Report of Independent Registered Public Accounting Firm

To the Participants and Administrator of
Champion Enterprises, Inc. Savings Plan

In our opinion, the accompanying statements of net assets available for benefits and the related statement of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of Champion Enterprises, Inc. Savings Plan (the Plan) at December 31, 2003 and December 31, 2002, and the changes in net assets available for benefits for the year ended December 31, 2003 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan s management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Note 1 Significant Accounting Policies

The accompanying financial statements of the Champion Enterprises, Inc. Savings Plan (the Plan) have been prepared on the accrual basis of accounting. Benefit payments are recorded when paid. Participants' contributions are recorded in the period during which the amounts are withheld from participants' earnings. Employer's contributions are recorded in the same period as the related participants' contributions.

Investments, other than loans to participants, are stated at fair value as determined by Fidelity Management Trust Company, the trustee of the Plan (the Trustee), and are based on quoted market prices. Loans to participants are stated at cost. Net appreciation or depreciation in the fair value of investments as presented in the Statement of Changes in Net Assets Available for Benefits represents the net amount of realized gains or losses and unrealized appreciation or depreciation on those investments.

The Plan provides for various investment options in mutual funds and other types of investments. The Plan's investments are exposed to various risks, including interest rate, inflation, national and international economies, market and credit risks. These risks could result, in the near term, in material changes to the values of the Plan's investments and participants' account balances.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities during the reporting period. Actual results could differ from those estimates.

Note 2 Plan Description

The following description of the Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

The Plan is a defined contribution plan that was initially approved by the shareholders of Champion Enterprises, Inc. (the Company or Plan Sponsor) on July 11, 1984 and became effective as of February 26, 1983. The Plan is administered by the Employee Benefits Administration Committee (the Committee), whose members are appointed by the Board of Directors of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Note 2 Plan Description, continued

In general, all hourly and salaried employees of the Company and its participating subsidiaries are eligible to participate in the Plan at the beginning of the month following the completion of one year of service.

Participating employees may make contributions on a deferred salary arrangement (pretax contributions), under Section 401(k) of the Internal Revenue Code (the IRC), in an amount ranging from 1% to 17% of compensation. However, the IRC places annual limits on employee contributions to the Plan; the 2003 limit was \$12,000 per participant. Participants may also make rollover contributions from conduit Individual Retirement Accounts or other tax-qualified retirement plans. Effective January 1, 2002, as a result of a Plan amendment to adopt certain provisions of The Economic Growth and Tax Relief Reconciliation Act of 2001, participants age 50 or older may make annual pretax catch-up contributions up to the annual limit established by the IRC; the 2003 limit was \$2,000 per qualifying employee.

The Company and its participating subsidiaries make matching contributions that currently are equal to 50% of participant contributions, up to the first 6% of compensation contributed, and are invested in the funds selected by the participants. Rollover contributions and catch-up contributions are not subject to matching contributions.

All matching and participant contributions plus earnings thereon are 100% vested and nonforfeitable. Participants may change or discontinue the amount of their contributions at various times throughout the year as specified in the Plan document.

Participants have the opportunity to change their investment selections at any time. Investment options available during the current Plan year consisted of the following funds: Champion Enterprises, Inc. Common Stock; Fidelity Aggressive Growth Fund; Fidelity Asset Manager; Fidelity Capital Appreciation Fund; Fidelity Contrafund; Fidelity Diversified International Fund; Fidelity Equity-Income Fund; six Fidelity Freedom Funds; Fidelity Intermediate Bond Fund; Fidelity Low-Priced Stock Fund; Fidelity Magellan Fund; Fidelity Managed Income Portfolio; Fidelity Puritan Fund and Fidelity Retirement Government Money Market Portfolio.

Under the terms of the Plan, a participant may borrow up to 50% of his or her account balance with loan amounts and maturities ranging from \$1,000 to \$50,000 and six months to five years, respectively. Loans are generally repaid through periodic payroll withholdings, are secured by the participant's account balance and bear interest at rates based on the general prime rate plus 2% as of the first business day of the month in which the participant applies for the loan. If a participant fails to make a scheduled repayment, the loan will be considered in default after a certain period of time as specified in the Plan document, and the participant will be deemed to have received a taxable distribution from the Plan.

Note 2 Plan Description, continued

While employed by the Company, participants may withdraw all or a portion of their savings from the Plan upon attaining age 59 1/2. Prior to age 59 1/2, participants may withdraw pretax contributions under certain circumstances, such as financial hardship, subject to limitations set by the IRC and as specified in the Plan document.

Upon termination of employment, whether due to retirement, death, disability or any other cause, participants or beneficiaries may have their accounts distributed. Participants with account balances in excess of \$5,000 may defer the distribution of their accounts until age 65.

Expenses of administering the Plan, including the expenses of the Committee and the fees and expenses of the Trustee, are generally borne by the Company (see Note 5). However, brokerage and loan fees, transfer or other taxes and certain other administrative expenses are charged against the respective fund and participant accounts and are included in the Statement of Changes in Net Assets Available for Benefits as administrative and other expenses.

Note 3 Amounts to Be Refunded to Participants

Amounts to be refunded to participants represent contributions made to the Plan during 2003 and 2002 that were in excess of limits established by the IRC. These amounts, plus or minus earnings or losses thereon, were refunded to the affected participants as 2003 and 2002 taxable distributions in February 2004 and March 2003, respectively. In addition, approximately \$63,000 and \$94,000 of 2003 and 2002 employer contributions, respectively, that were in excess of IRC limits, plus or minus earnings or losses thereon, were forfeited from the participants' accounts but remain in the Plan to reduce future employer matching contributions.

Note 4 Transfers from Subsidiaries Savings Plans

In November 2002, the Committee offered to participants of the A-1 Homes Group, Inc. 401(k) Profit Sharing Plan (the A-1 Homes Plan), a frozen, qualified savings plan of one of the Company's wholly owned subsidiaries, the opportunity to transfer their account balances into the Plan. A-1 Homes Plan participants with account balances totaling \$122,000 elected to transfer their accounts to the Plan during 2003. The Committee did not establish a deadline for such transfers to be made; therefore, additional assets may be transferred into the Plan from the A-1 Homes Plan in future years. In January 2004, participants with account balances totaling \$434,000 elected to transfer their accounts to the Plan.

Effective March 3, 2003, the Plan was amended to merge the Southern Showcase Housing, Inc. 401(k) Retirement Plan (the Southern Showcase Plan), a qualified savings plan of one of the Company's wholly owned subsidiaries, into the Plan. Assets of the Southern Showcase Plan, valued at \$237,000 were transferred into the Plan in March 2003.

Note 5 Party-in-Interest Transactions

Various administrative expenses of the Plan are borne by the Plan Sponsor. Such amounts were not material for the year ended December 31, 2003. In addition, the Plan invests in funds managed by affiliates of the Trustee and allows for investment in shares of the Company's common stock. These transactions with the Trustee of the Plan and the Plan Sponsor qualify as party-in-interest transactions.

Note 6 Tax Status of the Plan

The Internal Revenue Service has determined and informed the Company, most recently, by letter dated October 1, 2001, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Sponsor believes that the Plan is designed and currently is being operated in compliance with the applicable requirements of the IRC.

The Plan is not subject to income tax under present federal tax law. Participants are not taxed, either on Company contributions to the Plan or on the earnings thereon, including appreciation, allocated to their accounts until actual distribution of such accounts. At that time, the participant is generally taxed on the total amount of the distribution.

Note 7 Plan Termination

Although the Company has not expressed any intent to do so, the Plan may be terminated, in whole or in part, at any time, but only upon the condition that such action precludes any part of the assets of the Plan from being used for or diverted to purposes other than for the exclusive benefit of the participants and their beneficiaries and for the payment of expenses of the Plan. Upon termination or partial termination of the Plan or upon the complete discontinuance of contributions under the Plan, the assets of the Plan shall be distributed to the participants and their beneficiaries at such time and in such nondiscriminatory manner as is determined by the Committee.

Note 9 Subsequent Events

Effective April 1, 2004, the Company merged the Champion Subsidiary 401(k) Plan (the Subsidiary Plan) into the Plan. The Subsidiary Plan was initially adopted in August 2002 for the benefit of the employees of two of the Company's wholly owned subsidiaries, Homes of Legend, Inc. (Homes of Legend) and Trading Post Mobile Homes, Inc. (Trading Post). Assets of the Subsidiary Plan valued at \$446,000 were transferred into the Plan in April 2004.
