Item 8.01 Other Events.

Effective February 1, 2007, Reliance Steel & Aluminum Co. (the Company) completed its previously disclosed acquisition of the net assets and business of the Encore Group of metals service center companies (Encore Metals, Encore Metals (USA), Inc., Encore Coils, and Team Tube in Canada) headquartered in Edmonton, Alberta, Canada. Encore was organized in 2004 in connection with the buyout by management and a private equity fund managed by HSBC Capital (Canada) Inc. of certain former Corus CIC and Corus America businesses. Encore specializes in the processing and distribution of alloy and carbon bar and tube, as well as stainless steel sheet, plate and bar and carbon steel flat-rolled products, through its 17 facilities located mainly in Western Canada. Encore's net sales for the twelve months ended December 31, 2006 were approximately C\$259 million. The Company acquired the Encore Group assets through RSAC Canada Limited, the Company's wholly owned Canadian subsidiary, and RSAC Canada (Tube) ULC, a subsidiary of RSAC Canada Limited. Current management will remain in place. The cash transaction will be immediately accretive to the Company's earnings. Terms were not disclosed.

Prior to the closing of the acquisition, neither the sellers nor any of the officers or directors of the Encore Group were affiliated with or related to the Company in any way. The purchase price was determined by negotiations between the Company on the one hand, and the sellers on the other. To fund the purchase price and the repayment of debt, the Company drew on its syndicated bank revolving line of credit established November 9, 2006 with Bank of America, N.A. as administrative agent, and 15 banks as lenders.

A copy of the press release related to this transaction is attached as Exhibit 99.1.
