Item 1.01 Entry into a Material Definitive Agreement

On April 15, 2009, Holly Refining & Marketing-Midcon, L.L.C. (the *Buyer*), a wholly-owned subsidiary of Holly Corporation (*Holly*), and Sunoco, Inc. (R&M) (the *Seller*), entered into a definitive asset sale and purchase agreement (the *Purchase Agreement*) for the Buyer to purchase from the Seller certain refining and related assets for a purchase price of approximately \$65 million to be paid at closing. Additionally, the Buyer will also purchase from the Seller crude oil, refined product and other inventories which will be valued at market prices at closing and paid within 30 days following closing. The refining and related assets consist primarily of a petroleum refinery located in Tulsa, Oklahoma, including associated real property and logistics assets. The Purchase Agreement contains several conditions to closing, including, among others: (i) expiration of the waiting period or any extensions thereof required by the Hart-Scott-Rodino Antitrust Improvements Act of 1976, or early termination of such waiting period granted by the FTC and DOJ, (ii) Seller's filing of a global Clean Air Act consent decree modification in accordance with the Purchase Agreement; and (iii) Seller's receipt of a hardship waiver from the EPA waiving noncompliance with the EPA's sulfur standards for certain refined petroleum products.

The foregoing description of the transaction does not purport to be a complete statement of the parties' rights and obligations under the relevant agreements and is qualified in its entirety by the full text of the Purchase Agreement, a copy of which is attached hereto as Exhibit 2.1 and incorporated herein by reference.
