City's common stock you owned at the close of business on the record date, provided those shares are either held directly in your name as the stockholder of record or were held for you as the beneficial owner through a broker, bank or other nominee.

Edgar Filing: PARTY CITY CORP - Form DEF 14A

2

WHAT IS THE DIFFERENCE BETWEEN HOLDING SHARES AS A STOCKHOLDER OF RECORD AND A BENEFICIAL OWNER?

Most stockholders of Party City hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with Party City's transfer agent, American Stock Transfer & Trust Company, you are considered the stockholder of record with respect to those shares, and these proxy materials are being sent directly to you by Party City. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. Party City has enclosed a proxy card for you to use.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name", and these proxy materials (including a voting instruction card) are being forwarded to you by your broker, bank or nominee who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you request and obtain a proxy from your broker, bank or nominee. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee regarding how to vote your shares.

HOW DO I VOTE?

YOUR VOTE IS IMPORTANT. You may vote by mail or by attending the Annual Meeting and voting by ballot, all as described below.

VOTE BY MAIL

If you choose to vote by mail, simply mark your proxy card or voting instruction card, date and sign it, and return it in the postage-paid envelope provided. If the envelope is missing, please mail your completed proxy card to Party City Corporation, c/o Joseph J. Zepf, Esq. Vice President, General Counsel & Secretary, 400 Commons Way, Rockaway, New Jersey 07866, or your completed voting instruction card to your broker, bank or nominee.

VOTING AT THE ANNUAL MEETING

The method or timing of your vote will not limit your right to vote at the Annual Meeting if you attend the meeting and vote in person. However, if your shares are held in the name of a bank, broker or other nominee, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting. You should allow yourself enough time prior to the Annual Meeting to obtain this proxy from the holder of record.

The shares represented by the proxy cards received, properly marked, dated, signed and not revoked, will be voted at the Annual Meeting.

HOW MANY VOTES CAN BE CAST BY ALL STOCKHOLDERS?

Each share of Party City common stock is entitled to one vote. There is no

Edgar Filing: PARTY CITY CORP - Form DEF 14A

cumulative voting. Party City has no other classes of voting securities. The Company had 17,123,186 shares of common stock outstanding and entitled to vote on the record date.

HOW MANY VOTES MUST BE PRESENT TO HOLD THE ANNUAL MEETING?

A majority of Party City's outstanding shares as of the record date must be present at the Annual Meeting in order to hold the Annual Meeting and conduct business. This is called a "quorum." Shares are counted as present at the Annual Meeting if you are present and vote in person at the Annual Meeting or a proxy card has

3

been properly submitted by you or on your behalf. Both abstentions and "broker non-votes" are counted as present for the purpose determining the presence of a quorum (see "What if I don't vote for some of the items listed on my proxy card or voting instruction card?" below for an explanation of broker non-votes).

HOW MANY VOTES ARE REQUIRED TO ELECT DIRECTORS?

Directors are elected by a plurality of votes cast. This means that the seven individuals nominated for election to the Board of Directors who receive the most "FOR" votes (among votes properly cast in person or by proxy) will be elected; nominees do not need to receive a majority to be elected. If you withhold authority to vote with respect to the election of some or all of the nominees, your shares will not be voted with respect to those nominees indicated. Your shares will be counted for purposes of determining whether there is a quorum, but it will have no effect on the election of those nominees.

WHAT IF I DON'T VOTE FOR SOME OF THE ITEMS LISTED ON MY PROXY CARD OR VOTING INSTRUCTION CARD?

If you return your signed proxy card or voting instruction card in the enclosed envelope but do not mark selections, it will be voted in accordance with the recommendations of the Board of Directors. If you indicate a choice with respect to any matter to be acted upon on your proxy card or voting instruction card, the shares will be voted in accordance with your instructions.

If you are a beneficial owner and hold your shares in street name through a broker and do not return the voting instruction card, the broker or other nominee will determine if it has the discretionary authority to vote on the particular matter. Under applicable law, brokers have the discretion to vote on routine matters, such as the uncontested election of directors, but do not have discretion to vote on non-routine matters, such as amendments to the Certificate of Incorporation.

If you do not provide voting instructions to your broker and the broker has indicated on the proxy card that it does not have discretionary authority to vote on a particular proposal, your shares will be considered "broker non-votes" with regard to that matter. Broker non-votes will be considered as represented for purposes of determining a quorum but will not be considered as entitled to vote with respect to that proposal. Broker non-votes are not counted in the tabulation of the voting results with respect to the election of directors or for purposes of determining the number of votes cast with respect to a particular proposal that requires a majority of the votes cast. However, with respect to a proposal that requires a majority of the outstanding shares, a broker non-vote, similar to an abstention, has the same effect as a vote against the proposal.

CAN I CHANGE OR REVOKE MY VOTE AFTER I RETURN MY PROXY CARD?

Edgar Filing: PARTY CITY CORP - Form DEF 14A

Yes. Even if you sign the proxy card or voting instruction card in the form accompanying this proxy statement, you retain the power to revoke your proxy or change your vote.

If your shares are held in street name, you must contact the broker, bank or nominee for instructions on how to revoke your voting instruction card.

If you are a record holder, you can revoke your proxy card at any time before it is exercised by giving written notice to the Secretary of Party City, specifying such revocation. As a record holder, you may also change your vote by timely delivery of a valid, later-dated proxy to the Secretary of the Company or by voting by ballot at the Annual Meeting. Please note that merely attending the Annual Meeting without voting will not revoke your proxy card.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD OR VOTING INSTRUCTION CARD?

It generally means your shares are registered differently or are in more than one account. Please provide voting instructions of all proxy cards and voting instruction cards you receive.

4

WILL THE COMPANY'S INDEPENDENT ACCOUNTANTS BE AVAILABLE TO ANSWER QUESTIONS FROM STOCKHOLDERS?

The Company's independent accountants, Deloitte & Touche LLP, are expected to be available at the Annual Meeting to respond to appropriate questions from stockholders.

WHO CAN ATTEND THE ANNUAL MEETING?

All stockholders as of the record date, or their duly appointed proxies, may attend.

WHAT DO I NEED TO ATTEND THE ANNUAL MEETING AND WHEN SHOULD I ARRIVE?

In order to be admitted to the Annual Meeting, a stockholder must present proof of ownership of Party City common stock on the record date. Any holder of a proxy from a stockholder must present the proxy card, properly executed, to be admitted. Stockholders and proxy holders must also present a form of photo identification such as a driver's license.

If your shares are held in the name of a bank, broker or other holder of record, a brokerage statement or letter from a bank or broker is an example of proof of ownership.

Admission to the Annual Meeting will begin at 8:30 a.m. In order to ensure that you are seated by the commencement of the Annual Meeting at 9:00 a.m., you should arrive early.

The Annual Meeting will be held at the Parsippany Hilton, 1 Hilton Court, Parsippany, New Jersey. When you arrive, signs will direct you to the appropriate meeting rooms. Please note that due to security reasons, all bags will be subject to search. No one who does not comply with these security procedures will be admitted. Cameras and other recording devices will not be permitted in the meeting rooms.

CAN I LISTEN TO THE ANNUAL MEETING ON THE INTERNET?

Edgar Filing: PARTY CITY CORP - Form DEF 14A

Yes. You are invited to visit the Company's website, <http://www.partycity.com>, at 9:00 a.m., Eastern time, to listen to the live webcast of the Annual Meeting. An archived copy of the webcast also will be available on Party City's website through November 26, 2004.

WHO PAYS FOR THE PROXY SOLICITATION AND HOW WILL PARTY CITY SOLICIT VOTES?

Party City will bear the expense of printing and mailing proxy materials. In addition to this solicitation of proxies by mail, the Company's directors, officers and other employees may solicit proxies by personal interview, telephone, facsimile or email. They will not be paid any additional compensation for such solicitation. Party City will request brokers and nominees who hold shares of Party City's common stock in their names to furnish proxy materials to beneficial owners of the shares. Party City will reimburse such brokers and nominees for their reasonable expenses incurred in forwarding solicitation materials to such beneficial owners. Party City has hired Georgeson Shareholder Communications, Inc. to distribute and solicit proxies. Party City will pay Georgeson a fee of \$1,500, plus reasonable expenses, for these services.

HOW CAN I ACCESS PARTY CITY'S PROXY MATERIALS AND ANNUAL REPORT ELECTRONICALLY?

The "Investor Relations" section of the Company's website <http://www.partycity.com> provides access, free of charge, to Securities and Exchange Commission ("SEC") reports as soon as reasonably practicable after the Company electronically files such reports with, or furnishes such reports to, the SEC, including proxy materials, Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and amendments to these reports.

See the "Report of the Audit Committee" contained elsewhere in this proxy statement. The Audit Committee holds regularly scheduled meetings each quarter. In addition to the quarterly meetings, there are typically other regularly scheduled meetings and several special meetings each year.

As required by SEC rules, the Audit Committee has established procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, as well as the confidential and anonymous submission of information, written or oral, by Company employees regarding questionable accounting or auditing matters.

The Board of Directors has determined that each of the members of the Audit Committee is independent within the meaning of SEC regulations, the Nasdaq listing standards and the Audit Committee charter, and has the requisite financial knowledge and experience. Compensation Committee. The Compensation Committee is responsible for setting and administering the Company's policies that govern executive compensation and for establishing the compensation of the Company's executive officers. The Nominating and Corporate Governance Committee, in evaluating the suitability of individual candidates and recommending nominees for election, takes into account many factors, including a candidate's ability to make independent analytical inquiries, general understanding of retail businesses, marketing, finance and other elements relevant to the success of the Company in today's business environment, and educational and professional background. The Committee evaluates each individual in the context of the Board of Directors as a whole, with the objective of assembling a group that can best perpetuate the success of the Company and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. In searching for qualified director candidates for election and to fill vacancies, the Board of Directors solicits current directors for the names of potential

Edgar Filing: PARTY CITY CORP - Form DEF 14A

qualified candidates and may ask directors to pursue their own business contacts for the names of potentially qualified candidates. In the future, the Nominating and Corporate Governance Committee may retain search firms or consult with outside advisors to assist in the search for qualified candidates.

The Nominating and Corporate Governance Committee does not currently consider nominees recommended by the Company's stockholders. The Nominating and Corporate Governance Committee believes that it is in the best position to identify, review, evaluate and select qualified candidates for Board membership, based on the comprehensive criteria for membership approved by the Board of Directors.

The Board of Directors has determined that all of the members of the Nominating and Corporate Governance Committee are independent within the meaning of SEC regulations, the Nasdaq listing standards and the Nominating and Corporate Governance Committee charter.

Edgar Filing: PARTY CITY CORP - Form DEF 14A

REPORT OF THE COMPENSATION COMMITTEE REGARDING EXECUTIVE COMPENSATION

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this proxy statement, in whole or in part, this Report of the Compensation Committee Regarding Executive Compensation, shall not be incorporated by reference into any such filings.

The Compensation Committee of the Board of Directors was formed in 1996 and is presently composed of Messrs. Jalenak and Salmon. The Compensation Committee meets at least once annually or more frequently as the Board of Directors may request. The Compensation Committee's primary responsibilities include the review and approval of compensation, consisting of salary, bonuses, benefits and other compensation for the Company's executive officers. The Compensation Committee is responsible for the administration of the Company's Amended and Restated 1999 Stock Incentive Plan (the "1999 Plan") and for the grant of stock options and other awards under such plan, as well as the administration of the Management Stock Purchase Plan (the "Management Plan") and grants thereunder.

EXECUTIVE OFFICER COMPENSATION

The executive officer compensation programs utilized by the Company are described below for the purpose of providing a general understanding of the various components of executive officer compensation. These executive officer compensation programs are designed to attract, retain and reward highly qualified executive officers who are important to the Company's success and to provide incentives relating directly to the financial performance and long-term growth of the Company. The various components of the executive

19

officer compensation programs used by the Company are, in most cases, the same as those made available generally to employees of the Company. The following is a summary of the executive officer compensation programs:

Cash Compensation

Base Salary. Base salaries are established primarily upon an evaluation of the executive officer's position and contributions to the Company, including (i) individual performance, (ii) level of responsibility, (iii) technical expertise, (iv) length of service, (v) Company performance and (vi) industry compensation levels. The Compensation Committee annually reviews these base salary compensation levels and makes adjustments based on a subjective evaluation of the above factors.

Edgar Filing: PARTY CITY CORP - Form DEF 14A

Incentive Bonuses. The Company has established a cash-based annual bonus program to provide annual incentives to the executive officers to meet or exceed expected performance objectives. This program provides cash compensation, based on a percentage of base salary, for the achievement of EBITDA targets set by the Company and, for certain executive officers, the attainment of specific short-term corporate and individual performance objectives which contribute to the success of the Company.

Equity Compensation

In order to provide long-term incentives to the executive officers of the Company and to further align their interests with those of the Company's stockholders, the Company has implemented several equity-based incentive compensation plans. Among these plans, the 1999 Plan allows for the grant of both incentive and nonqualified stock options as well as restricted stock and other equity-based awards. Equity awards under these plans are granted on a discretionary basis by the Compensation Committee. The Compensation Committee makes a subjective determination as to the award recipients and their level of award after review of the performance factors for the executive officers noted above for base salary determinations. In order to encourage and reward continued employment, these awards typically vest over a period of three to four years after the date of grant.

In June 2001, the Company implemented the Management Plan through which executive officers may elect to forgo all or a portion of their annual bonus and, in exchange for such foregone bonus, receive restricted stock units. To encourage participation in this plan, executives "purchase" restricted stock units at a price that is 20% to 25% less than the fair market value of shares of our common stock at the time of "purchase," depending on the amount of bonus forgone. These forgone bonuses are held by the Company for three or seven years, as elected by the executive officer, and typically paid out in shares of common stock.

The Employee Stock Purchase Plan (the "Employee Plan"), which was approved in November 2001, added yet another mechanism to further align the interests of all employees, including executive officers, with those of the stockholders of the Company. The Employee Plan is structured to offer shares of Company common stock for sale on a bi-annual basis through salary deductions at a 15% discount. The Management Plan and Employee Plan were adopted after consultation with and on the recommendation of the executive compensation consulting firm of Watson Wyatt Worldwide.

CHIEF EXECUTIVE OFFICER COMPENSATION

The Chief Executive Officer of the Company is eligible to participate in the same executive compensation plans available to other executive officers. The Compensation Committee's general approach in setting the Chief Executive Officer's annual compensation (including base salary, annual incentive bonuses and long-term equity-based incentives) is to seek to be competitive with other comparably sized companies in the same industry group and to tie a portion of her annual compensation to the performance of the Company's common stock. This approach is intended to incentivize the Chief Executive Officer through clearly defined long-term goals while providing certainty as to that portion of her compensation that is not performance based.

In conclusion, the Compensation Committee believes that the compensation policies and practices of the Company as described above are fair and reasonable and are in keeping with the best interests of the

Edgar Filing: PARTY CITY CORP - Form DEF 14A

Company, its employees and its stockholders. The Compensation Committee will continue to review and revise the Company's compensation policies and plans in light of the Company's needs, market practices and legal and regulatory changes.

INTERNAL REVENUE CODE SECTION 162(M)

Section 162(m) of the Internal Revenue Code, as amended (the "Code"), generally disallows a tax deduction to public companies for annual compensation over \$1 million paid to each of the Named Executive Officers, except to the extent such compensation qualifies as "performance-based." None of the Named Executive Officers has received compensation in excess of the Section 162(m) limits and all such compensation has been fully deductible by the Company. Moreover, the Company's stock option plans are structured and administered in a manner that is intended to comply with the Section 162(m) performance-based exemption. While the Company's policy has always been to pursue a strategy for maximizing deductibility of compensation for the Named Executive Officers, it also believes it is important to maintain the flexibility to take actions it considers in the best interests of the Company and its stockholders, which may necessarily be based on considerations in addition to Section 162(m).

The members of the Compensation Committee are L.R. Jalenak, Jr. and Walter J. Salmon, both independent directors in accordance with SEC regulations, Nasdaq listing standards and the Compensation Committee charter. Neither member of the Compensation Committee has been an officer or an employee of Party City. REPORT OF THE AUDIT COMMITTEE

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, this Report of the Audit Committee shall not be incorporated by reference into any such filings.

The Audit Committee has reviewed the Company's audited consolidated financial statements for Fiscal 2004 and discussed these financial statements with management and Deloitte & Touche LLP, its independent accountants.

The Audit Committee also discussed with the independent accountants the matters required to be discussed by the Statement on Auditing Standards No. 61, "Codification of Statements on Auditing Standards," as amended, issued by the Auditing Standards Board of the American Institute of Certified Public Accountants, with respect to such financial statements. These discussions included information regarding the scope and results of the audit performed by Deloitte & Touche LLP.

The independent accountants provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as amended. Independence Standards Board Standard No. 1 requires accountants to disclose annually in writing all relationships that in the auditor's professional opinion may reasonably be thought to bear on their independence, confirm their perceived independence and engage in a discussion of independence. In addition, the Audit Committee discussed with the independent accountants their independence from the

Edgar Filing: PARTY CITY CORP - Form DEF 14A

Company. The Audit Committee also considered whether the independent accountants' provision of certain other, non-audit related services to the Company is compatible with maintaining such accountants' independence.

Based on its discussions with management and the independent accountants, and its review of the representations and information provided by management and the independent accountants, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of Party City be included in the Company's Annual Report on Form 10-K for Fiscal 2004.
