This prospectus, any prospectus supplement, the documents incorporated by reference in this prospectus and other written reports and oral statements made from time to time by our company may contain forward-looking statements within the meaning of the Securities Litigation Reform Act of 1995. In some cases, you can identify these statements by forward-looking words such as may, might, will, should, expect, plan, anticipate, believe, predict, potential or continue, the negative of these terms and other comparable terminology. These forward-looking statements, which are subject to risks, uncertainties and assumptions about us, may include projections of our future financial performance, based on our growth strategies and anticipated trends in our business. These statements are only predictions based on our current expectations and projections about future events. There are important factors that could cause our actual results, level of activity, performance or achievements to differ materially from the results, level of activity, performance or achievements expressed or implied by the forward-looking statements. Although we believe the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, level of activity, performance or achievements. Moreover, neither we nor any other person assumes responsibility for the accuracy or completeness of any of these forward-looking statements. THE COMPANY

Piper Jaffray Companies is a leading, international middle market investment bank and institutional securities firm, serving the needs of middle-market corporations, private equity groups, public entities, nonprofit clients and

institutional investors. Founded in 1895, Piper Jaffray provides a broad set of products and services, including equity and debt capital markets products; public finance services; mergers and acquisitions advisory services; high-yield and structured products; institutional equity and fixed income sales and trading; equity and fixed income research; and asset management services. We are headquartered in Minneapolis, Minnesota and have 34 offices across the United States and international locations in London, Hong Kong and Shanghai. We market our investment banking and institutional securities business under a single name Piper Jaffray which gives us a consistent brand across this business. We market our asset management business under the name of FAMCO, which is the brand name of Fiduciary Asset Management, LLC.

Prior to 1998, Piper Jaffray was an independent public company. U.S. Bancorp acquired the Piper Jaffray business in 1998 and operated it through various subsidiaries and divisions. At the end of 2003, U.S. Bancorp facilitated a tax-free distribution of our common stock to all U.S. Bancorp shareholders, causing Piper Jaffray to become an independent public company again. On August 11, 2006, we sold our Private Client Services branch network and certain related assets to UBS Financial Services Inc. for approximately \$750 million, which included \$500 million for the branch network and approximately \$250 million for the net assets of the branch network.

Our continuing operations consist principally of four components:

Investment Banking We raise capital through equity and debt financings for our corporate clients. We operate in eight focus industries, namely, business services, clean technology and renewables, consumer, financial institutions, health care, industrial growth, media and telecommunications, and technology industries, primarily focusing on middle-market clients. We also provide financial advisory services relating to mergers and acquisitions to clients in these focus industries, as well as to companies in other industries. For our government and non-profit clients, we underwrite debt issuances and provide financial advisory and interest rate risk management services. Our public finance investment banking capabilities focus on state and local governments, health care, higher education, housing, hospitality and commercial real estate industries.

Equity and Fixed Income Institutional Sales and Trading We offer both equity and fixed income sales and trade execution services for institutional investors, public and private corporations, public entities and non-profit clients. Integral to our capital markets efforts, we have equity sales and trading relationships with institutional investors in the United States, Europe and Asia that invest in our focus industries. Our fixed income sales and trading professionals have expertise in municipal, corporate, agency and structured product securities and cover a range of institutional investors. In addition, we engage in proprietary trading in certain products where we have expertise.

Asset Management In the third quarter of 2007, we acquired Fiduciary Asset Management, LLC (FAMCO), an asset management firm with \$5.9 billion in assets under management as of June 30, 2009. Our asset management services are principally offered through this subsidiary. FAMCO provides services to separately managed accounts and closed-end funds and offers an array of investment products including flex equity, master limited partnerships, fixed income, balanced and quantitative equity.

Other Income Other income includes gains and losses from investments in private equity and venture capital funds as well as other firm investments and income associated with the forfeiture of equity awards.

Our principal executive offices are located at 800 Nicollet Mall, Suite 800, Minneapolis, Minnesota 55402, and our general telephone number is (612) 303-6000.

Item 15. Indemnification of Directors and Officers

The Registrant is incorporated under the laws of the State of Delaware. Section 145 of the General Corporation Law of the State of Delaware provides in relevant part as follows:

A corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person s conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the

person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person's conduct was unlawful.

A corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and

II-1

reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

As permitted by Delaware law, the Registrant has included in its certificate of incorporation a provision to eliminate the personal liability of its directors to the fullest extent permitted by law. In addition, its certificate of incorporation and bylaws provide that the Registrant is required to indemnify its officers and directors under certain circumstances, including those circumstances in which indemnification would otherwise be discretionary and the Registrant is required to advance expenses to its officers and directors as incurred in connection with proceedings against them for which they may be indemnified.

The Registrant maintains directors and officers liability insurance for the benefit of its directors and officers.

Reference is made to the form of Underwriting Agreement which will be included or incorporated by reference as an exhibit to this registration statement for provisions regarding indemnification of the Registrant's officers, directors and controlling persons against specified liabilities.

- (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however,* that subparagraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.
- (b) The undersigned Registrant hereby undertakes that, for the purpose of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated

by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
- (d) The undersigned Registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Trust Indenture Act.
