ITEM 5. OTHER EVENTS.

On July 16, 2004, The PNC Financial Services Group, Inc., a Pennsylvania corporation ( PNC ), and Riggs National Corporation, a Delaware corporation ( Riggs ), entered into an Agreement and Plan of Merger (the Merger Agreement ), under which PNC has agreed to acquire Riggs (the Merger ).

Under the terms of the Merger Agreement, which has been unanimously approved by the Boards of Directors of both companies, Riggs will merge into PNC and Riggs Bank, N.A. will merge into PNC Bank, National Association. The transaction values each share of Riggs common stock at approximately \$24.25 based on PNC 's closing NYSE stock price of \$51.70 on July 14, 2004. Riggs shareholders will be entitled to elect to receive the merger consideration in shares of PNC 's common stock or in cash, subject to proration. The aggregate consideration is composed of a fixed number of approximately 7.5 million shares of PNC 's common stock and \$321 million in cash, subject to adjustment. The actual value of the merger consideration to be paid upon closing will depend on the average stock price of PNC shortly prior to completion of the merger, and the cash and stock components on a per Riggs share basis will be determined at that time based on that average PNC stock price so that each share of Riggs receives consideration representing equal value based on that average price. Riggs stock options, currently with an aggregate in-the-money value of approximately \$66 million, will be cashed out in connection with the closing, if not exercised before that time.

A copy of the Press Release of PNC is attached hereto as Exhibit 99.1 which is incorporated herein by reference.
