The bonus payout amount for Mr. Bodner was \$780,072, for Mr. Robinson was \$276,145, for Mr. Moriah was \$276,170, for Mr. Sperling was 808,447 NIS (approximately \$213,310 USD equivalent as of the date of approval), for Mr. Parcell was 98,650 GBP (approximately \$149,950 USD equivalent as of the date of approval), and for Mr. Fante was \$211,288.

Fiscal 2010 Base Salaries and Bonus Plans for Named Executive Officers

On March 17, 2010, the Compensation Committee approved an increase in annual base salaries for the year ending January 31, 2011 for Messrs. Bodner, Robinson, Moriah, Sperling Parcell, and Fante. As a result, effective from and after May 1, 2010, the annual base salary for Mr. Bodner is \$650,000, for Messrs. Robinson and Moriah is \$365,000, for Mr. Sperling is 1,277,000 NIS (approximately \$336,900 USD equivalent as of the date of approval), for Mr. Parcell is 200,000 GBP (approximately \$304,000 USD equivalent as of the date of approval), and for Mr. Fante is \$335,000.

On the same day, the Independent Compensation Sub-Committee established a bonus pool for the named executive officers for the year ending January 31, 2011 equal to 3% of non-

GAAP operating income for such year and approved an allocation of up to 40.76% of such bonus pool to Mr. Bodner (with a target payout equal to 12.5% of such pool), 14.43% of such bonus pool to each of Messrs. Equity Awards to Named Executives Officers

On March 17, 2010, in addition to the equity awards described in Item 3.02 above, the Compensation Committee recommended for approval and the Stock Option Committee approved the grant of time-vested restricted stock and performance-vested restricted stock units to Messrs. Bodner, Robinson, Moriah, Parcell, and Fante, as described below, pursuant to the Company’s current forms of applicable equity award agreements. Mr. Bodner was granted 75,290 time-vested restricted stock units and 75,290 performance-vested restricted stock units (assuming achievement of performance at target). Messrs. Robinson and Moriah were each granted 17,419 time-vested restricted stock units and 17,419 performance-vested restricted stock units (assuming achievement of performance at target). Mr. Parcell was granted 11,798 time-vested restricted stock units and 11,798 performance-vested restricted stock units (assuming achievement of performance at target). Mr. Sperling’s grants were delayed due to compliance with Israeli tax law requirements and are expected to be consummated shortly. The grants were made in transactions exempt from the registration requirements of the 1933 Act, in reliance on Regulation D promulgated thereunder.

The time-vested restricted stock units vest 1/3 on April 4, 2011, 1/3 on April 4, 2012, and 1/3 on April 4, 2013, but in no event prior to the date the Company has sufficient available capacity under one or more current or future stockholder-approved equity plans for all equity awards approved on March 17, 2010, May 20, 2009, March 4, 2009 and May 28, 2008, in each case, which remain outstanding at such time, to vest in compliance with Nasdaq restrictions relating to the use of assumed equity plans (the “Vesting Condition”).

The performance-vested restricted stock units vest 1/3 upon the Stock Option Committee’s determination of the achievement of a revenue goal described in the applicable award agreements and established by the Stock Option Committee (the “Revenue Target”) for the period from February 1, 2010 through January 31, 2011, 1/3 upon the determination of the achievement of the applicable Revenue Target for the period from February 1, 2011 through January 31, 2012, and 1/3 upon the determination of the achievement of the applicable Revenue

Target for the period from February 1, 2012 through January 31, 2013 (provided that with respect to the period from February 1, 2012 through January 31, 2013, no such determination by the Stock Option Committee shall be final until on or after the third anniversary of the date of approval), but in no event prior to the date the Vesting Condition is satisfied.

In the event that an award does not vest as scheduled because of the Vesting Condition, the Company has the right, in its sole discretion, to pay the portion of the award scheduled to vest in cash on the scheduled vesting date or at any time until the Vesting Condition is satisfied.

Establishment of Performance Goals for 2010 Performance Period

On March 17, 2010, the Stock Option Committee approved the revenue definition, the Revenue Target, and vesting level matrix for the performance period ending January 31, 2011 with respect to the applicable tranches of the performance-vested restricted stock units approved on March 17, 2010, of the 2009 Awards, and of the 2008 Awards. As a result, Messrs. Bodner, Robinson, Moriah, Sperling, Parcell, and Fante are eligible to earn between 0% and 100% (for the 2008 Awards) and between 0% and 200% (for the 2009 Awards and the March 17, 2010 awards) of the target number of performance-vested restricted stock units based on the Company's performance against the Revenue Targets for the performance period from February 1, 2010 through January 31, 2011.
