**PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
May 5, 2008**

GENERAL

This proxy statement is furnished by our board of directors (the "Board") in connection with the Board's solicitation of proxies to be voted at the annual meeting of stockholders to be held at 11:00 a.m. local time on May 5, 2008, at the Courtyard by Marriott, 31525 West 12 Mile Road, Farmington Hills, Michigan, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying notice of such meeting. It is anticipated that this proxy statement and the enclosed proxy card first will be mailed to stockholders on or about March 25, 2008.

Who is entitled to vote?

All stockholders of record at the close of business on March 11, 2008 will be entitled to vote. Each share of common stock entitles the holder thereof to one vote on each of the matters to be voted upon at the annual meeting. As of the record date, 7,796,846 shares of our common stock, \$.0001 par value per share, were outstanding.

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy, of the holders of a majority of the shares of our common stock entitled to vote at the annual meeting (3,898,424 shares) will constitute a quorum for all purposes. Broker non-votes (defined below), and proxies marked with abstentions or instructions to withhold votes, will be counted as present in determining whether or not there is a quorum.

However, if a quorum is not present at the annual meeting, the stockholders, present in person or represented by proxy, have the power to adjourn the annual meeting until a quorum is present or represented.

What is the difference between holding shares as a stockholder of record and a beneficial owner?

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered the stockholder of record with respect to those shares, and these proxy materials (including a proxy card) are being sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us through the enclosed proxy card or to vote in person at the annual meeting.

Beneficial Owners. Most of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares, and these proxy materials (including a voting instruction card) are being forwarded to you by your broker, bank or nominee who is

Table of Contents

considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the annual meeting unless you request and obtain a proxy from your broker, bank or nominee. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee on how to vote your shares.

How do I vote?

Stockholders of Record. If you properly complete and sign the accompanying proxy card and return it to us, it will be voted as you direct. If you attend the annual meeting, you may deliver your completed proxy card in person or vote by ballot. Even if you intend to be present at the annual meeting, we encourage you to vote your shares prior to the annual meeting.

Beneficial Owners. If you properly complete and sign the accompanying voting instruction card and return it to your broker, bank or other nominee, it will be voted as you direct. If you want to vote your shares at the annual meeting, you must request and obtain a proxy from such broker, bank or other nominee confirming that you beneficially own such shares and giving you the power to vote such shares.

Can I change my vote after I return my proxy card or voting instruction card?

Stockholders of Record. You may change your vote at any time before the proxy is exercised by filing with the our Secretary either a notice revoking the proxy or a new proxy that is dated later than the proxy card. If you attend the annual meeting, the individuals named as proxy holders in the enclosed proxy card will nevertheless have authority to vote your shares in accordance with your instructions on the proxy card unless you properly file such notice or new proxy.

Beneficial Owners. If you hold your shares through a bank, broker or other nominee, you should contact such person prior to the time such voting instructions are exercised.

What does it mean if I receive more than one proxy card or voting instruction card?

If you receive more than one proxy card or voting instruction card, it means that you have multiple accounts with banks, trustees, brokers, other nominees and/or our transfer agent. Please sign and deliver each proxy card and voting instruction card that you receive. We recommend that you contact your nominee and/or our transfer agent, as appropriate, to consolidate as many accounts as possible under the same name and address.

What if I do not vote for some of the items listed on my proxy card or voting instruction card?

Stockholders of Record. Proxy cards that are signed and returned without voting instructions on certain matters will be voted in accordance with the recommendations of the Board on such matters. With respect to any matter not set forth on the proxy card that properly comes before the annual meeting, the proxy holders named in the proxy card will vote as the Board recommends or, if the Board gives no recommendation, in their own discretion.

Beneficial Owners. If you hold your shares in street name through a broker, bank or other nominee and do not return the voting instruction card or do not provide voting instructions for each matter, such nominee will determine if it has the discretionary authority to vote your shares. Under applicable law and NYSE rules and regulations, brokers have the discretion to vote on routine matters, such as the uncontested election of directors and the ratification of the appointment of our independent registered public accounting firm, but do not have discretion to vote on non-routine matters. If the broker does not have discretionary authority to vote, the absence of votes on such proposal with respect

to such shares will be considered broker non-votes, which are considered present at the meeting for purposes of determining whether there is a quorum, but are not considered voted with respect to such proposal.

Table of Contents

What vote is required to approve each item?

As of the record date, our executive officers and directors had the power to vote approximately 4.1% of the outstanding shares of common stock. Our executive officers and directors have advised us that they intend to vote their shares of common stock in favor of the proposals set forth in this proxy statement.

Proposal 1 Election of Directors. Nominees who receive the most votes cast at the annual meeting will be elected as directors. The slate of nominees discussed in this proxy statement consists of (i) one director, William S. Rubenfaer, appointed in December 2007 and intended to fill the existing vacancy in the class of directors whose term will expire in 2010, and (ii) two directors, Farris G. Kalil and Gene Silverman, whose three-year terms are expiring.. Withheld votes will have no effect on the outcome of this proposal.

The Board recommends that you vote **FOR** the election of the nominated slate of directors.

Proposal 2 Ratification of Appointment of Independent Registered Public Accounting Firm. The affirmative vote of a majority of votes cast at the annual meeting is necessary to ratify the Audit Committee's appointment of Virchow Krause & Company, LLP (Virchow Krause) as our independent registered public accounting firm for 2008. Abstentions are not treated as votes cast under Maryland law and, therefore, they have no effect on the outcome of this proposal. Although stockholder ratification of the appointment is not required by law and is not binding on us, the Audit Committee will take your vote into consideration when appointing our independent registered public accounting firm in future years. Even if the stockholders ratify the appointment of Virchow Krause, the Audit Committee in its sole discretion may terminate the engagement of Virchow Krause and engage another independent auditor at any time during the year, although it has no current intention to do so.

The Board recommends that you vote **FOR** the ratification of the appointment of Virchow Krause as our independent registered public accounting firm for 2008.

Other Matters. If any other matter is properly submitted to the stockholders at the annual meeting, its adoption will require the affirmative vote of a majority of votes cast at the annual meeting. The Board does not propose to conduct any business at the annual meeting other than as stated above.

How do I find out the voting results?

Voting results will be announced at the annual meeting and will be published in our Quarterly Report on Form 10-Q for the quarter ending June 30, 2008.

BOARD MATTERS

THE BOARD OF DIRECTORS

Meetings. The Board met five times during 2007. During 2007, each director attended 75% or more of the aggregate of (i) the number of meetings of the Board and (ii) the number of meetings held by all committees of the Board on which such director served. It has been and is the policy of our Board that directors attend annual meetings of stockholders except where the failure to attend is due to unavoidable circumstances or conflicts discussed in advance by the director with the Chairman of the Board. All members of the Board at such time attended our 2007 annual meeting of stockholders.

Our non-management directors meet at least once a year without management. Non-management directors are all directors who are not our employees or officers and include directors who are determined to be not independent by our

Board by virtue of the existence of a material relationship with us. The Board has not designated a lead director or a single director to preside at executive sessions. Instead, the presiding director of executive sessions of non-management directors is selected at each meeting by such directors.

Table of Contents

Independence. Pursuant to our Corporate Governance Guidelines, which require that a majority of our directors be independent within the meaning of the NYSE listing standards, the Board undertook a review of the independence of all non-management directors. To be considered independent, the Board must determine that a director does not have any direct or indirect material relationships with us. In making its determination, the Board considered all relevant facts and circumstances, including commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships.

The Board has affirmatively determined, assisted by the standards set forth above, that each of Messrs. Kalil, Rotchford, Rubenfaer and Silverman are independent directors in accordance with the NYSE listing standards and therefore our Corporate Governance Guidelines. Mr. Schurgin is a partner at Bodman, LLP, a law firm that provides significant legal services to us. Although such services did not violate the independence standards set forth in the NYSE listing standards, the Board determined that he is not independent based on all facts and circumstances.

COMMITTEES OF THE BOARD

The Board has delegated various responsibilities and authority to four standing committees of the Board. Each committee regularly reports on its activities to the full Board. Each committee, other than the Executive Committee, operates under a written charter approved by the Board, which is reviewed annually by the respective committees and the Board and is available in the Corporate Governance section of our website, www.agreerealty.com. The Audit Committee, the Executive Compensation Committee and the Nominating and Corporate Governance Committee are composed entirely of independent directors. The table below sets forth the current membership of the four standing committees of the Board and the number of meetings and written consents in 2007 of such committees (1):

| Name | Audit | Executive Compensation | Nominating and Corporate Governance | Executive |
|---|-------|---------------------------|--|-----------|
| Richard Agree | | | | Chair |
| Farris G. Kalil | Chair | X | X | |
| William S. Rubenfaer | X | X | | |
| Michael Rotchford | | | Chair | X |
| Leon M. Schurgin | | | | |
| Gene Silverman | X | Chair | X | X |
| Meetings | 3(2) | 1 | 1 | 1 |
| Actions by Unanimous Written Consent | | | | |

- (1) Ellis Wachs served on the Audit Committee and Executive Compensation Committee until his retirement in December 2007.
- (2) In addition, the Audit Committee twice authorized the Chair to act on its behalf in reviewing the quarterly financial statements with management and our independent auditor.

Audit Committee. The Audit Committee is responsible for providing independent, objective oversight of our auditing, accounting and financial reporting processes, including reviewing the audit results and monitoring the effectiveness of our internal audit function. In addition, the Audit Committee engages the independent registered public accounting

firm. See Report of the Audit Committee and Audit Committee Matters for additional information on the responsibilities and activities of the Audit Committee.

The Board has determined that each Audit Committee member has sufficient knowledge in reading and understanding financial statements to serve thereon and is otherwise financially literate. The Board has further determined that Farris Kalil possesses financial management expertise within the meaning of the listing standards of the NYSE. No member of the Audit Committee is an audit committee financial expert within the meaning of applicable SEC rules and the Board has determined that such expert is not required at this time.

Table of Contents

Executive Committee. The Executive Committee has the authority to acquire and dispose of real property and the power to authorize, on behalf of the full Board, the execution of certain contracts and agreements, including those related to our borrowing of money, and generally to exercise all other powers of the Board except for those which require action by a majority of the independent directors or the entire Board.

Executive Compensation Committee. The Executive Compensation Committee is responsible for overseeing compensation and benefit plans and policies, reviewing and approving equity grants and otherwise administering share-based plans, and reviewing and approving annually all compensation decisions relating to our executive officers. See Compensation Discussion and Analysis for additional information on the responsibilities and activities of the Executive Compensation Committee.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for establishing the requisite qualifications for directors, identifying and recommending the nominations of individuals qualified to serve as directors and recommending directors for each Board committee. Generally, the Committee will re-nominate incumbent directors who continue to satisfy its criteria for membership on the Board, who it believes will continue to make important contributions to the Board and who consent to continue their service on the Board. The Committee also establishes corporate governance practices in compliance with applicable regulatory requirements and consistent with the highest standards and recommends to the Board the corporate governance guidelines applicable to us.

Director Qualifications. Our Nominating and Corporate Governance Committee has established policies for the desired attributes of the Board as a whole. The Board will seek to ensure that a majority of its members are independent within the NYSE listing standards. Further, each director generally may not serve as a member of more than six other public company boards. Each director must possess the individual qualities of integrity and accountability, informed judgment, high performance standards and must be committed to representing the long-term interests of the Company and the stockholders. In addition, directors must be committed to devoting the time and effort necessary to be responsible and productive members of the Board. The Board values diversity, in its broadest sense, reflecting, but not limited to, profession, geography, gender, ethnicity, skills and experience.

Identifying and Evaluating Nominees. Our Nominating and Corporate Governance Committee periodically assesses the appropriate number of directors comprising the Board and whether any vacancies on the Board are expected due to retirement or otherwise. The Nominating and Corporate Governance Committee may consider those factors it deems appropriate in evaluating director candidates including judgment, skill, and diversity, strength of character, experience with businesses and organizations comparable to our size or scope, experience and skill relative to other Board members and specialized knowledge or experience. Depending on the current needs of the Board, certain factors may be weighted more or less heavily by the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee considers candidates for the Board from any responsible source, including current Board members, stockholders, professional search firms or other persons. The Nominating and Corporate Governance Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating and Corporate Governance Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates.

Mr. Rubenfaer was recommended by Richard Agree to the Nominating and Corporate Governance Committee to fill the vacancy on the Board following the resignation of Ellis Wachs. The Nominating and Corporate Governance Committee did not utilize a search firm to identify candidates for such vacancy.

Stockholder Nominees. Our Bylaws permit stockholders to nominate directors for consideration at an annual meeting of stockholders. We did not receive any timely nominations of directors by stockholders for the 2008 annual meeting.

The Nominating and Corporate Governance Committee will consider properly submitted stockholder submissions for nominations to the Board and will apply

COMPENSATION DISCUSSION AND ANALYSIS**OVERVIEW OF COMPENSATION PROGRAM**

The Executive Compensation Committee (referred to as the Committee in this section), composed entirely of independent directors, administers the executive compensation program of the Company. The Committee's responsibilities include recommending and overseeing compensation and benefit plans and policies, reviewing and approving equity grants and otherwise administering share-based plans, and reviewing and approving annually all

compensation decisions relating to the Company's executive officers, including the President, Vice President, Finance and the other executive officers named in the Summary Compensation Table (the "named executive officers"). This section of the proxy statement explains how the Company's compensation programs are designed and operate in practice with respect to the named executive officers.

Table of Contents

COMPENSATION OBJECTIVES AND PHILOSOPHY

The Company's compensation program for named executive officers generally consists of base salary, annual incentive awards, long-term share-based incentive awards and certain other benefits. The Company also provides certain severance arrangements for its named executive officers. The executive compensation program is designed to:

- provide total compensation that is both fair and competitive;
- attract, retain and motivate key executives who are critical to the Company's operations;
- reward superior individual and Company performance on both a short-term and long-term basis; and
- align executives' long-term interests with those of shareholders.

The Committee seeks to ensure the foregoing objectives by using market data as a guideline, while also considering internal pay equity, individual performance reviews, Company performance, hiring and retention needs and other external market pressures in finalizing its compensation determinations.

DETERMINING COMPENSATION FOR NAMED EXECUTIVE OFFICERS

The Committee meets without management present to determine the compensation of the named executive officers. The Committee takes direction from the recommendations of Richard Agree, President of the Company, with respect to the other named executive officers, as he has the best understanding of the overall effectiveness of the management team and of each person's individual contribution to the Company's performance. The Committee retains the discretion to modify the recommendations of Richard Agree and reviews such recommendations for their reasonableness based on the Committee's compensation philosophy and related considerations.

The Committee does not utilize a compensation consultant to establish or administer its executive compensation program. In 2007, the Committee used the 2007 NAREIT Compensation and Benefits Survey (the "NAREIT Survey") to provide it with relevant market data.

ELEMENTS OF COMPENSATION IN 2007 FOR NAMED EXECUTIVE OFFICERS

The Company's compensation program for named executive officers generally consists of base salary, annual incentive awards, long-term share-based incentive awards and certain other benefits. The Company also provides certain severance arrangements for its named executive officers.

Base Salary. The Committee believes that base salary is a primary factor in retaining and attracting key employees in a competitive marketplace. When determining the base salary for each of the named executive officers, the Committee considers the market levels of similar positions at the peer group companies, through the data provided to them by the NAREIT Survey, the performance of the executive officer and the experience of the executive officer in his or her position.

The base salaries of Richard Agree and Vicky Whalen-Umphries did not change in 2007, while Kenneth Howe and David Prueter received modest increases. Joey Agree received a 40% increase in base salary to \$175,000 primarily due to his increased responsibilities in 2007 and prior performance. The base salaries paid to the named executive officers in 2007 are set forth below in the Executive Compensation Tables Summary Compensation Table.

Annual Incentive Awards. The Committee believes the Company's annual cash bonus provides a meaningful incentive for the achievement of short-term Company and individual goals, while assisting the Company in retaining, attracting and motivating employees in the near term. These annual bonuses are primarily based upon Company performance objectives. The Committee determined that specific bonuses should be paid to the named executive officers in 2007 primarily due to a significant number of development projects were completed in 2007 and scheduled for completion in 2008. No annual cash bonuses were paid in 2006.

Table of Contents

Ms. Whalen-Umphryes' employment agreement also provides for additional compensation at a specified rate per square foot for all development and land lease projects, payable upon lease commencement. She has the option to be paid in shares of common stock or cash. In 2007, she elected to receive the corresponding bonus in cash.

Long-Term Incentive Compensation. The Committee believes the Company's share-based incentive awards, with multiple-year vesting, provide the strongest incentive for employees to focus on the long-term fundamentals of the Company and thereby create long-term shareholder value. These awards also assist the Company in maintaining a stable, continuous management team in a competitive market. When determining the amount of long-term equity incentive awards to be granted to the named executive officers, the Committee considers, among other things, the following factors: the Company's performance, the responsibilities and performance of the executive, the Company's stock price performance, and other market factors, including the data provided by the NAREIT Survey. The employment agreement of Ms. Whalen-Umphryes also provides for a minimum annual grant of 2,000 shares of restricted stock.

The Committee awarded an aggregate of 38,500 shares of restricted stock under the 2005 Equity Incentive Plan in January 2008 based upon 2007 performance. The grant date fair value of such awards were an aggregate of \$1,143,835, an increase of 4.3% over 2006. In line with historical grants, the shares vest in equal installments over a five-year period from the date of grant. Cash dividends are paid on the restricted stock during the vesting period. The grants were as follows: Richard Agree, 15,500 shares; Kenneth Howe, 6,000 shares; Vicky Whalen-Umphryes, 4,000 shares; David Prueter, 4,000 shares; Joey Agree, 9,000 shares.

Mr. Prueter also receives a grant of 1,250 shares of restricted stock for each project completed due to his efforts, payable upon the lease commencement. The restricted stock vests in equal installments over a five-year period from the date of grant, and cash dividends are paid during the vesting period. In 2007, he earned 3,750 shares of restricted stock for three developments.

Perquisites and Other Personal Benefits. The Company has historically maintained a conservative approach to providing perquisites to executive officers. The Company provides the named executive officers with perquisites and other personal benefits that the Committee believes is reasonable and consistent with the overall executive compensation program and to better enable the Company to attract and retain superior employees for key positions. These perquisites have been carefully selected to ensure that the value provided to employees is not at the expense of shareholder concern. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers.

Severance Payments. The Company currently has employment agreements with Richard Agree and Vicky Whalen-Umphryes, which provide severance payments under specified conditions. The Committee believes these agreements help to retain executives who are essential to the Company's long-term success. See Potential Payments Upon Termination or Change-in-Control for a description of potential payments and benefits to the named executive officers under the Company's compensation plans and arrangements upon termination of employment or a change in control of the Company.

TIMING AND PRICING OF SHARE-BASED GRANTS

The Company does not coordinate the timing of share-based grants with the release of material non-public information. The Committee approves its annual grants of restricted stock to the named executive officers at its regularly scheduled meeting in mid-December, with an effective grant date as of such meeting or delayed until a date within the first few weeks of the following year. The grant date may be delayed due to tax implications to grantees as well as administrative issues during the holiday season. The Committee generally establishes the date for its regularly scheduled meeting at least a year in advance. In addition, certain named executive officers receive shares of restricted

stock upon lease commencement of certain developments. The Committee has not granted stock options in recent years.

TAX AND ACCOUNTING IMPLICATIONS

Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)), provides that subject to certain exceptions (the most significant of which is performance-based compensation), a publicly-held corporation may not deduct compensation for federal income tax purposes exceeding \$1 million in any one year paid to its chief executive officer and its three other most highly compensated executive officers. The Company must distribute a specified minimum percentage of its taxable income to maintain its qualification as a REIT under the Internal Revenue Code, and the Company is not subject to federal income tax on its REIT taxable income only if and to the extent it distributes the income to its stockholders. Accordingly, if the Company pays compensation to its chief executive officer or any of its three other most highly compensated executive officers in excess of \$1 million in any year that does not qualify for the performance-based exception, the Company may have to increase the amount of its distributions to stockholders to avoid tax liability and loss of its REIT status. This in turn may result in a larger portion of distributions being taxable to stockholders as dividend income, instead of being treated as a nontaxable return of capital to stockholders. However, because the Company did not pay any compensation during 2007 that would be subject to Section 162(m), the Committee's compensation policy and practices were not directly governed by Section 162(m).

Nonqualified Deferred Compensation. Section 409A of the Code provides that amounts deferred under nonqualified deferred compensation arrangements will be included in an employee's income when vested unless certain conditions are met. If the certain conditions are not satisfied, amounts subject to such arrangements will be immediately taxable and employees will be subject to income tax penalties and interest to the extent such taxes were not timely paid. All of the Company's employment and severance arrangements and benefit plans are or will be intended to meet the requirements of Section 409A to allow for deferral without immediate taxation, penalty or interest.

Accounting for Stock-Based Compensation. Beginning on January 1, 2006, the Company began accounting for stock-based payments to employees in accordance with the requirements of FASB Statement 123(R).

COMPENSATION COMMITTEE REPORT

The Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

REPORT OF THE AUDIT COMMITTEE

Management is responsible for the Company's financial statements, internal controls, accounting and financial reporting processes and compliance with applicable laws and regulations. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and an independent audit of the effectiveness of the Company's internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board, and for expressing their opinions thereon. The Audit Committee's responsibility is to provide general oversight of the foregoing matters. The Audit Committee is governed by a charter, a copy of which is available on our website at <http://www.agreerealty.com>.

Review and Discussions with Management and Independent Accountants. In this context, the Committee has met and held discussions with management and Virchow, Krause & Company, LLP (Virchow Krause), the Company's independent registered public accounting firm. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Committee has reviewed and discussed the audited consolidated financial statements with management and Virchow Krause. The Committee discussed with Virchow Krause matters required to be discussed by Statement on Auditing Standards No. 114, issues regarding accounting and auditing principles and practices, and the adequacy of internal controls that could significantly affect the Company's financial statements.

Virchow Krause also provided to the Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with Virchow Krause that firm's independence. The Committee has reviewed the original proposed scope of the annual audit of the Company's financial statements and the associated fees and any significant variations in the actual scope of the audit and fees.

Conclusion. Based on the review and discussions referred to above, the Committee recommended to the Board that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2007 filed with the SEC.

Table of Contents**AUDIT COMMITTEE MATTERS****PRE-APPROVAL POLICIES AND PROCEDURES FOR AUDIT AND NON-AUDIT SERVICES**

In accordance with Audit Committee policies and procedures and applicable law, the Audit Committee must pre-approve all services to be provided by its independent registered public accounting firm. In determining whether to pre-approve such services, the Audit Committee must consider whether the provision of such services is consistent with the independence of such accountants. The Audit Committee generally provides pre-approvals at its regularly scheduled meetings. The Audit Committee has delegated to its chairman, Farris Kalil, an independent member of the Board, the authority to grant pre-approvals of non-audit services between regularly scheduled meetings of the Audit Committee, provided that any such pre-approval by Mr. Kalil shall be reported to the Audit Committee at its next scheduled meeting. However, pre-approval of non-audit services is not required if (1) the aggregate amount of non-audit services is less than 5% of the total amount paid by us to the auditor during the fiscal year in which the non-audit services are provided; (2) such services were not recognized by us as non-audit services at the time of the engagement; and (3) such services are promptly brought to the attention of the Audit Committee and, prior to completion of the audit, are approved by the Audit Committee or by one or more Audit Committee members who have been delegated authority to grant approvals.

**PROPOSAL II RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM FOR 2008**

The Audit Committee currently believes that we should continue our relationship with Virchow Krause and have appointed Virchow Krause to continue as our independent accountants for 2008. See Report of the Audit Committee and Audit Committee Matters for additional information on matters related to Virchow Krause's provision of services to us.

Although stockholder ratification of the appointment is not required by law and is not binding on us, the Audit Committee will take your vote into consideration when appointing our independent registered public accounting firm in future years. Even if the stockholders ratify the appointment of Virchow Krause, the Audit Committee in its sole discretion may terminate the engagement of Virchow Krause and engage another independent auditor at any time during the year, although it has no current intention to do so.

A representative of Virchow Krause will be present at the annual meeting and will be provided with the opportunity to make a statement if desired. Such representative will also be available to respond to appropriate questions.

The Board recommends that you vote FOR the ratification of the appointment of Virchow Krause as our independent registered public accounting firm for 2008.

RELATED PERSON TRANSACTIONS

POLICIES AND PROCEDURES

The non-interested directors of the Board reviews and oversees any proposed or ongoing related person transactions to ensure there are no conflicts of interest. The Company's Code of Business Conduct and Ethics requires officers and directors to provide full disclosure of any such transaction to appropriate persons and remove themselves from the related decision making process. Persons are encouraged to speak with specified persons if there is any doubt as to whether a transaction could comprise a related person transaction or otherwise constitute a conflict of interest.

If a related person transaction is proposed, the non-interested directors of the Board reviews such transaction to ensure that our involvement in such transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and is in the best interests of us and our stockholders. If necessary or appropriate, we will engage third party consultants and special counsel, and the Board may create a special committee, to review such transactions. The non-interested directors of the Board affirmatively determined that none of the related person transactions below constituted a conflict of interest.
