(e) The Board made compensation determinations with respect to the Company's named executive officers and the Compensation Committee adopted the 2007-2009 Executive Performance Plan, each as set forth below.

Base Salaries; Target AIP Payments. Effective April 1, 2007, the Board approved the following base salaries for the named executive officers of the Company: John A. Bryant, \$635,000; and Jeffrey W. Montie, \$640,000. In addition, the Board approved new 2007 target annual incentive plan (AIP) payment percentages of 90% for Mr. Bryant (from 75%); and 90% for Mr. Montie (from 85%). These AIP opportunities are established as a percentage of an executive's base salary with actual AIP payments each year ranging from 0% to 200% of the target opportunity. The financial metrics for the 2007 AIP are based on corporate, business unit and individual performance factors given the functions of the particular executive. All AIP payments are made in cash.

2007-2009 Executive Performance Plan. The Compensation Committee of the Board approved the 2007-2009 Executive Performance Plan (2007-2009 EPP) under which certain senior executives and other employees would be eligible to receive a portion of their long-term incentives in the form of performance shares based on the achievement of multi-year internal cash flow targets. Awards are paid in shares, except for amounts withheld by the Company for minimum statutory withholding requirements. In addition, the Board (and the independent members of the Board with respect to Mr. Mackay) approved 2007-2009 EPP target awards of 40,600 shares for A.D. David Mackay; 9,800 shares for Mr. Bryant; and 9,800 shares for Mr. Montie. Participants in the 2007-2009 EPP have the opportunity to earn between 0% and 200% of their EPP target. Dividends are not paid on unvested EPP awards. A copy of the 2007-2009 EPP is attached as Exhibit 10.1 and is incorporated in its entirety into this Item.
