**Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review**

On August 8, 2006, the Audit Committee of the Board of Directors of the Company concluded that the Company's previously issued financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 and the unaudited consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q for the first three quarters of 2005 and for the first quarter of 2006 should no longer be relied upon. The Company intends to restate its financial statements for each of the three years in the period ended December 31, 2005, the three and nine months ended September 30, 2005 and 2004, and the three months ended March 31, 2006 and 2005 in amendments to its Annual Report on Form 10-K for the year ended December 31, 2005, its Quarterly Report on Form 10-Q for the quarter ended September 30, 2005 and its Quarterly Report on Form 10-Q for the quarter ended March 31, 2006, respectively. The Company has also restated its financial statements for the three and six months ended June 30, 2005 in its Quarterly Report on Form 10-Q for the quarter ended June 30, 2006. The restatement corrects errors related to (1) the miscalculation of the Company's actuarially determined pension benefit obligation, (2) the accounting for certain leases related to funeral home properties, which were previously accounted for as operating leases, but should have been accounted for as capital leases, and (3) other out-of-period adjustments previously identified by the Company but deemed to be not material either individually or in the aggregate. Management has concluded that the effect of the above adjustments on the Company's previously issued financial statements, related to the correction of these errors, is not material to any of the prior periods described above; however, the aggregate impact of these adjustments is material to the Company's second quarter 2006 financial statements and, therefore, requires restatement of the previously issued financial statements. The Audit Committee of the Board of Directors has discussed with the Company's independent registered public accounting firm, PricewaterhouseCoopers LLP, the matters described above.
