As previously reported in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, the Company resolved certain state tax issues for tax years 1998-2004 and, as a result, will reduce its existing reserves for state taxes by approximately \$1.7 million through the provision for income taxes for the first quarter of 2006.

In light of the above resolution and based on management's review of required reserves with outside professionals, the Company has now determined that it is appropriate also to reduce its existing reserves for local taxes by approximately \$2.0 million in the first quarter of 2006. This reduction will also be made through the provision for income taxes for that quarter.
