**ITEM 7.01. Regulation FD Disclosure.**

On June 25, 2008, Service Corporation International (NYSE: SCI - SCI ) sent a letter to the Board of Directors of Stewart Enterprises, Inc. (NASDAQ: STEI Stewart ) making a proposal to acquire all of the outstanding shares of Stewart for cash resulting in a substantial premium to the Stewart stockholders. That letter is attached as Exhibit 99.1. On July 8, 2008, SCI received Stewart s response to its letter rejecting the proposal as inadequate. That letter is attached as Exhibit 99.2.

SCI believes there is a compelling business case for a combination of the two companies and that the combination would result in delivering increased value to the stockholders of both companies, enhancing the value and services for customers and providing greater opportunities for the talented, hardworking employees of both companies. Although SCI continues to believe a combination with Stewart would benefit both companies and their respective stakeholders, SCI believes that a combination can only be effected on a negotiated basis under the current circumstances and, accordingly, intends to honor the decision of the Board of Directors of Stewart.

SCI continues to have significant opportunities in the industry to invest its capital and provide continued growth and increased value for its stockholders, customers and employees. SCI will continue its vigorous pursuit of those opportunities, including initiatives to tailor its services to specific customer preferences, further improve operating discipline and efficiencies, and pursue internal and external business expansion.
