(1) TF Holding P/F and Lagerinn ehf have agreed in principle that Lagerinn ehf will sell and TF Holding P/F will purchase twenty-five percent (25%) of the shares of common stock of Linens 'n Things, Inc. owned by Lagerinn ehf as of the close of business on September 22, 2005. TF Holding P/F hereby disclaims beneficial ownership of the remaining seventy-five percent (75%) of shares of common stock of Linens 'n Things, Inc. owned by Lagerinn ehf as of the close of business on September 22, 2005 and excludes such shares from this table. See Item 3.

Item 1. Security and Issuer

This statement on Schedule 13D (this "Statement") relates to the common stock, \$0.01 par value per share (the "Common Stock"), of Linens 'n Things, Inc., a Delaware corporation (the "Issuer"). According to the Issuer's most recent Form 10-Q filed with the U.S. Securities and Exchange Commission on August 1, 2005, the principal executive offices of the Issuer are located at 6 Brighton Road, Clifton, New Jersey 07015.

Item 2. Identity and Background

(a) This statement on Schedule 13D is being filed by: (i) Jakup a Dul Jacobsen ("Jacobsen"), a citizen of Denmark who engages in activities and maintains holdings in a number of jurisdictions; (ii) Lagerinn ehf, a Republic of Iceland corporation ("Lagerinn"); and (iii) TF Holding P/F, a Faroe Islands corporation ("TF Holding"). Jacobsen, Lagerinn and TF Holding are hereinafter sometimes collectively referred to as the "Reporting Persons".

(b) The business address of Jacobsen is c/o Lagerinn at Sundaborg 7, 104 Reykjavik, Republic of Iceland.

The address of the principal office and principal business of Lagerinn is Sundaborg 7, 104 Reykjavik, Republic of Iceland.

The address of the principal office and principal business of TF Holding is Kongabrugvin, Post Box 329, FO 110 Torshavn.

(c) Jacobsen is an investor who engages in activities and maintains holdings in a number of jurisdictions and is the Chairman of Lagerinn.

## Edgar Filing: LINENS N THINGS INC - Form SC 13D

Lagerinn is wholly-owned by Jacobsen. Lagerinn is a holding company through which Jacobsen holds investments.

TF Holding is a holding company that holds businesses and investments in the Faroe Islands.

The attached Schedule A lists the executive officers and directors of Lagerinn and TF Holding and contains the following information with respect to each such person: (i) name; (ii) business address; (iii) present principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted; and (iv) citizenship.

(d) During the past five years, neither Jacobsen, Lagerinn, TF Holding nor, to the best of Jacobsen's, Lagerinn's, or TF Holding's knowledge, any person named in Schedule A to this Statement, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the past five years, neither Jacobsen, Lagerinn, TF Holding nor, to the best of Jacobsen's, Lagerinn's, or TF Holding's knowledge, any person named in Schedule A to this statement, was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activity subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) Jacobsen is a citizen of Denmark. Lagerinn is a Republic of Iceland corporation. TF Holding is a Faroe Islands corporation.

### Item 3. Source and Amount of Funds or Other Consideration

The aggregate purchase price of the 4,483,700 shares of the Common Stock currently beneficially owned by Jacobsen and Lagerinn (the "Shares") was \$114,696,043 (the "Purchase Price"). The Shares were purchased by Kaupthing Bank hf ("Kaupthing") in accordance with certain Agreements, by and between Kaupthing and Lagerinn, (the "Equity Swap Agreements"). Lagerinn may be deemed to be the beneficial owner of the shares because it entered into the Equity Swap Agreements and Jacobsen may be deemed to beneficially own the shares because of his direct ownership of all the shares of Lagerinn.

Kaupthing has purchased and holds the Shares pursuant to the Equity Swap Agreements. Lagerinn has the right at any time to close out the Equity Swap Agreements and purchase the Shares. Kaupthing shall hold the Shares until the earlier of (i) April 5, 2006 and (ii) such earlier date as Lagerinn closes the swap agreement and purchases the Shares (the "Closing Date"). On the Closing Date, Lagerinn is obligated to purchase the Shares from Kaupthing pursuant to the Equity Swap Agreements. Lagerinn has the exclusive right to direct Kaupthing to vote and dispose of the Shares. Pursuant to the Equity Swap Agreements, Lagerinn bears the economic risk and benefit of the Shares. Any dividends paid on the Shares shall be paid to Lagerinn on the Closing Date. If Lagerinn does not purchase the Shares by April 5, 2006, Kaupthing has the right to dispose of the Shares as it sees fit and shall pay to Lagerinn, with respect to the Shares purchased pursuant to each Equity Swap Agreement, the increase in value of such Shares from the date of such Equity Swap Agreement (subject to certain offsets for fees and brokerage commissions). In the event that Lagerinn does not purchase the Shares by April 5, 2006 and the Shares decrease in value, Lagerinn shall pay to Kaupthing, with respect to the Shares purchased pursuant to each Equity Swap Agreement, the amount of the decrease in value of such Shares from the date of such Equity Swap Agreement (together with certain fees and brokerage commissions). Lagerinn is also obligated to pay to Kaupthing (i) interest on the

## Edgar Filing: LINENS N THINGS INC - Form SC 13D

Purchase Price at 5.0863%; and (ii) certain fees. Jacobsen and Lagerinn have pledged certain assets other than the Shares to Kaupthing to secure Lagerinn's obligations under the Equity Swap Agreements. The foregoing summary of the Equity Swap Agreements is qualified in its entirety by reference to the Equity Swap Agreements, copies of English translations of which are filed as Exhibit B, Exhibit C and Exhibit D to this Statement. Lagerinn expects that it will purchase the Shares from Kaupthing by using available working capital.

Lagerinn has agreed in principle with TF Holding that Lagerinn will sell and TF Holding will purchase twenty-five percent (25%) of the Common Stock owned by Lagerinn as of the close of business on September 22, 2005. The sale price has not been finally determined but will be Lagerinn's average purchase price for the Shares plus a pro rata share of Lagerinn's costs incurred for its purchases of the Shares through September 22, 2005 (including advisor fees) (the "Sale Price"). The Sale Price will be funded from TF Holding's working capital. TF Holding may determine to use borrowings from one or more financial institutions (which have not yet been identified) but has not yet determined to do so. TF Holding is not obligated to purchase more than two hundred fifty (250) million Danish Kroner ("DKK") worth of Shares from Lagerinn. If the aggregate Sale Price would be greater than DKK two hundred fifty (250) million, then the number of shares that TF Holding is obligated to purchase shall be reduced by the number of shares required to make the aggregate Sale Price equal to DKK two hundred fifty (250) million. As part of the agreement

in principle, Lagerinn will also have the right to repurchase the Shares sold to TF Holding at a per share price equal to the prevailing market price of such Shares on the New York Stock Exchange at the time Lagerinn exercises such right. The repurchase right will exist only if the share price increases more than three hundred percent (300%) by October 1, 2009 as compared to the closing price on the New York Stock Exchange on September 22, 2005. Additionally, if TF Holding decides to dispose of the Shares purchased from Lagerinn, Lagerinn will have the right of first refusal to purchase such Shares at the prevailing market price of such Shares on the New York Stock Exchange. The agreement in principle has not yet been reduced to writing.

(i) A class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g) (4) of the Securities Exchange Act of 1934; or

(j) Any action similar to any of those enumerated above.

This agreement is a translation of an agreement made between Kaupthing Bank hf., Icelandic id no. 560882-0419, hereinafter called "the Bank" and Lagerinn ehf., Icelandic id no. 480793-2699 dated in July 2005, and is not a copy of the Agreement Concerning Swap Agreement on Equity itself. If any difference between the English and Icelandic text occurs, the Icelandic version shall prevail.

# Edgar Filing: LINENS N THINGS INC - Form SC 13D

## AGREEMENT CONCERNING SWAP AGREEMENT ON EQUITY

### Article 1

This agreement is between Kaupthing Bank hf., Icelandic id no. 560882-0419, hereinafter called "the Bank" and Lagerinn ehf., Icelandic id no. 480793-2699, hereinafter called "the Client".

This agreement replaces the agreement between the Bank and Jakups a Dul Jacobsen, Icelandic id. No. 250961-2009, dated 5th of April 2005 concerning the same matter. By signing this agreement, the bank and Jakup, on behalf of himself personally, agree that the before mentioned agreement is fully fulfilled and that this agreement replaces the before mentioned contract. Signature of this agreement shall change the swap agreements already made in such a way that instead of Jakup being the party to the agreements, the Client is the party to the agreements.

### Article 2

With this agreement, both parties obligate themselves to sign new swap equity agreements with the same terms and duration as AFS9230, dated 5th of April 2005 and AFS9463, dated 9th of May 2005, which are presented at the signing of this agreement and shall be considered a part of this agreement.

### Article 3

#### The exchange rate of the reference shares

The reference amount and exchange rate of the reference shares in the agreements the parties obligate themselves to sign is not yet determined, as the reference shares have not yet been acquired. In the context of this agreement, it is assumed that the swap agreement the parties will sign due to the obligations within this agreement will have a reference amount of no more than 165.000.000 USD in total, this total referring to a total of the reference amounts of the swap agreements that will be signed, and swap agreements that have already been signed. The stocks in question are Linens 'N Things Inc (ticker LIN US). The parties are in agreement that the Bank will have up to 30 days to acquire the necessary amount of stocks in the company. When that period is over the average exchange rate of the reference stocks will be known and used as the reference exchange rate in the agreements that are a part of this agreement.

### Article 4

#### Currency exchange rate and reference amount

The exchange rate of currencies in the agreements that the parties oblige themselves to make is not yet known for the same reason as mentioned above. When the before mentioned 30 days have passed the average exchange rate will be known that will apply in the agreements that will be signed according to this agreement. The average exchange rate of currencies shall be used for the exchange rate of currencies versus the Icelandic Krona according to the terms in the agreements the parties oblige themselves to make. The reference amount is equal to the combined value of the reference equity. Fee is not included in the reference amount for the trades incurred by this agreement.

### Article 5

#### Risk and information

The Client has been informed of the nature and risk of the transactions that this agreement is about. The Client has been made aware that he has a currency, market and interest risk of the transactions that will be done according to this agreement. This entails, among others, that if the exchange rate of the reference stock falls lower the Client is nevertheless obligated to sign the agreements with a reference exchange rate in accordance to an average exchange rate according to this agreement. This means that when a swap agreement is signed and finalized in accordance with this agreement it can be then and there in deficit. The same could apply regarding currency exchange rates and

## Edgar Filing: LINENS N THINGS INC - Form SC 13D

interests. The Client has been made aware of the before mentioned premise of this agreement and agrees to it.

### Article 6

#### Client's Collateral

To indemnify the Client's obligations towards the Bank the Client will provide collateral in accordance with the terms that apply in the parties' agreement on pledges that is signed along with this agreement. The agreement on pledges and the correct fulfillment of it is to be considered of the essence for the transactions mentioned in this agreement.

### Article 7

#### Fee

Kaupthing Bank's Capital Markets Division will be the broker for the purchase of the reference stock in Article 3.

The Client is obligated with this agreement not to ask any other party to purchase for him or any financially linked entities stock in LIN US. This limitation is valid for three business days after the Client acquires 5% in the company, i.e. the first three business days of the 10 almanac day period that the Client has to issue a notification after a 5% stake is acquired in accordance with respective laws and regulations on trading listed stocks. When the before mentioned period is over the Client is permitted to request that another party acts as a broker in purchasing the reference stocks, as long as the results of Kaupthing Bank's Capital Markets Division is deemed unacceptable by the Client.

The fee for the transactions is 0.04 USD for each share purchased for the Client or related parties until the before mentioned period is over, after that the fee is 0.04 USD for each purchased share brokered by Kaupthing Bank's Capital Markets Division.

The brokerage fee incurred by the transactions shall be paid by the Client and will be added on to other fees according to the swap agreements as applicable.

### Article 8

#### Various clauses

This agreement is to further explain and define the agreements that are made in connection with the business of the parties concerning stocks in LIN US. Where this agreement is silent the articles and clauses of the agreements that are signed along with this one by the same parties apply, but the terms shall be the same as in Articles 3 and 4 in this agreement. When the before mentioned period is over the final terms of the swap agreements the parties obliged themselves to do will be known and the parties shall then sign a swap agreement with the same terms as the agreements that are signed along with this agreement.

The headlines in this agreement are for explanatory purposes only and do not constitute a part of this agreement. All changes of this agreement must be confirmed by both parties in writing.

The construction and validity and performance of this agreement and the transactions contemplated by it shall be governed by the laws of Iceland and each party submits to the exclusive jurisdiction of the Reykjavik Municipal Court for the purposes of determining any dispute arising out of this agreement or the transactions contemplated or obliged by it. This agreement is made in two copies and each party retains one copy.

To confirm all the above the parties sign this agreement before witnesses to the correct date and signature.

**Payment:** The Bank pays the Client the increase in value of the reference shares from the contract date to the closing date, and the reverse if the value of the reference shares decreases.

**Bank clearance:** The next banking day after.

### Mutual obligations and/or rights

**Payment arrangement/netting:** The payments between the parties shall always be netted out, so that there is never any payment between either party except for the net difference. Should the total payment due from the Client be higher than the total payment due from the Bank the bank will debit the Client's account for the difference. Should the reverse be the case the bank will deposit the difference into the Client's account. Payment is due two banking days after closing day, or the due date if the contract is closed earlier.

**Closing before the closing date:** Should the Client wish to close this contract during the contract period the Bank will, without any guarantee or obligation on its part, release the Client from his obligations and the contract will be netted in accordance with market conditions at the time. The fee incurred by this for the Client (aside from the potential deficit of the contract due to market conditions) can be anything up to 0.125% of the reference shares amount for each month that remains of the contract period, as determined by the Bank.

**Security/Collateral:** To secure the prompt and full payment by the Client according to this contract, Jakub a Dul Jacobsen, id.no.. 250961-2009, has pledged collateral which is specified in the Pledge Agreement concerning derivatives and its appendices which count as part of this contract. collateral needs incurred by contracts the Client has entered are further defined in the parties' Pledge Agreement. If the value of the collateral, as determined by the Bank, is not sufficient to satisfy the calculated collateral needs of the contract, according to the Pledge Agreement, the Bank may require the Client to pledge satisfactory collateral as determined by the Bank such that the collateral requirements of the contract are fully satisfied. If the Client fails to meet the requirements set forth by the Bank concerning the pledge of satisfactory collateral within the timeframe the Bank gives him, the Bank may at any time consider this as an event of default of the contract and may declare this Equity Swap confirmation to become due without specific notification to the Client thereof. As remedy in response to such events of default a method of payment shall come into effect in the same manner as defined above, i.e. by netting.

The Bank reserves the right to terminate the contract and to sell the collateral in accordance with further stipulations in the contract concerning collateral if the Bank deems market conditions are such that the risk associated with the collateral will not prove sufficient at the termination of the contract. The Bank may utilize the collateral pledged by the Client in any way the Bank sees fit as payment concerning the obligations of the Client according to this contract. The Pledged Assets may be sold without a court order of sale.

**Insolvency:** Should either party become insolvent this contract will automatically terminate without any specific notification thereof. In cases of insolvency the method of payout shall be the same as above, i.e. netted.
