PROXY STATEMENT

Annual Meeting of Stockholders
to be held on May 29, 2002

To Stockholders of Silgan Holdings Inc.:

This Proxy Statement and the accompanying proxy card are furnished in connection with the solicitation of proxies by the Board of Directors of Silgan Holdings Inc., or the Company, for use at our annual meeting of stockholders, or the Meeting, to be held at the Sheraton Stamford Hotel, 2701 Summer Street, Stamford, Connecticut 06905 on Wednesday, May 29, 2002, at 9:00 a.m., and at any postponements or adjournments of the Meeting. This Proxy Statement and the accompanying proxy card are first being mailed to stockholders on or about April 26, 2002.

Only holders of record of our Common Stock as of the close of business on April 12, 2002, the Record Date, will be entitled to notice of and to vote at the Meeting. As of the Record Date, we had 18,005,685 shares of our Common Stock outstanding, and each share is entitled to one vote. We have no other class of voting securities issued and outstanding. The presence in person or by proxy of the holders of a majority of the outstanding shares of our Common Stock will be necessary to constitute a quorum for the transaction of business at the Meeting.

All shares of our Common Stock represented by properly executed proxies will be voted in accordance with the instructions indicated on such proxies unless such proxies previously have been revoked. If any proxies do not contain voting instructions, the shares of our Common Stock represented by such proxies will be voted FOR the election of the nominees for director listed below to serve until our annual meeting of stockholders in 2005 and until their successors are duly elected and qualified, FOR the approval of the Silgan Holdings Inc. 2002 Non-Employee Directors Stock Option Plan and FOR the ratification of the appointment of Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2002. We do not anticipate that any other matters will be brought before the Meeting. If any other matters properly come before the Meeting, the shares of our Common Stock represented by all properly executed proxies will be voted in accordance with the judgment of the persons named on such proxies. Shares of our Common Stock abstaining, and shares of our Common Stock held in street name as to which a broker has not voted on some matters

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

but has voted on other matters, or Broker Shares, will be included in determining whether a quorum exists at the Meeting. Approval of each matter specified in the Notice of Meeting requires the affirmative vote of a majority of shares of our Common Stock present in person or by proxy at the Meeting, assuming that a quorum exists at the Meeting. Stockholders may not cumulate their votes. Abstentions and Broker Shares that have not been voted with respect to a particular proposal will not be counted in determining the total number of votes cast or in determining whether such proposal has received the requisite number of affirmative votes.

You may revoke your proxy at any time before it is exercised at the Meeting by (1) delivering to the Secretary of the Company a duly executed proxy bearing a later date; (2) filing a written notice of revocation with the Secretary of the Company; or (3) appearing at the Meeting and voting in person.

In addition to solicitations by mail, some of our directors, officers and employees may solicit proxies for the Meeting personally or by telephone without extra remuneration. We will also provide persons, banks, brokerage firms, custodians, nominees, fiduciaries and corporations holding shares in their names or in the names of nominees, which in either case are beneficially owned by others, with proxy materials for transmittal to such beneficial owners and will reimburse such record owners for their expenses in doing so. The Company will bear the costs of soliciting proxies.

The Audit Committee discussed with the Company's management and independent auditors the overall scope and plans for the Company's annual audits. Management Agreements

Each of the Company, Silgan Containers and Silgan Plastics has entered into a management services agreement, or the Management Agreements, with S&H Inc., or S&H, a corporation wholly owned by Messrs. Silver and Horrigan. Pursuant to the Management Agreements, S&H provides the Company, Silgan Containers and Silgan Plastics and their subsidiaries with general management and administrative services, or the Services. The term of the Management Agreements currently continues until June 30, 2003. Thereafter, the term of the Management Agreements is automatically renewed for successive one-year periods unless either party gives written notice at least 180 days prior to the end of the then current term of its election not to renew the term. Pursuant to the Management Agreements, the Compensation Committee of our Board of Directors (other than any member who is receiving or is entitled to receive, or is affiliated with an entity that is receiving or entitled to receive, any payment from the Company or S&H under or in connection with the Management Agreements) determines on behalf of the Company and its subsidiaries whether to give such written notice not to renew the term. In November 2001, the Compensation Committee of our Board of Directors (other than Mr. Horrigan, who was then serving as a member of the Compensation Committee) determined by written resolution to continue the term of the Management Agreements after June 30, 2002 for a one-year renewal term until June 30, 2003.

The Management Agreements provide for payments to S&H in an amount equal to 90.909% of each of (i) on a monthly basis, \$5,000 plus an amount equal to 2.475% of consolidated earnings before depreciation, interest and taxes of the Company, or Company EBDIT, for such calendar month until Company EBDIT for the calendar year reaches an amount set forth in the Management Agreements for such calendar year, or the Scheduled Amount, and (ii) on a quarterly basis, an amount equal to 2.475% of Company EBDIT for such calendar quarter until Company EBDIT for the calendar year reaches the Scheduled Amount. The Scheduled Amount was \$111.9 million for the calendar year 2001 and is \$115.3 million for the calendar year 2002. For each calendar year after 2002, the Scheduled Amount increases by 3% from the previous year.

Additionally, the Management Agreements provide that the Company, Silgan Containers, Silgan Plastics and their subsidiaries reimburse S&H on a monthly basis for all out-of-pocket expenses paid by S&H in providing the Services, including fees and expenses to consultants, subcontractors and other third parties in connection with the Services. All fees and expenses paid to S&H under each of the Management Agreements are credited against amounts owed to S&H under the other Management Agreements. Under the terms of the Management Agreements, the Company, Silgan Containers and Silgan Plastics have agreed, subject to exceptions, to indemnify S&H and its affiliates, officers, directors, employees, subcontractors, consultants or controlling persons against any losses, damages, costs and expenses they may sustain arising in connection with the Management Agreements.

The Management Agreements may be terminated (i) at the option of each of the Company, Silgan Containers and Silgan Plastics upon the failure or refusal of S&H to perform its obligations under the Management Agreements, if such failure or refusal continues unremedied for more than 60 days after written notice of its existence is given; (ii) at the option of S&H upon the failure or refusal of any of the Company, Silgan Containers and Silgan Plastics to perform its obligations under the Management Agreements, if such failure or refusal continues unremedied for more than 60 days after written notice of its existence is given; (iii) at the option of S&H or the Company, Silgan Containers and Silgan Plastics (a) if S&H or one of the Company, Silgan Containers and Silgan Plastics is declared insolvent or bankrupt or a voluntary bankruptcy petition is filed by any of them, (b) upon the occurrence of any of the following events with respect to S&H or one of the Company, Silgan Containers and Silgan Plastics if not cured, dismissed or stayed within 45 days: the filing of an involuntary petition in bankruptcy, the appointment of a trustee or receiver or the institution of a proceeding seeking a reorganization, arrangement, liquidation or dissolution, (c) if S&H or one of the Company, Silgan Containers and Silgan Plastics voluntarily seeks a reorganization or arrangement or makes an assignment for the benefit of creditors or (d) upon the death or permanent disability of both of Messrs. Silver and Horrigan; (iv) upon at least 180 days prior written notice at the option of each of the Company, Silgan Containers and Silgan Plastics for any reason; (v) upon at least 180 days prior written notice at the option of S&H for any reason other than Cause or a Change of Control (each as defined in the Management Agreements); (vi) at the option of S&H after a Change of Control; (vii) at the option of the Company, Silgan Containers and Silgan Plastics in the event of criminal conduct or gross negligence by S&H in the performance of the Services; or (viii) at the option of S&H or the Company, Silgan Containers and Silgan Plastics upon the termination of any of the Management Agreements for Cause. The Management Agreements prohibit S&H from competing with the Company and its subsidiaries during the term and, only if S&H terminates the Management Agreements pursuant to clause (v) above, for a period of one year after termination. The Management Agreements provide that, in the event that they are terminated pursuant to clause (iv) above, each of the Company, Silgan Containers and Silgan Plastics will be required to pay to S&H the present value of the amount of the payments that would have been payable to S&H under the Management Agreements through the end of the then current term of the Management Agreements.

We believe that it is difficult to determine whether the Management Agreements are on terms no less favorable than those available from unaffiliated parties because of the personal nature of the services provided under the Management Agreements and the expertise and skills of the individuals providing the services. We believe that the arrangements under the Management Agreements are fair to both parties.

For the year ended December 31, 2001, S&H earned aggregate fees under the Management Agreements of \$5.1 million from the Company and its subsidiaries.

Stockholders Agreements

In November 2001, Messrs. Silver and Horrigan and the Company entered into the Stockholders Agreement. The Stockholders Agreement replaced in its entirety the Stockholders Agreement dated as of February 14, 1997, or the 1997 Stockholders Agreement, among Messrs. Silver and Horrigan and The Morgan Stanley Leveraged Equity Fund II, L.P., or MSLEF II, a former stockholder of the Company and an affiliate of Morgan Stanley.

9

Under the Stockholders Agreement, the Group (as defined in the Stockholders Agreement) has the right to nominate for election all directors of the Company until the Group holds less than one-half of the number of shares of our Common Stock held by it in the aggregate on February 14, 1997. At least one of the Group's nominees must be either Mr. Silver or Mr. Horrigan. On February 14, 1997, the Group held 7,153,090 shares of our Common Stock in the aggregate. Additionally, the Group has the right to nominate for election either Mr. Silver or Mr. Horrigan as a member of our Board of Directors when the Group no longer holds at least one-half of the number of shares of our Common Stock held by it in the aggregate on February 14, 1997 but beneficially owns 5% of our Common Stock. The Group generally includes Messrs. Silver and Horrigan and their affiliates and related family transferees and estates.

If either Mr. Silver or Mr. Horrigan notifies our Board of Directors that the Group cannot agree on an individual for any of its nominees under the Stockholders Agreement or if at least 45 days prior to our annual meeting of stockholders the Group fails to nominate for election at such annual meeting the requisite number of individuals to stand for election to our Board of Directors at such annual meeting, then our Board of Directors has the right to nominate for election to our Board of Directors the number of individuals that Messrs. Silver and Horrigan could not agree on as nominees or that the Group failed to nominate timely.

The Stockholders Agreement continues until the death or disability of both of Messrs. Silver and Horrigan.

The provisions of the Stockholders Agreement could have the effect of delaying, deferring or preventing a change of control of the Company and preventing our stockholders from receiving a premium for their shares of our Common Stock in any proposed acquisition of the Company.

Additionally, in November 2001, the Company entered into an agreement with MSLEF II pursuant to which MSLEF II was granted the right to nominate one individual for election as a Class I Director of the Company for so long as MSLEF II beneficially owned at least 5% of our Common Stock. Mr. Abramson, who is currently serving as a Class I Director of the Company, was deemed to be the initial nominee of MSLEF II under this agreement. In February 2002, this agreement terminated once MSLEF II no longer beneficially owned at least 5% of our Common Stock.

Messrs. Silver and Horrigan, MSLEF II, Bankers Trust New York Corporation and the Company are also parties to a Stockholders Agreement dated as of December 21, 1993, or the 1993 Stockholders Agreement. Under the 1993 Stockholders Agreement, if at any time until February 2005 the Company determines to register additional shares of our Common Stock (other than in

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

connection with certain non-underwritten offerings), the Company must offer to the other parties to the 1993 Stockholders Agreement the opportunity to include shares of our Common Stock held by them in such registration. Additionally, the 1993 Stockholders Agreement provided MSLEF II with the right, until February 2005, to demand two separate registrations of the shares of our Common Stock held by it until MSLEF II held less than 5% of our Common Stock. In November 2001, MSLEF II exercised one of its demand registration rights under the 1993 Stockholders Agreement and sold 4,592,000 shares of our Common Stock held by it under a registration statement filed by the Company. In February 2002, any further demand registration rights of MSLEF II expired once MSLEF II no longer owned at least 5% of our Common Stock.

Concurrent with the Company's initial public offering of its Common Stock, or the IPO, in February 1997, MSLEF II and Messrs. Silver and Horrigan entered into the 1997 Stockholders Agreement. The 1997 Stockholders Agreement was replaced entirely in November 2001 by the Stockholders Agreement. The 1997 Stockholders Agreement had provided generally that (i) for so long as MSLEF II held at least one-half of the number of shares of our Common Stock held by it immediately prior to the IPO, each of Messrs. Silver and Horrigan would use his best efforts (including to vote any shares of our Common Stock owned or controlled by him) to cause the nomination and election of two members of our Board of Directors to be chosen by MSLEF II; and (ii) from and after the time that MSLEF II held less than one-half of the number of shares of our Common Stock held by MSLEF II immediately prior to the IPO and until such time that MSLEF II held less than 5% of

10

our outstanding Common Stock, each of Messrs. Silver and Horrigan would use his best efforts (including to vote any shares of our Common Stock owned or controlled by him) to cause the nomination and election of one member of our Board of Directors to be chosen by MSLEF II. In addition, the 1997 Stockholders Agreement had provided generally that (i) for so long as the Group (as defined in the 1997 Stockholders Agreement) held at least one-half of the number of shares of our Common Stock held by it in the aggregate at the time of the IPO, MSLEF II would use its best efforts (including to vote any shares of our Common Stock owned or controlled by it) to cause the nomination and election of two individuals nominated by the holders of a majority of the shares of our Common Stock held by the Group as members of our Board of Directors, (ii) from and after the time that the Group held less than one-half of the number of shares of our Common Stock held by it in the aggregate at the time of the IPO and until such time that the Group held less than 5% of our outstanding Common Stock, MSLEF II would use its best efforts (including to vote any shares of our Common Stock owned or controlled by it) to cause the nomination and election of one individual nominated by the holders of a majority of the shares of our Common Stock held by the Group as a member of our Board of Directors, and (iii) so long as the Group held at least one-half of the number of shares of our Common Stock held by it in the aggregate at the time of the IPO, the Group would have the right to nominate for election all directors of the Company other than the directors referred to above in this paragraph, and MSLEF II would vote all shares of our Common Stock owned or controlled by it against any director standing for election for our Board of Directors that had not been nominated by the Group.

Morgan Stanley Senior Funding, Inc., or MSSF, an affiliate of Morgan Stanley, is a lender under our U.S. bank credit agreement. In 2001, Landstar provided transportation services to our subsidiaries. We expect that Landstar will continue to provide transportation services to our subsidiaries in 2002. We believe that these transportation services were provided on terms no less favorable to us than provided generally to Landstar's other customers. We paid Landstar approximately \$0.7 million in 2001 for such transportation services. Mr. Jeffrey C. Crowe, a Director of the Company, is the Chairman of the Board, President and Chief Executive Officer of Landstar.

In the event that we enter into any future transactions with any of our affiliates, we expect to enter into any such transactions on terms no less favorable to us than those available from unaffiliated parties.

Pension Plans

The Company has established pension plans, or the Pension Plans, covering substantially all of the salaried employees of Silgan Containers and Silgan Plastics, or the Containers Pension Plan and the Plastics Pension Plan, respectively. The Pension Plans are defined benefit plans intended to be qualified pension plans under Section 401(a) of the Internal Revenue Code of 1986, as amended, or the Code, under which pension costs are determined annually on an actuarial basis with contributions made accordingly.

The table below illustrates the estimated annual normal retirement benefits that are payable under the Containers Pension Plan (also taking into account benefits payable under the Containers Supplemental Plan described below). The benefit levels assume retirement at age 65, the years of service shown, continued existence of the Containers Pension Plan without substantial change and payment in the form of a single life annuity.

450,000	64,890	103,520	142,150	180,780	219,410	258,040

Benefits under the Containers Pension Plan are based on the participant's average base pay (the "Salary" column in the Summary Compensation Table) over the final three years of employment. The amount of average base pay taken into account for any year is limited by Section 401(a)(17) of the Code, which imposes a cap of \$200,000 (to be indexed for inflation) on compensation taken into account for 2002 and later years. Benefits under the Containers Pension Plan are not subject to any deduction for Social Security or other offset amounts.

As of December 31, 2001, Mr. Beam, the only Named Executive Officer who is an eligible participant under the Containers Pension Plan, had fourteen years

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

of credited service under the Containers Pension Plan. Mr. Beam also participates in the Containers Supplemental Plan, which is designed to make up for benefits not payable under the Containers Pension Plan due to Code limitations. His benefits under the Containers Supplemental Plan are funded through a split-dollar life insurance policy. Income attributable to this life insurance policy is included in the "All Other Compensation" column of the Summary Compensation Table.

The table below illustrates the estimated annual normal retirement benefits that are payable under the Plastics Pension Plan (also taking into account benefits payable under the Plastics Supplemental Plan described below). The benefit levels assume retirement age at 65, the years of service shown, continued existence of the Plastics Pension Plan without substantial change and payment in the form of a single life annuity.

400,000	44,000	66,000	88,000	110,000	132,000	154,000
450,000	49,500	74,250	99,000	123,750	148,500	173,250

Benefits under the Plastics Pension Plan are based on the participant's average total cash compensation (the "Salary" and "Bonus" columns in the Summary Compensation Table) over the final 36 months of employment or over the highest three of the final five calendar years of employment, whichever produces the greater average compensation. In computing this average, compensation for any year cannot exceed 125% of base pay. Compensation used in determining benefits is also limited by Section 401(a)(17) of the Code, which imposes the limit indicated above.

Benefits under the Plastics Pension Plan are determined based on two methods. Under the first method, the Plastics Pension Plan provides for benefits based on a formula without any offset for social security. Most of Silgan Plastics' officers are eligible participants under the Plastics Pension Plan based on this first method and the above table is based on this first method. Under the second method, benefits under the Plastics Pension Plan are based on one of three formulas, one of which provides for an offset for social security. Additionally, officers of Silgan Plastics are eligible to participate in the Plastics Supplemental Plan, which is designed to make up for benefits not payable under the Plastics Pension Plan due to Code limitations.

As of December 31, 2001, Mr. Gervais, the only Named Executive Officer who is an eligible participant under the Plastics Pension Plan, had twelve years of credited service under the Plastics Pension Plan. Mr. Gervais also participates in the Plastics Supplemental Plan, which is designed to make up for benefits not payable under the Plastics Pension Plan due to Code limitations and for benefits not payable under the Silgan Plastics Corporation Compensation Incentive (401(k)) Plan due to restrictions under the Code. Amounts contributed

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

by Silgan Plastics for Mr. Gervais under the Plastics Supplemental Plan are included in the 'All Other Compensation' column of the Summary Compensation Table.

Employment Agreements

James D. Beam, President of Silgan Containers, has entered into an employment agreement with Silgan Containers. The initial term of his employment agreement was three years from its effective date, and the term has been, and will continue to be, automatically extended for successive one year periods unless terminated pursuant to the terms of his employment agreement. Mr. Beam's employment agreement provides for, among other things, a minimum severance benefit equal to his then current base salary and benefits for a period of up to one year following termination if (i) Mr. Beam is terminated by Silgan Containers for any reason other than death, disability or for cause as specified in his employment agreement or (ii) Mr. Beam voluntarily terminates his employment due to a demotion, all as specified in his employment agreement.

Russell F. Gervais, President of Silgan Plastics, has entered into an employment agreement with Silgan Plastics. The initial term of his employment agreement was five years, commencing September 1, 1989, and the term has been, and will continue to be, automatically extended for successive one year periods unless terminated pursuant to the terms of his employment agreement. Mr. Gervais' employment agreement provides for, among other things, a severance benefit equal to his then current base salary and benefits for a period of one year following termination if (i) Mr. Gervais is terminated by Silgan Plastics for any reason other than death, disability or for cause as specified in his employment agreement or (ii) Mr. Gervais voluntarily terminates his employment due to a demotion, all as specified in his employment agreement.

REPORT ON EXECUTIVE COMPENSATION

General

The goals of the Company's executive compensation program are as follows: (i) to attract and retain executives and to provide fair compensation to them taking into account the responsibilities undertaken by them; (ii) to motivate the Company's executives to achieve the Company's business strategy; and (iii) to align the interests of the Company's executives and stockholders through the granting of options under the Stock Option Plan. The principal components of the Company's executive officer compensation program are base salary, annual cash bonuses and stock options. The Stock Option Plan is administered by the Stock Option Committee, as described under the section titled "Stock Option Plan" below. Certain of the Company's executive officers also receive additional forms of compensation as described in the Summary Compensation Table of this Proxy Statement and footnote (c) to the Summary Compensation Table and in the section in this Proxy Statement titled "Executive Compensation--Pension Plans."

For 2001, the Compensation Committee made recommendations to the Board of Directors of the Company for its approval with respect to the compensation of executive officers of the Company, other than those executive officers compensated by S&H, and of executive officers of the Company's subsidiaries who are Named Executive Officers, and the Board of Directors of the Company approved such recommendations. The compensation of executive officers of the Company's subsidiaries who are not Named Executive Officers is determined by the Board of Directors of Silgan Containers or Silgan Plastics, as the case may be.

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

Compensation of Co-Chief Executive Officers and Certain Other Executive Officers

Messrs. Silver, Horrigan and Rankin receive no direct compensation from the Company or its subsidiaries, except that Mr. Rankin has received stock options from the Company under the Stock Option Plan. They are compensated by S&H, which is paid by the Company for management services provided by it to the Company pursuant to the Management Agreements. The amounts paid by the Company to S&H under the Management Agreements are based upon fixed financial formulas related to the Company's operating results. The term of the Management Agreements currently continues through June 30, 2003, and the Management Agreements will be automatically renewed for successive one-year terms unless either party gives written notice at least 180 days prior to the end of the then current term of its election not to renew. The Compensation Committee of the Board of Directors of the Company (other than any member who is receiving or is entitled to receive, or is affiliated

15

with an entity that is receiving or entitled to receive, any payment from the Company or S&H under or in connection with the Management Agreements) determines on behalf of the Company and its subsidiaries whether to give such written notice not to renew such term. You should also read the section in this Proxy Statement titled "Certain Relationships and Related Transactions--Management Agreements."

Base Salary

Base salaries for the Company's executive officers (other than for those compensated by S&H) are determined, in part, through general geographic market conditions and comparisons with companies in the packaging industry and other companies with which the Company competes for personnel. Additionally, other factors are considered such as individual experience and performance and the overall performance of the Company. Each executive's base salary is reviewed on an annual basis and may be adjusted, consistent with the terms of any applicable employment agreement, based on (i) the individual's contribution to the Company over the preceding year; (ii) a change in the individual's responsibilities over the preceding year; (iii) any change in median competitive pay levels; or (iv) a general increase in the cost of living.

Annual Cash Bonuses

If the Company or any of the Company's business units achieves certain assigned financial targets for earnings before depreciation, interest, taxes and amortization, or EBDITA, annual cash bonuses are paid to the executive officers of the Company or such business unit, as the case may be. The EBDITA target levels of each of the Company and its business units for a given year are established at the beginning of such year as part of the operating budgets of the Company and its subsidiaries, which operating budgets are approved by the boards of directors of the Company and its subsidiaries. The amount of the bonus of each such executive officer is determined by a formula which calculates such bonus based on the percentage that the actual applicable EBDITA amount represents of the applicable EBDITA target level. In addition, in the case of officers of Silgan Containers, a portion of their annual cash bonuses for 2001 was payable to them if Silgan Containers met certain organizational goals as established by its board of directors at the beginning of the year, including cash flow management, quarterly forecasting of certain financial information and cost management goals. For 2002, a portion of the annual cash bonuses for officers of Silgan Containers will be payable to them if Silgan Containers meets certain organizational goals as established by the board of

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

directors of Silgan Containers at the beginning of the year, such as quarterly forecasting of certain financial information, cost management and working capital management goals. Annual cash bonuses are paid in the beginning of the year following the year in which they are earned.

Tax Deductibility

Section 162(m) of the Code disallows a federal income tax deduction to any publicly held corporation for compensation paid in excess of \$1 million in any taxable year to an individual who is the chief executive officer or any of the four most highly compensated executive officers (other than the chief executive officer) employed by such corporation (or a member of its affiliated group) on the last day of such taxable year, but does allow a deduction for "performance-based compensation" the material terms of which are disclosed to and approved by stockholders. The Company believes that its current compensation programs meet the requirements to qualify for compensation to be deductible for federal income tax purposes. In the future, it is the Company's intent to modify, when necessary, compensation plans for the Company's executive officers so that the Company's federal tax deduction is maximized. Because the Company believes that the use of prudent judgment in determining pay levels is in the best interests of the Company and its stockholders, under some circumstances it may determine to pay amounts of compensation that may not be fully deductible. The Company reserves the right to use prudent judgment in establishing compensation policies to attract and retain qualified executives to manage the Company and to reward such executives for outstanding performance, while taking into consideration the financial impact of such actions on the Company.

Stock Option Plan

The Stock Option Committee of the Board of Directors administers the Stock Option Plan and has the power to, among other things, choose participants and fix the type of grant of stock options and all the terms and conditions of such grants, including the number of shares of our Common Stock covered by a grant and the exercise price, in accordance with the provisions of the Stock Option Plan. The Stock Option Plan forms the basis of the Company's long-term incentive compensation plan. The Stock Option Committee believes that placing a portion of compensation in the form of stock options achieves certain objectives: it aligns the interest of the Company's executive officers and key employees directly with those of the Company's stockholders; it gives executive officers and key employees a significant long-term interest in the Company's success; and it helps the Company retain executive officers and key employees. In determining to whom stock options shall be granted, the terms of the stock options and the number of stock options to grant to an executive officer or key employee, the Stock Option Committee primarily considers past performance and the prospective value of the stock options to be granted as a performance incentive. The Stock Option Committee granted stock options to six executive officers and key employees of the Company and its subsidiaries under the Stock Option Plan in 2001 with respect to 100,000 underlying shares of our Common Stock. No stock options were granted in 2001 to any of the Named Executive Officers listed in the Summary Compensation Table.

ADOPTION OF THE SILGAN HOLDINGS INC. 2002 NON-EMPLOYEE DIRECTORS STOCK OPTION PLAN

We will present at the Meeting a proposal to approve the adoption of the Silgan Holdings Inc. 2002 Non-Employee Directors Stock Option Plan, or the Directors Plan. Our Board of Directors has unanimously approved the Directors Plan. The Directors Plan is intended to benefit us and our stockholders by providing us with an additional means of attracting and retaining highly qualified non-employee directors. In addition, by allowing non-employee members of the Board of Directors to increase their financial stake in the Company through ownership of our Common Stock, the Directors Plan would further align the interests of our directors and stockholders in increasing the long-term value of our Common Stock.

The primary aspects of the Directors Plan, the text of which is set forth in Exhibit A to this Proxy Statement, are as follows.

Eligibility

Participation in the Directors Plan would be limited to members of our Board of Directors who are not current employees or officers of the Company or any of its subsidiaries. After the election of the Class II Directors at the Meeting, we will have four non-employee directors.

Option Grants

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

We have reserved 60,000 shares of our Common Stock for issuance under the Directors Plan. The first option grants under the Directors Plan would be made on May 30, 2002. Thereafter, option grants under the Directors Plan would be made on the first business day after each annual stockholders meeting.

On each grant date, each of our non-employee directors will automatically receive, in consideration for service as a director, nonqualified stock options to purchase 1,500 shares of our Common Stock. The exercise price for the options will be the average of the high and low sales prices for our Common Stock on the date of grant as reported by the Nasdaq National Market System, or NASDAQ, or the national securities exchange on which our Common Stock is then trading (if our Common Stock is not publicly traded at the time of grant, the exercise price will be the fair market value of our Common Stock on the date of grant as determined by our Board of Directors). The exercise price must be paid in cash or, if the applicable option agreement so provides, in shares of our Common Stock that have been held for at least six months prior to exercise.

Each option will be exercisable no sooner than six months from the date of grant of the option. Options cannot be exercised later than ten years after the date of grant, or such earlier date as specified in the applicable option agreement.

20

Cessation of Service

If a non-employee director voluntarily resigns before the end of his or her term of service as a director, such director's unexercised options generally expire as of the date on which such director voluntarily resigns. If a non-employee director ceases to be a member of our Board of Directors at the end of his or her term of service or for any reason other than voluntary resignation prior to the end of his or her term of service, any unexercised options will remain outstanding for ninety days following the date on which such director ceases to be a member of our Board of Directors. In the event that a non-employee director becomes disabled, such director's unexercised options may be exercised within the twelve-month period following the date on which such director ceases to be a member of our Board of Directors. In the event that a non-employee director dies, such director's unexercised options may be exercised by his or her legal representatives or heirs during the twelve-month period following such director's death.

Adjustments in Common Stock

The Directors Plan provides that our Board of Directors may make certain adjustments to the number and kind of shares subject to options granted under the Directors Plan and to the exercise price of options granted under the Directors Plan where the Company undergoes, among other things, a change of control, merger, recapitalization, reclassification or stock split or where the Company declares a stock dividend. Such adjustments could increase the number of shares of our Common Stock reserved for issuance under the Directors Plan.

Federal Income Tax Consequences

The grant of a nonqualified stock option under the Directors Plan will not result in income for the non-employee director or in a deduction for the Company. The exercise of a stock option under the Directors Plan will result in ordinary income for the non-employee director and a deduction for the Company equal to the difference between the exercise price and the fair market value of the shares of our Common Stock received at the time of exercise.

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

Other Information

The Directors Plan will become effective upon approval by the Company's stockholders and will terminate, for purposes of granting further options, on November 29, 2012 unless earlier terminated by our Board of Directors. The Directors Plan is administered by our Board of Directors, which has the power to set additional terms and conditions concerning options granted under the Directors Plan.

Our non-employee directors are compensated for their services as directors of the Company. For a description of such compensation, you should read the section in this Proxy Statement titled "Election of Directors--Compensation of Directors." As of April 12, 2002, the closing sales price of our Common Stock, as reported by NASDAQ, was \$37.49.

New Plan Benefits

The following table sets forth the stock options that our non-employee directors, as a group, will receive in 2002 if the Directors Plan is approved by our stockholders at the Meeting. Executive officers, employee directors and other employees of the Company are not eligible to participate in the Directors Plan and, therefore, will not receive any stock options under the Directors Plan.

2002 NON-EMPLOYEE DIRECTORS STOCK OPTION PLAN

I. PURPOSE OF PLAN; DEFINITIONS.

1.1 Purpose.

The purpose of the Silgan Holdings Inc. 2002 Non-Employee Directors Stock Option Plan (the "Plan") is to strengthen Silgan Holdings Inc., a Delaware corporation (the "Company"), by providing an additional means of attracting, retaining and compensating highly qualified individuals for service as members of the Board of Directors of the Company. The Plan enables non-employee directors to increase their ownership of the Company's common stock, allowing them to have a greater personal financial stake in the Company and underscoring their common interest with stockholders in increasing the value of the Company's common stock in the long term.

1.2 Definitions.

For purposes of this Plan, the following terms shall be defined as indicated, unless otherwise clearly required by the context in which the term appears:

"Board of Directors" shall mean the Board of Directors of the Company.

"Change of Control" shall mean any sale of the assets or voting stock of the Company, whether by purchase, merger, consolidation or other similar transaction, pursuant to which there is a transfer of ownership of more than fifty percent (50%) of the assets or the voting stock of the Company to a Person which theretofore did not own, directly or indirectly, any of the voting stock of the Company; provided, however, that a restructuring of the Company in which the stockholders of the Company retain at least fifty percent (50%) of the voting stock of the surviving Person shall not be deemed a Change of Control.

"Code" shall mean the Internal Revenue Code of 1986, as amended.

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

"Common Stock" shall mean the authorized and issuable common stock of the Company (\$.01 par value).

"Fair Market Value" shall mean (i) if the stock is listed or admitted to trade on a national securities exchange, the average of the high and low sales prices for the stock on the composite tape of the principal national securities exchange on which the stock is so listed or admitted to trade, (ii) if the stock is not listed or admitted to trade on a national securities exchange, the average of the high and low sales prices for the stock as furnished by the National Association of Securities Dealers, Inc. through NASDAQ or a similar organization if NASDAQ is no longer reporting such information, or (iii) if the stock is not listed or admitted to trade on a national securities exchange and if sales prices for the stock are not so furnished through NASDAQ or a similar organization, the fair market value of the stock as determined in good faith by the Board of Directors or an authorized committee thereof in such manner as it deems appropriate, taking into consideration, among other things, recent sales of the stock.

"Non-Employee Director" shall mean each member of the Board of Directors who is not a current employee or a current officer of the Company or any of its Subsidiaries.

"Nonstatutory Options" shall mean an option granted pursuant to the Plan which does not qualify as an incentive stock option under Section 422 of the Code.

"Option(s)" shall mean option(s) to purchase Common Stock under this Plan.

1

"Option Price" shall have the meaning set forth in Section 3.2 hereof.

"Person" shall mean any individual, partnership, joint venture, corporation, association, trust, or any other entity or organization, including a government or political subdivision or any agency or instrumentality thereof.

II. ADMINISTRATION; PARTICIPATION.

2.1 Administration.

This Plan shall be administered by the Board of Directors. Subject to the express provisions of this Plan, the Board of Directors shall have the authority to construe and interpret this Plan and any agreements defining the rights and obligations of the Company and participants under this Plan, to further define the terms used in this Plan, to prescribe, amend and rescind rules and regulations relating to the administration of this Plan and to make all other determinations necessary or advisable for the administration of this Plan. The determinations of the Board of Directors on the foregoing matters shall be conclusive.

2.2 Participation.

All Non-Employee Directors shall be eligible to participate in this Plan.

2.3 Stock Subject to this Plan.

Subject to Section 4.1 hereof, the stock to be offered under this Plan shall be shares of authorized but unissued Common Stock or Common Stock held in

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

treasury. The aggregate amount of Common Stock to be delivered upon exercise of Options granted under this Plan shall not exceed the sum of 60,000 shares of Common Stock. Such amount of Common Stock is hereby reserved for issuance under this Plan. If any Option shall expire or terminate for any reason without having been fully exercised, the unexercised shares subject thereto shall again be available for the purposes of this Plan.

2.4 Stock Option Agreements.

Each Option granted pursuant to this Plan shall be evidenced by a written stock option agreement (any of which are at times herein referred to as an "Option Agreement" or, collectively, as "Option Agreements").

III. OPTIONS.

3.1 Annual Grant of Nonstatutory Options.

Only Nonstatutory Options may be granted under this Plan. On the first business day following the day of each annual meeting of the stockholders of the Company beginning in 2002, each person who is then a Non-Employee Director shall automatically and without further action by the Board of Directors be granted a Nonstatutory Option to purchase 1,500 shares of Common Stock, subject to adjustment and substitution as set forth in Article IV. If the number of shares then remaining available for the grant of stock options under this Plan is not sufficient for each Non-Employee Director to be granted an Option for 1,500 shares (or the number of adjusted or substituted shares pursuant to Article IV), then each Non-Employee Director shall be granted an Option for a number of whole shares equal to the number of shares then remaining available divided by the number of Non-Employee Directors, disregarding any fractions of shares.

3.2 Option Price.

Except as otherwise provided herein, the purchase price per share of the Common Stock covered by each Option (the "Option Price") shall be one hundred percent (100%) of the Fair Market Value on the date of grant.

2

The Option Price of any share purchased shall be paid in full at the time of each purchase in cash, by check, or, provided that all necessary regulatory approvals have been received and provided further that the Option Agreement provides for such exercise, the person exercising the Option may deliver in payment of all or a portion of the Option Price certificates for other shares of Common Stock that have been held by such person for at least six (6) months (such other shares shall be valued at the Fair Market Value of such Common Stock as of the date of exercise of the Option).

3.3 Option Period.

Except as otherwise provided herein or as otherwise determined by the Board of Directors, each Option and all rights and obligations thereunder shall expire on such date as shall be provided in the Option Agreement, but not later than the tenth anniversary of the date on which the Option is granted and shall be subject to earlier termination as hereinafter provided.

3.4 Exercise of Options.

Each Option shall become exercisable and the total number of shares subject thereto shall be purchasable no sooner than six (6) months from the date of the

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

grant of the Option. If the holder of an Option shall not purchase all of the shares which the holder is entitled to purchase, the holder's right to purchase any shares not so purchased shall continue until the expiration or earlier termination of the holder's Option. No Option shall be exercisable except in respect of whole shares, and fractional share interests shall be disregarded except that they may be accumulated in accordance with the second sentence of this Section 3.4. No fewer than ten (10) shares may be purchased at one time unless the number purchased is the total number at the time available for purchase under the Option. The Board of Directors may impose such conditions or limitations, as shall be specified in the applicable Option Agreement, on the sale or transfer of Common Stock acquired upon exercise of an Option as it may deem necessary or desirable.

An Option shall be deemed to be exercised when the Secretary of the Company receives written notice of such exercise from the person entitled to exercise the Option, together with payment in full of the Option Price made in accordance with Section 3.2 of this Plan and all applicable withholding taxes.

3.5 Nontransferability of Options.

An Option granted under this Plan shall, by its terms, be nontransferable by the grantee other than by will or the laws of descent and distribution, and shall be exercised during the grantee's lifetime only by the grantee or a duly appointed guardian or personal representative.

3.6 Cessation of Service.

(a) Except as provided in Sections 3.7 and 3.8 hereof, if an Option holder ceases to be a Director of the Company because of the Option holder's voluntary resignation prior to the expiration of such Option holder's term of service as a member of the Board of Directors, the Option shall be exercisable only until the date of such resignation, to the extent, and only to the extent, the Option had become exercisable as of the date of such resignation.

(b) Except as provided in Sections 3.7 and 3.8 hereof, if an Option holder ceases to be a Director of the Company on the date of the expiration of such Option holder's term as a member of the Board of Directors or for any other reason other than voluntary resignation prior to the expiration of such Option holder's term as a member of the Board of Directors, the Option holder shall have ninety (90) days, or such other period provided in the Option Agreement, from the date on which such Option holder ceases to be a Director of the Company to exercise his or her Option, to the extent, and only to the extent, the Option had become exercisable prior to the date of such cessation of service.

3

3.7 Permanent Disability of Non-Employee Director.

If an Option holder is no longer a Non-Employee Director as a result of permanent disability (as defined below), the holder shall have twelve (12) months, or such shorter period as is provided in the Option Agreement, from the date of cessation of service to exercise his or her Option. The Option shall expire at the end of such 12-month period (or such shorter period as is provided in the Option Agreement or as provided pursuant to Section 3.3 hereof) to the extent not exercised within that period. As used herein, "permanent disability" shall mean the inability of an Option holder by reason of illness or injury to perform substantially all of his or her duties as a Non-Employee Director during any continued period of one hundred eighty (180) days.

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

3.8 Death of Non-Employee Director.

If an Option holder dies while a Non-Employee Director of the Company or during the periods described in Section 3.6 or 3.7 hereof, the holder's Option shall be exercisable during the twelve-month period, or such shorter period as is provided in the Option Agreement, following the holder's death, by the executor of the holder's will, the administrator of the holder's estate, or as otherwise provided in the Option Agreement, (and not otherwise, regardless of any community property or other interest therein of the spouse of the holder or such spouse's successor in interest), provided that in no event shall the Option be exercised after the period provided for in Section 3.3 hereof. Unless sooner terminated pursuant to the Plan, the Option shall expire at the end of such twelve-month period (or such shorter period as is provided in the Option Agreement or as is provided pursuant to Section 3.3 hereof) to the extent not exercised within that period. In the event that the holder's spouse shall have acquired a community property interest in the Option, the holder, the executor of the holder's will, the administrator of the holder's estate or such other Person as is otherwise provided in the Option Agreement may exercise the option on behalf of the spouse of the holder or such spouse's successor in interest.

IV. OTHER PROVISIONS.

4.1 Adjustments Upon Changes in Capitalization and Ownership.

Subject to Section 4.2 below, if the outstanding shares of Common Stock are increased, decreased or changed into, or exchanged for, a different number or kind of shares or securities of the Company through a reorganization or merger in which the Company is the surviving entity, combination, recapitalization, reclassification, stock split-up, reverse stock split, stock dividend, stock consolidation or otherwise, an appropriate and proportionate adjustment shall be made in the number and kind of shares for which Options may be granted as set forth in Section 2.3 hereof. A corresponding adjustment changing the number or kind of shares and the exercise price per share allocated to unexercised Options or portions thereof, which shall have been granted prior to any such change, shall also be made.

Upon the dissolution or liquidation of the Company, or, subject to Section 4.2 below, upon a reorganization, merger or consolidation of the Company with one or more corporations as a result of which the Company is not the surviving corporation, in which such surviving corporation (or an affiliate), if applicable, does not assume all obligations of the Company under this Plan and substitute for the unexercised Options granted under the Plan options to purchase securities of such surviving corporation having a value substantially equivalent to or greater than the Common Stock issuable upon exercise of such Options and on terms substantially the same as or better than those granted under the Plan, such Options shall become immediately exercisable upon the occurrence of such an event, but in no event may such Options be exercised after the exercise period specified in each individual Option Agreement.

Adjustments under this Section 4.1 shall be made by the Board of Directors or an authorized committee thereof, whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional shares of Common Stock shall be issued under this Plan on account of any such adjustment. If for any reason any person becomes entitled to any interest in a fractional share, a cash payment shall be made of an equivalent value of such interest.

4.2 Change of Control.

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

In the event of a Change of Control during the term of one or more Options, such Options shall, subject to Section 4.1 above, remain outstanding and shall become exercisable by the holder thereof upon the terms and conditions of the Plan and the Option Agreement between such holder and the Company; provided, however, the Board of Directors or an authorized committee thereof may, in its discretion, take one or more of the following actions in connection with a Change of Control:

(a) The Board of Directors or an authorized committee thereof may declare that any or all Options shall terminate as of a date to be fixed by the Board of Directors or such committee and may require that the respective holders thereof surrender all or a portion of their unexercised Options for cancellation by the Company prior to such date and, upon such surrender, such holders shall receive (i) the cash, securities or other consideration they would have received had they exercised such Options immediately prior to such Change of Control and had they disposed of their shares of Common Stock issuable upon such exercise in connection with such Change of Control (subject to required deductions and withholdings), minus (ii) an amount of cash or fair market value of securities or other such consideration equal to the Option Price for such Options surrendered; or

(b) The Board of Directors or an authorized committee thereof may declare that, upon the exercise by a holder of any or all Options after a Change of Control in accordance with the provisions of the Plan, such holder shall be entitled to receive only the cash, securities or other consideration he would have been entitled to receive had he exercised such Options immediately prior to such Change of Control and had he disposed of the Common Stock issuable upon such exercise in connection with such Change of Control; or

(c) The Board of Directors or an authorized committee thereof may declare that any or all Options shall terminate as of a date to be fixed by the Board of Directors or such committee and give the holders thereof the right to exercise their Options prior to such date as to all or any part thereof; or

(d) The Board of Directors or an authorized committee thereof may permit the successor corporation to assume the obligations of the Company under the Plan and to substitute for the unexercised Options granted under the Plan options to purchase securities of such successor corporation having a value substantially equivalent to or greater than the Common Stock issuable upon exercise of such Options and on terms substantially the same as or better than those granted under the Plan, all as determined by the Board of Directors or such committee, whereupon all outstanding Options and all future Options granted under the Plan shall thenceforth become options to purchase such securities of such successor corporation on such terms.

4.3 Government Regulations.

This Plan and the grant and exercise of Options shall be subject to all applicable rules and regulations of governmental authorities.

4.4 Withholding.

The Company may require, as a condition to (1) issuing or delivering to the holder of an Option shares or certificates evidencing the shares upon exercise of the Option or (2) allowing the transfer of shares subsequent to their issuance to the holder of an Option, that the holder of an Option or other person exercising the Option pay any sums that federal, state, or local tax law requires to be withheld with respect to such exercise or transfer. The Company shall not be obligated to advise any holder of an Option of the existence of the tax or the amount which the Company will be so required to withhold.

4.5 Amendment, Termination and Reissuance.

(a) The Board of Directors may at any time suspend, amend or terminate this Plan (or any part thereof) and, with the consent of the holder of an Option, may make such modifications of the terms and conditions of

5

such holder's Option as it shall deem advisable. No Option may be granted during any suspension of this Plan or after such termination. The amendment, suspension or termination of this Plan shall not, without the consent of the holder of an Option, adversely alter or impair any rights or obligations under any Option theretofore granted under this Plan.

(b) In addition to the Board of Directors' approval of any amendment, if the amendment would (i) increase the benefits accruing to participants in this Plan, (ii) increase the aggregate number of shares which may be issued under this Plan or (iii) modify the requirements of eligibility for participation in this Plan, then such amendment shall be approved by the holders of a majority of the Company's outstanding capital stock present, or represented, and entitled to vote at a meeting duly held for the purpose of approving such amendment.

4.6 Privileges of Stock Ownership; Nondistributive Intent.

The holder of an Option shall not be entitled to the privilege of stock ownership as to any shares of Common Stock not actually issued and delivered to him or her. Upon exercise of an Option, unless a registration statement is in effect under the Securities Act of 1933, as amended, relating to the Common Stock issuable upon exercise and there is available for delivery a prospectus meeting the requirements of Section 10(a)(3) of said Act, the Common Stock may be issued to the option holder only if he or she represents and warrants in writing to the Company and its counsel that the shares purchased are being acquired for investment and not with a view to the resale or distribution thereof. No shares shall be issued upon the exercise of any Option unless and until there shall have been full compliance with any then applicable requirements of the Securities and Exchange Commission, or any other regulatory agencies having jurisdiction over this Plan (and of any exchanges upon which stock of the Company may be listed).

4.7 Issuance of Stock Certificates.

Upon exercise of an Option, the person receiving Common Stock shall be entitled to one stock certificate evidencing the shares acquired upon such exercise; provided, however, that any person who tenders Common Stock to the Company in payment of a portion or all of the purchase price of stock purchased upon exercise of an Option, shall be entitled to receive two certificates, one representing a number of shares equal to the number of shares exchanged for the stock acquired upon exercise and another representing the additional shares acquired upon exercise of the Option.

4.8 Effective Date of this Plan.

This Plan shall, subject to its adoption by the Board of Directors and the approval by the Company's stockholders in accordance with applicable law and the Company's Restated Certificate of Incorporation, be effective as of May 29, 2002.

4.9 Expiration.

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

Unless previously terminated by the Board of Directors, this Plan shall expire at the close of business on the date that is ten (10) years and six (6) months from the date specified in Section 4.8, and no Option shall be granted under it thereafter, but such expiration shall not affect any Option theretofore granted.

4.10 Governing Law.

This Plan and the Options issued hereunder shall be governed by, and construed in accordance with, the laws of the State of Delaware applicable to contracts made and performed within such State, except as such laws may be supplanted by the laws of the United States of America, which laws shall then govern its effect and its construction to the extent they supplant Delaware law.
