(b) On July 18, 2011, Progress Software Corporation (Progress Software) entered into a letter agreement with David H. Benton, Jr., Vice President, Corporate Controller and principal accounting officer, providing for the termination of his employment with Progress Software on October 14, 2011, subject to the right of Progress Software to extend his employment until no later than January 31, 2012. Per the terms of this letter agreement, Mr. Benton will continue in his current role until his replacement is in place and may continue to provide transition support thereafter. Mr. Benton's departure is not related to any disagreement on any matter relating to Progress Software's accounting practices or financial statements.

As part of Mr. Benton's letter agreement, Progress Software and Mr. Benton agreed on the terms of his severance arrangements in connection with the termination of his employment. Upon the termination of his employment, Mr. Benton will be entitled to receive nine months of his base salary, which will be paid out monthly over a nine month period. Mr. Benton's benefits in effect as of the date of the termination (such as medical, dental, vision and life insurance) will also continue for nine months. In addition, any unvested options and restricted equity held by Mr. Benton as of the date of termination that would have vested during the six month period following that date if Mr. Benton had remained employed by Progress Software, will automatically vest.

Receipt of these severance payments and benefits is subject to the execution of Progress Software's standard form of separation and release agreement, which will include a non-competition clause.
