FORM 6-K

Commission File No. 0-30852

Banco de Galicia y Buenos Aires S.A. (the "Bank"), the principal subsidiary  
of the registrant, has informed to the Argentine Central Bank (the "Central  
Bank") on February 28, 2007 the following matters:

- On March 2, 2007, the Bank will repay all of the remaining balance of  
the financial assistance granted by the Central Bank to the Bank in  
2001-2002, which remaining portion amounts to Ps.908.7 million. The  
Bank has also requested the release of the public-sector assets  
granted as collateral for said financial assistance (various series of  
Prestamos Garantizados) for an aggregate face value amount of  
Ps.1,024.9 million.
- The Bank has requested to the Central Bank the subscription in cash of  
the remaining balance of the Hedge Bond, BODEN 2012 government bonds,

for US\$116.8 million of face value. This constitutes the remaining balance of the compensation payable to the Bank established by the decree number 905/02, for the net short position in foreign currency as of December 31, 2001, generated by the Argentine government's 2002 asymmetric pesification rules.

In addition, due to the subscription in cash of the Hedge Bond, Ps.163.5 million of face value of Bogar government bonds allocated as guaranties will be released. In accordance with Central Bank's valuation rules (Communique "A" 3911 and complementary regulations), this will cause a reduction in such Bogar government bonds' book value of approximately Ps.30 million.

Once these transactions are completed, the Bank will have paid all of its debt with the Central Bank for financial assistance. In addition, the process of compensation to the Bank for the net short foreign currency position generated by the pesification of assets and liabilities in 2002 will be completed.
