Item 1.01 Entry into a Material Definitive Agreement

On June 24, 2011, Greatbatch Ltd. (the Borrower) entered into an amended and restated credit agreement with the financial institutions identified therein as lenders, Manufacturers and Traders Trust Company (M&T), as administrative agent, Bank of America, N.A., as syndication agent, and PNC Bank, N.A. and RBS Citizens, NA, as co-documentation agents (the 2011 Credit Agreement). The 2011 Credit Agreement is guaranteed by Greatbatch, Inc. (the Greatbatch), the Borrower's parent, the Borrower's U.S. subsidiaries and those foreign subsidiaries of the Borrower as designated by the Borrower from time to time or as are required under the 2011 Credit Agreement. The 2011 Credit Agreement replaces the \$235 million credit agreement, dated as of May 22, 2007, by and among the Borrower, the lenders party thereto and M&T, as administrative agent.

The 2011 Credit Agreement provides for a new \$400 million secured revolving credit facility with a letter of credit subfacility in an aggregate amount equal to \$15 million and a swingline subfacility in an aggregate amount equal to \$15 million. The 2011 Credit Agreement has a maturity date of June 24, 2016; provided, however, if the 2007 Debentures (defined below) shall not have been either repaid in full or modified or refinanced before March 1, 2013 to extend the maturity thereof, the Maturity Date shall be March 1, 2013. Loans (other than loans under the swingline subfacility) under the 2011 Credit Agreement will bear interest at the Borrower's option either at: (i) the higher of (a) M&T's prime rate in effect from time to time and (b) the federal funds effective rate in effect from time to time plus 0.5%, plus the applicable margin for such loans, which ranges between 0.000% and 1.000%, based on the total leverage ratio or (ii) the applicable London interbank offered rate divided by a number equal to 1.00 minus the maximum aggregate reserve requirement which is imposed on member banks of the Federal Reserve System against Euro-currency Liabilities as defined in Regulation D, plus the applicable margin for such loans, which ranges between 1.500% and 3.000%, based on the total leverage ratio. Loans under the swingline subfacility under the 2011 Credit Agreement will bear interest at the higher of (a) M&T's prime rate in effect from time to time and (b) the federal funds effective rate in effect from time to time plus 0.5%, plus the applicable margin for such loans, which ranges between 0.000% and 1.000%, based on the total leverage ratio. The Borrower will pay a commitment fee, quarterly in arrears, during the term of the 2011 Credit Agreement which varies between 0.175% and 0.250% depending on the total leverage ratio.

The 2011 Credit Agreement contains customary representations and warranties as well as customary financial and business covenants. Business covenants include, among others, limitations on the incurrence of indebtedness by the Borrower or the Borrower's subsidiaries, limitations on the incurrence of liens and licensing of the Borrower's intellectual property, limitations on investments made by the Borrower and restrictions on certain payments by the Borrower.

The 2011 Credit Agreement provides that restrictive covenants may be waived with the written consent of lenders having greater than 50% of the total facility (the Majority Lenders ) and also permits the Borrower, upon the satisfaction of certain conditions, to:

1. Engage in permitted acquisitions in the aggregate not to exceed \$250,000,000;
2. Make other investments in the aggregate not to exceed \$60,000,000 (excluding operating expenses that are written off in the ordinary course of business);
3. Make stock repurchases not to exceed \$60,000,000 in the aggregate; and
4. Repurchase and retire up to \$198,000,000 of Greatbatch, Inc. 's 24% Convertible Subordinated Debentures due 2013 (the 2007 Debentures ).

At any time that the Total Leverage Ratio of the Borrower and its consolidated subsidiaries for the two most recently ended fiscal quarters is less than 2.75 to 1.0, the Borrower may make an election to reset each of the amounts specified in clauses (1) through (4) above.

In addition, the 2011 Credit Agreement requires that Greatbatch, the Borrower and their subsidiaries, on a consolidated basis, maintain a twelve-month ratio of adjusted EBITDA to interest expense calculated as of the last day of any fiscal quarter of at least 3.00 to 1.00, and a total leverage ratio of not greater than 4.50 to 1.00 from June 24, 2011 through December 30, 2011 and not greater than 4.00 to 1.00 from December 31, 2011 and thereafter.

The 2011 Credit Agreement contains customary events of default. Upon the occurrence and during the continuance of an event of default, the Majority Lenders may declare the outstanding advances and all other obligations under the 2011 Credit Agreement immediately due and payable.

The description of the 2011 Credit Agreement contained herein is qualified in its entirety by reference to the 2011 Credit Agreement, a copy of which is filed herewith as Exhibit 10.1 and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.
