-

**Item 8.01 Other Events.**

On June 20, 2007 Reliance Steel & Aluminum Co. (the Company ) announced that it has reached an agreement to acquire the outstanding capital stock of Clayton Metals, Inc., an Illinois corporation headquartered in Wood Dale, Illinois. Clayton Metals was founded in 1976 and specializes primarily in the processing and distribution of aluminum, stainless steel and red metal flat-rolled products, custom extrusions and aluminum circles through its metals service center locations in Wood Dale, Illinois; Cerritos, California; High Point, North Carolina; and Parsippany, New Jersey. Clayton Metals net sales for the twelve months ended December 31, 2006 were about \$123 million. The Company expects to acquire Clayton Metals through RSAC Management Corp., the Company's wholly-owned subsidiary. Current management is expected to remain in place. The transaction is expected to be finalized within the next 30 days, subject to the completion of due diligence. Terms were not disclosed.

The Seller is not and none of the officers and directors of Clayton Metals is affiliated with or related to the Company in any way. The purchase price was determined by negotiations between the Company, on the one hand, and the Seller, on the other. To fund the purchase price and the repayment of debt, the Company intends to draw on its syndicated bank revolving line of credit established November 9, 2006 with Bank of America, N.A. as administrative agent, and 15 banks as lenders. The Seller and/or officers or directors of Clayton Metals, through various other entities, own certain of the real property on which facilities of Clayton Metals are located.

A copy of the press release related to the transaction is attached as an exhibit.
