On October 12, 2006, Reliance Steel & Aluminum Co. (the Company) announced that, pursuant to an Offer to Purchase and Consent Solicitation Statement dated October 12, 2006, Earle M. Jorgensen Company (EMJ), a wholly-owned subsidiary of the Company, commenced a tender offer to purchase for cash any and all of its outstanding 9³/₄% Senior Secured Notes due 2012 (CUSIP No. 480829AE0) (Notes) and a related consent solicitation to amend the Indenture dated May 22, 2002 with respect to the Notes and certain other agreements relating to the Notes. The amendments to the Indenture and other agreements would eliminate substantially all of the restrictive covenants contained in the Indenture and the Notes (other than the covenants related to asset sales and change of control offers), certain events of default and the security interest that holders of the Notes have in EMJ's assets. The amendments must be approved by holders of more than a majority of the outstanding principal balance of the Notes in order to become effective, and holders may not consent to the amendments without tendering their Notes. Notes in the aggregate principal amount of \$249,995,000 are outstanding. The Company expects to enter into a new syndicated credit facility in the amount of approximately \$1 billion to fund the purchase of all or a portion of any tendered Notes that are accepted for repurchase by EMJ.

A copy of the Company's press release dated October 12, 2006 is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein by reference. The foregoing description and the description in the press release are qualified in their entirety by reference to the full text of the Offer to Purchase and Consent Solicitation Statement, which is attached as Exhibit 99.2 and incorporated herein by reference.
