**Item 7.01 Regulation FD Disclosure.**

Petrobras (NYSE:PBR) has failed to make a payment that was due on January 26, 2005, under its participation agreement with El Paso relating to the Macae power plant in Brazil. Petrobras had sought a Brazilian court order suspending its obligation to continue making payments to El Paso under the participation agreement. On January 28, 2005, the Brazilian court declined to grant the order requested by Petrobras. At this time, El Paso has no information as to whether Petrobras intends to file an appeal of this decision. We will continue to assess the carrying value of the Macae plant and equipment, which at September 30, 2004 had a net book value of \$707 million, as well the unpaid receivables from Petrobras and may be required to record an impairment charge.
