**Item 1.01 Entry into Material Definitive Agreement**

On January 4, 2005, Akamai Technologies, Inc. ( Akamai ) entered into an employment agreement (the Agreement ) with Paul Sagan who will become its President and Chief Executive Officer effective as of April 1, 2005 (see Item 5.02 below). Under the Agreement, Mr. Sagan is entitled to an annual salary of \$400,000 effective as of January 4, 2005 and is to receive a grant of options to purchase 250,000 shares of Akamai common stock at an exercise price equal to the fair market value of Akamai s common stock on January 4, 2005. The options vest according to the following schedule: 25% on January 4, 2006 with the remaining 75% vesting in equal installments of 6.25% each quarter thereafter. If the Akamai Board of Directors approves a senior executive bonus plan for fiscal year 2005, Mr. Sagan will be eligible for an annual incentive bonus award of up to 100% of his annualized base salary based on achievement of specified individual and corporate performance goals. Mr. Sagan will also be eligible to participate in any long-term incentive plan for senior executives that the Akamai Board of Directors may adopt in 2005. If such a plan is not adopted, or if it does not include the Chief Executive Officer, then the Compensation Committee of the Akamai Board of Directors will consider an additional stock option grant to Mr. Sagan of an additional 250,000 shares of Akamai common stock at a purchase price equal to the fair market value on the date of such grant. If Mr. Sagan terminates his employment under certain circumstances following a change in control of Akamai, vesting of a portion of his options shall accelerate and he shall be entitled to lump sum cash payments equal to: two (2) years of his then-current base salary and an award equal to two (2) times his then-applicable annual incentive bonus at target (defined as fifty percent (50%) of his then-current annual base salary). If Mr. Sagan is involuntarily terminated for any reason other than cause, he shall be entitled to lump sum cash payments equal to: one year of his then-current base salary; an amount equal to 12 times the monthly premium for continued health and dental insurance coverage paid by Akamai on his behalf in the month preceding termination; and an award of his then-applicable annual incentive bonus at target. In addition, if Mr. Sagan is involuntarily terminated in 2005 for any reason other than cause, Akamai will accelerate the number of shares which will be deemed vested as though the grant date of his options was the date eighteen (18) months prior to the grant date; if he is so terminated in 2006, Akamai will accelerate the number of shares which will be deemed vested as though the grant date of his options was the date twelve (12) months prior to the Grant Date; and if he is so terminated in 2007, Akamai will accelerate the number of shares which will be deemed vested as though the grant date of his options was the date six (6) months prior to the grant date.
