### **Amendment No. 5 to Schedule 13D**

This is the fifth amendment ( Amendment No. 5 ) to the Statement on Schedule 13D originally filed by the Bolivarian Republic of Venezuela (the Republic ) on February 12, 2007, and amended on May 8, 2007, May 15, 2007, April 1, 2008, and April 9, 2008, relating to the Class D Common Shares, nominal value Bs. 36.90182224915 per share (the Class D Shares ), and American Depositary Shares, each representing seven Class D Shares ( ADSs ), of Compañía Anónima Nacional Teléfonos de Venezuela (CANTV) (the Issuer ).

Capitalized terms used herein but not defined have the meanings ascribed to them in the initial Statement on Schedule 13D, as amended through the date hereof (the Schedule 13D ).

The Schedule 13D is hereby amended as follows:

#### **Item 4. Purpose of Transaction**

The information in Item 4 of the Schedule 13D is hereby amended by adding the following at the end thereof:

At an extraordinary shareholders meeting on May 21, 2007, the Issuer's shareholders approved an amendment of the Issuer's By-laws providing that all Class D Shares acquired by the Republic or entities wholly-owned by the Republic will automatically convert into an equal number of the Issuer's Class B Common Shares, nominal value Bs. 36.90182224915 per share ( Class B Shares ), when acquired. Pursuant to the By-laws, Class B Shares may be held only by the Republic or entities wholly-owned by the Republic. As a result, all Class D Shares then held by the Republic, as previously reported on the Schedule 13D and amendments thereto previously filed by the Republic, were required to be converted to Class B Shares. The conversion was registered on the books of the Issuer as of June 26, 2008. As a result, the Republic no longer beneficially owns any Class D Shares or ADSs.

As previously reported by the Republic, however, as a result of the Republic's acquisition of ADSs from Renaissance Technologies LLC on April 4, 2008, Venezuelan law requires the Republic to offer to purchase any and all of the other outstanding ADSs and Class D Shares of the Issuer not already owned by the Republic on the date the offers commence (i) at a price, payable in U.S. dollars, of US\$11.27 per ADS for ADSs, and (ii) at a price, payable in Bolívares, of the equivalent of US\$1.61 per share, calculated at the official exchange rate in the Republic for the sale of U.S. dollars by the Venezuelan Central Bank, *Banco Central de Venezuela*, in effect on the date of the settlement of the offer in a special session on the Caracas Stock Exchange, for shares that are not represented by ADSs (being the US\$11.27 per ADS price divided by seven to reflect that each ADS represents seven shares). It is contemplated that holders of the Issuer's Class C Shares will be able to participate in the offer by converting their Class C Shares into Class D Shares in accordance with the procedure established in the Issuer's By-laws. The Republic is continuing to consider an appropriate structure for the transaction, and will continue to make available updated information as it becomes available.

The Republic has not yet commenced the offer referred to above. In connection with its commencement, the Republic will distribute such materials and make such filings with the SEC as may be required pursuant to applicable securities laws. Security holders are strongly encouraged to read the information contained in these materials when they become available because they will contain important information about the transaction. If the materials are required to be filed with the SEC, security holders will be able to obtain free copies of these filings on the SEC's website at <http://www.sec.gov>.

#### **Item 5. Interest in Securities of the Issuer**

The information in Item 5 of the Schedule 13D is hereby amended and restated in its entirety as follows:

- (a) The Republic does not beneficially own any Class D Shares or ADSs.

- (b) Not applicable.
- (c) The disclosure set forth in Item 4 hereof is incorporated by reference herein.
- (d) Not applicable.
- (e) As of June 26, 2008, the Republic ceased to be the beneficial owner of any Class D Shares or ADSs.

**SIGNATURE**
