Item 1.01 Entry into a Material Definitive Agreement.

On October 18, 2004, Medical Discoveries, Inc. (the Company) entered into a Registration Rights Agreement dated October 18, 2004 among Monarch Pointe Fund, Ltd; Mercator Advisory Group, LLC; and the Company. The Registration Rights Agreement was entered into in connection with the sale by the Company of 12,000 shares of Series A Convertible Preferred Stock (the Preferred Stock) of the Company and warrants to purchase 4,575,496 shares of common stock of the Company to Monarch Pointe Fund, Ltd and Mercator Advisory Group, LLC. The Registration Rights Agreement requires the Company to file a registration statement with the Securities and Exchange Commission (the SEC) registering the shares of common stock issuable upon conversion of the Preferred Stock and exercise of the warrants. The registration statement must be filed within 30 days of the closing of the sale of the Preferred Stock and the warrants, and the registration statement must be declared effective by the SEC no later than 90 days after it is filed. A copy of the Registration Rights Agreement is attached to this report as Exhibit 4.1.

Item 3.02 Unregistered Sales of Equity Securities.

The Company has sold the following unregistered securities since June 30, 2004. None of the sales involved an underwriter. The Company believes these sales were exempt from registration pursuant to Section 4(2) of the Securities Act of 1933 because the sales did not involve a public offering.

Between June 30, 2004 and October 17, 2004, the Company sold 3,467,678 shares of restricted common stock for a total offering price of \$624,180.00.

On or about October 18, 2004, the Company sold 12,000 shares of its Preferred Stock and warrants to purchase 4,575,496 shares of common stock of the Company for a total offering price of \$1.2 million. Each share of Preferred Stock entitles the holder to convert the share of Preferred Stock into the number of shares of common stock resulting from multiplying \$100 by the conversion price. The conversion price is 85% of the average of the lowest three intra-day trading prices for the Company's common stock during the 10 trading days immediately preceding the conversion date, but the conversion price may not exceed \$0.1967 or be lower than \$0.05. The number of shares of common stock subject to the warrants and the exercise price are subject to equitable adjustment in connection with a stock split, stock dividend or similar transaction. The warrants entitle the holder to purchase up to 4,575,496 shares of common stock of the Company on or before the third anniversary of the issuance date of the warrants at \$0.1967 per share. The number of shares of common stock subject to the warrants and the exercise price are subject to equitable adjustment in connection with a stock split, stock dividend or similar transaction.

Item 7.01 Regulation FD Disclosure.

On October 20, 2004, the Company released the press release attached to this report as Exhibit 99.1.
