Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

Performance-Based Stock Awards

On March 11, 2008, the Compensation Committee of our Board of Directors approved grants of performance-based stock awards to each of our executive officers, including our named executive officers. Pursuant to the grant agreements, the performance-based awards consist of (1) shares to be earned upon the Company achieving certain earnings per share targets (which we refer to as the EPS Target Shares), and (2) shares to be earned upon the Company achieving certain return on capital employed targets (which we refer to as the ROCE Target Shares). Earning of the shares is based on the performance metrics discussed below measured over the Performance Period (defined as the three-year period beginning January 1, 2006 and ending December 31, 2008) as compared to other members of the PB Peer Group (as defined below).

The number of EPS Target Shares, ROCE Target Shares and maximum number of shares of restricted stock that may be earned by each officer pursuant to the grant agreement is set forth below:

	EPS Target Shares	ROCE Target Shares	Maximum Shares
Kenneth V. Huseman <i>President, Chief Executive Officer and Director</i>	11,250	11,250	33,750
Alan Krenek <i>Senior Vice President, Chief Financial Officer, Treasurer and Secretary</i>	6,000	6,000	18,000
Charles W. Swift <i>Senior Vice President Rig and Truck Operations</i>	5,000	5,000	15,000
T.M. Roe Patterson <i>Group Vice President Completion and Remedial Services</i>	4,000	4,000	12,000
James E. Tyner <i>Vice President Human Resources</i>	2,000	2,000	6,000
Spencer D. Armour III <i>Vice President Corporate Development</i>	2,000	2,000	6,000
David W. Sledge <i>Vice President Contract Drilling</i>	2,000	2,000	6,000
Mark D. Rankin <i>Vice President Risk Management</i>	1,000	1,000	3,000

The grantee will earn each of the EPS Target Shares and the ROCE Target Shares as follows: (A) 150% of the target shares based on the Company being equal to or above the relevant performance metric of the best performing member of the PB Peer Group, (B) 50% of the target shares based on the Company's performance being equal to the worst performing member of the PB Peer Group, and (C) a range between 50-150% of the target shares based on the Company's performance above or below the median of the entire PB Peer Group and within clauses (A) and (B) of this sentence (with 100% of the target shares being earned if the Company's performance is equal to the median of the relevant performance metrics for the PB Peer Group).

Notwithstanding the foregoing, if the Company incurs a net loss based on the Company's average EPS for the Performance Period, none of the EPS Target Shares shall be deemed earned with respect to the EPS Performance Metric. Additionally, if (i) the Company's ROCE Performance Metric is below the worst performing company in the PB Peer Group and (ii) the Company's ROCE Performance Metric is less than 75% of the lowest PB Peer Group member, none of the ROCE Target Shares shall be deemed earned with respect to the ROCE Performance Metric.

ROCE Performance Metric means the change in ROCE during the Performance Period. ROCE means return on capital employed during the Performance Period, calculated as (i) earnings (loss) before interest and taxes divided by (ii) average total assets, less current liabilities, in each case as calculated in accordance with U.S. generally accepted

accounting

principals (GAAP) and as reported on the Company s quarterly financial statements for periods completed during the Performance Period.

EPS Performance Metric means the change in earnings per share for continuing operations (as calculated in accordance with U.S. generally accepted accounting principals) during the Performance Period.

PB Peer Group means each of the following companies: (1) Pioneer Drilling Co.; (2) Bronco Drilling Company, Inc.; (3) Tetra Technologies, Inc.; (4) Oil States International, Inc.; (5) Union Drilling, Inc.; (6) Superior Well Services, Inc.; (7) Complete Production Services, Inc.; (8) W-H Energy Services, Inc.; (9) Superior Energy Services, Inc.; and (10) Key Energy Services, Inc; provided, the Compensation Committee in its sole discretion may substitute another company into the peer group under certain circumstances as set forth in the grant agreements.

Once earned, if not earlier vested, the restricted stock vests pro-rata in one-third increments on March 15, 2010, 2011 and 2012. All unvested shares of restricted stock will be forfeited by the grantee (a) if the grantee s employment with the Company is terminated by the Company for Cause before the restricted stock is vested or (b) if the grantee terminates his employment with the Company before the restricted stock is vested for any reason other than (i) Good Reason or (ii) the death or Disability of the Grantee, as such terms are defined in the grant agreement. The grantee will vest in all rights to the restricted stock on the earlier of (i) the dates set forth above; (ii) termination by the Company without Cause; (iii) the death or Disability of the grantee; or (iv) Termination for Good Reason.

The foregoing description of this item is qualified in its entirety by reference to the full text of the form of Performance-Based Award Agreement which is filed as Exhibit 10.1 to this report and incorporated herein by reference.
