[COMPANY LETTERHEAD]

PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

I. GENERAL

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Peoples Financial Corporation (the "Company") of Proxies for the Annual Meeting of Shareholders (the "Annual Meeting") to be held at The Peoples Bank, 152 Lameuse Street, Biloxi, Mississippi, on April 23, 2003, at 7:00 P.M., local time, and any adjournment thereof, for the purposes stated in the foregoing Notice of Annual Meeting of Shareholders.

Shareholders of record of the Company's Common Stock (the "Common Stock"), at the close of business on February 24, 2003, (the "Record Date") are entitled to receive notice of and to vote at the Annual Meeting or any adjournments thereof. On the Record Date, the Company had outstanding 5,568,415 shares. A majority of the outstanding shares constitutes a quorum. Except in the election of directors, each share of Common Stock entitles the holder thereof to one vote on each matter presented at the Annual Meeting for Shareholder approval. Action on a matter is approved if the votes cast in favor of the action exceed the votes

Edgar Filing: PEOPLES FINANCIAL CORP /MS/ - Form DEF 14A

cast opposing the action. Abstentions are counted for purposes of determining a quorum, but are otherwise not counted.

Any person giving a Proxy has the right to revoke it at any time before it is exercised. A shareholder may revoke his Proxy (1) by revoking it in person at the Annual Meeting, (2) by written notification to the Secretary of the Company which is received prior to the exercise of the Proxy, or (3) by a subsequent Proxy presented to the Company prior to the exercise of the Proxy. All properly executed Proxies, if not revoked, will be voted as directed. If the shareholder does not direct to the contrary, the shares will be voted "FOR" the nominees listed thereon and "FOR" each of the proposals described. Solicitation of Proxies will be primarily by mail. Officers, directors, and employees of The Peoples Bank (hereinafter referred to as the "Bank") also may solicit Proxies personally. The Company will reimburse brokers and other persons holding shares in their names, or in the names of nominees, for the expense of transmitting Proxy materials. The cost of soliciting Proxies will be borne by the Company.

The Board of Directors is not aware of any matters other than as set forth herein which are likely to be brought before the meeting. If other matters do come before the meeting, the persons named in the accompanying Proxy or their substitutes will vote the shares represented by such Proxies in accordance with the recommendations of the Board of Directors of the Company.

II. ELECTION OF DIRECTORS

The following nominees have been proposed by the Board of Directors for election at the Annual Meeting. The shares represented by properly executed Proxies will, unless authority to vote is withheld, be voted in favor of these persons. In the election of directors, each shareholder may vote his shares cumulatively by multiplying the number of shares he is entitled to vote by the number of directors to be elected. This product shall be the number of votes the shareholder may cast for one nominee or by distributing this number of votes among any number of nominees. If a shareholder withholds authority for one or more nominees and does not direct otherwise, the total number of votes that the shareholder is entitled to cast will be distributed equally among the remaining nominees. Should any of these nominees be unable to accept the nomination, the shares will be voted for such other persons as the Board of Directors shall nominate. Each director is elected to hold office until the next annual meeting of shareholders and until his successor is elected and qualified. Shareholders may make nominations at the meeting. The persons who will be elected to the Board of Directors will be the five nominees receiving the largest number of votes.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Bank determines the salaries and bonuses of the executive officers.

In establishing the salary of the Chief Executive Officer for 2002, the Committee primarily considered Mr. Swetman's performance and the performance of the Company during 2001 and the compensation levels of chief executive officers of comparable financial institutions. In considering the performance of the Company, the Committee considered the Company's return on average assets and asset growth, but utilized no objective criteria. The Committee utilized asset size peer group compensation data as provided by the Mississippi Bankers Association (MBA) and the Bank Administration Institute (BAI).

For 2002, Mr. Swetman was eligible to receive a bonus of up to 30 percent of his salary if the Company achieved specified return on average asset goals. In establishing Mr. Swetman's bonus for 2002, the Committee also considered the Company's return on average assets and asset growth during the year, branch development, market penetration and other accomplishments; however, no objective criteria were established.

For other executive officers, the Committee's recommendation concerning salaries was based upon the compensation levels of executive officers of comparable financial institutions, the performance of the Company during 2001 and the individual performance of these officers. The performance of the Company for purposes of establishing salaries was evaluated based on return on average assets. Individual performance was measured using criteria such as level of job responsibility, achievement of work goals and management skills. The Committee also considered asset size peer group compensation data as provided by the MBA and BAI for executive officers with similar duties and responsibilities.

The executive officers' bonuses for 2002 were based on the Company's performance and the performance of these individuals. The Company's performance was measured by the Company's return on average assets, and each executive officer was eligible to receive a bonus of a specified percentage of the officer's salary if the Company achieved prescribed return on asset goals. Individual performance was measured using the criteria described above in establishing salaries.

Messrs. Swetman and Carpenter abstain from discussions and decisions regarding their own compensation.

This report is presented by the Compensation Committee, consisting of the

following persons:

Drew Allen, Chairman

PERFORMANCE GRAPH

The following graph compares the Company's annual percentage change in cumulative total shareholder return on common shares over the last five years with the cumulative total return of a broad equity market index of companies, the NASDAQ Market Index, and a peer group consisting of the Media General Financial Services Industry Group 413- Regional Southeast Banks. The performance of the Company's stock is calculated using the same formula used by Media General in its computation. The market price utilized in this computation is an aggregate of the trading prices known by the transfer agent for each reporting period.

This presentation assumes that \$100 was invested in shares of the relevant issuers on January 1, 1997, and that dividends received were immediately invested in additional shares. independent auditors required by Independence Standards Board, Standard No. 1. The Audit Committee has considered whether the independent auditors' provision of non-audit services is compatible with maintaining the auditors' independence.

The Audit Committee anticipates that it will in 2003 recommend to the Board of Directors a new charter for the Audit Committee, which will meet the new requirements of the Sarbanes-Oxley Act of 2002, and new rules expected to be promulgated by the Securities and Exchange Commission.

Based upon the reviews and discussions with management and the independent auditors as referenced above, the Audit Committee has recommended to the Board of Directors that the financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2002 for filing with the Securities and Exchange Commission.
