ITEM 8. ADDITIONAL INFORMATION TO BE FURNISHED

Legal Proceedings

On November 26, 2004, the Competition Appeal Court of South Africa (the **Competition Appeal Court**) entered a judgment in favor of Gold Fields, ruling that the Early Settlement Offer by Harmony is a notifiable merger under the South African Competition Act, 89 of 1998, as amended. The Competition Appeal Court granted an interdict preventing Harmony from voting or exercising any rights attaching to any Gold Fields shares it acquires in the Early Settlement Offer or otherwise until the Early Settlement Offer is approved by the competition authority in South Africa. Therefore, as of the date hereof, Harmony is prohibited from voting any Gold Fields Shares it acquires in the Early Settlement Offer or otherwise at the Gold Fields shareholders meeting in connection with the IAM Gold Transaction.

On November 26, 2004, the Supreme Court of Appeal of South Africa (the **Court of Appeal**) dismissed Gold Fields appeal of the judgment entered in favor of Harmony on November 11, 2004 by the High Court of South Africa, Witwatersrand Local Division, dismissing Gold Fields application requesting a declaration that the Offer is unlawful and an interdict to prevent the implementation of the Offer. The Court of Appeal's Judgment, dated November 26, 2004, is filed herewith as Exhibit 99.(a)(64) and is incorporated herein by this reference.
