Item 8.01 Other Events.

On October 26, 2007, Sterling Financial Corporation (Sterling) announced that it appears unlikely that the pending merger between Sterling and North Valley Bancorp (North Valley) will be completed during the fourth quarter of 2007. Sterling has revised its expectation for regulatory approval of the merger based upon recent conversations between Sterling and the Federal Deposit Insurance Corporation (the FDIC). Sterling has been asked by the FDIC to strengthen its internal regulatory compliance program to ensure that Sterling s infrastructure is keeping pace with its growth rate. The FDIC has also informed Sterling that, at this time, it cannot advise Sterling when or if the pending application to merge Sterling Savings Bank with North Valley Bank will be approved.

Sterling and North Valley are currently in discussions regarding an amendment to the Agreement and Plan of Merger dated April 10, 2007 by and between Sterling and North Valley (the Merger Agreement) to extend the date after which either party may terminate the Merger Agreement if the merger has not been consummated, which is currently November 30, 2007; however, no agreement to amend the Merger Agreement has yet been reached.
