Item 1.02. Termination of a Material Definitive Agreement.

On September 2, 2010, Anadarko Petroleum Corporation (Anadarko), the owner of the general partner of Western Gas Partners, LP (the Partnership) and the primary customer of the Partnership, entered into a new revolving credit facility, which resulted in the termination of its then-existing \$1.3 billion credit agreement (the Anadarko Credit Agreement) between Anadarko and the Partnership, as borrowers, JPMorgan Chase Bank, N.A., as Administrative Agent, and the other agents and lenders named therein. The Anadarko Credit Agreement was available to the Partnership for borrowings and letters of credit up to \$100 million for general partnership purposes, including acquisitions, but only to the extent that sufficient amounts remained unborrowed by Anadarko and its other subsidiaries. Prior to the termination of the Anadarko Credit Agreement, the full \$100 million available for borrowing by the Partnership remained undrawn.

Affiliates of certain of the agents and lenders under the Anadarko Credit Agreement have provided from time to time, and may provide in the future, investment and commercial banking and financial advisory services to the Partnership and its affiliates in the ordinary course of business, for which they have received and may continue to receive customary fees and commissions.

The foregoing description of the Anadarko Credit Agreement is qualified in its entirety by reference to the credit agreement filed as Exhibit 10.14 to the Partnership s S-1/A filed on April 15, 2008 and is incorporated herein by reference.
