Item 2.01 Completion of Acquisition or Disposition of Assets.

On March 31, 2006, The Houston Exploration Company (Houston Exploration) completed the sale of the Texas portion of its Gulf of Mexico assets. Pursuant to the purchase and sale agreement dated February 28, 2006 between Houston Exploration, as seller, and various partnerships affiliated with Merit Energy Company, as buyer, the gross purchase price was \$220 million. The net cash proceeds received from the sale of these assets totaled approximately \$190.8 million after various customary closing items, including the preliminary adjustment for operations related to the properties after January 1, 2006, the effective date of the transaction. Of the total net proceeds, approximately \$140.1 million was received for assets acquired by various partnerships affiliated with Merit Energy Company, and approximately \$43.1 million and \$7.6 million was received from Hydro Gulf of Mexico, L.L.C. and Nippon Oil Exploration U.S.A. Ltd., respectively, each of whom exercised its preferential rights to acquire certain working interests offered for sale.

The Texas portion of our Gulf of Mexico assets accounted for approximately 18% of our 2005 production and represented an estimated 58.5 Bcfe, or 7% of our total proved reserves, at December 31, 2005. At December 31, 2005, we held interests in 70 blocks in offshore Texas state and federal waters, of which 33 were developed. These assets included 38 producing platforms and production caissons.

Of the \$190.8 million in net cash proceeds received from the sale of the Texas portion of our Gulf of Mexico assets, we used \$158 million to repay and reduce outstanding borrowings under our revolving credit facility, with the balance of \$32.8 million applied to working capital. As of March 31, 2006, outstanding borrowings under our revolving bank credit facility, after application of the proceeds, totaled \$249 million.

The foregoing description of the material terms of the purchase and sale agreement is qualified by reference to the purchase and sale agreement to be filed as an exhibit to Houston Exploration's quarterly report on Form 10-Q for the period ended March 31, 2006.

The unaudited proforma condensed consolidated financial statements of Houston Exploration are attached to this current report as Exhibit 99.1 as described in Item 9.01 below.

Item 8.01. Other Events.

Effective April 1, 2006, and subsequent to the closing of the sale of our Texas Gulf of Mexico assets, the borrowing base on our revolving bank credit facility was reduced from \$600 million to \$550 million. At March 31, 2006, outstanding borrowings under our revolving bank credit facility totaled \$249 million.
