PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON APRIL 29, 2008

This proxy statement and the enclosed form of proxy are furnished in connection with solicitation of proxies by our board directors for use at an annual meeting of stockholders to be held on Tuesday, April 29, 2008, and any postponements or adjournments.

On or about April 8, 2008, this proxy statement and the accompanying form of proxy are being mailed to each stockholder of record at the close of business on April 4, 2008.

The information provided in the “question and answer” format below is for your convenience only. You should read this entire proxy statement carefully.

What matters am I voting on?

You will be voting on:

election of two Class A directors to serve for the ensuing three-year period until their successors are elected and qualified; and

- the
- any other business

that may properly come before the meeting.

Who is entitled to vote?

Holders of our common stock as of the close of business on April 4, 2008, the record date, are entitled to vote at the meeting. As of the record date, we had issued and outstanding 14,623,445 shares of common stock, our only class of voting securities outstanding. Each holder of our common stock is entitled to one vote for each share held on the record date.

What is the effect of giving a proxy?

Proxies in the form enclosed are solicited by and on behalf of our board. The persons named in the proxy have been designated as proxies by our board. If you sign and return the proxy in accordance with the procedures set forth in this proxy statement, the persons designated as proxies by the board will vote your shares at the meeting as specified in your proxy.

If you sign and return your proxy in accordance with the procedures set forth in this proxy statement but you do not provide any instructions as to how your shares should be voted, your shares will be voted “FOR” the election of the nominees listed below under Proposal I.

If you give your proxy, your shares also will be voted in the discretion of the proxies named on the proxy card with respect to any other matters properly brought before the meeting.

Can I change my vote after I return my proxy card?

You may revoke your proxy at any time before it is exercised by:

written notification of your revocation to our secretary;
the meeting; or
proxy bearing a later date.

- delivering
- voting in person at
- delivering another

Please note that your attendance at the meeting will not alone serve to revoke your proxy.

What is a quorum?

A quorum is the minimum number of shares required to be present at the meeting for the meeting to be properly held under our by-laws and Delaware law. The presence, in person or by proxy, of a majority of all outstanding shares of common stock entitled to vote at the meeting will constitute a quorum at the meeting. A proxy submitted by a stockholder may indicate that all or a portion of the shares represented by the proxy are not being voted (“stockholder withholding”) with respect to a particular matter. Similarly, a broker may not be permitted to vote stock (“broker non-vote”) held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. The shares subject to a proxy which are not being voted on a particular matter because of either stockholder withholding or broker non-vote will not be considered shares present and entitled to vote on that matter. These shares, however, may be considered present and entitled to vote on other matters and will count for purposes of determining the presence of a quorum if the shares are being voted with respect to any matter at the meeting. If the proxy indicates that the shares are not being voted on any matter at the meeting, the shares will not be counted for purposes of determining the presence of a quorum. Abstentions are voted neither “FOR” nor “AGAINST” a matter but are counted in the determination of a quorum.

How may I vote?

You may vote your shares by mail. Date, sign and return the accompanying proxy in the envelope enclosed for that purpose (to which no postage need be affixed if mailed in the United States). You may specify your choices by marking the appropriate boxes on the proxy card. If you attend the meeting, you may deliver your completed proxy card in person or fill out and return a ballot that will be supplied to you. If you hold your shares through a broker, you may also vote your shares by phone or internet. To do so, follow the instructions included with your proxy.

How many votes are needed for approval of each matter?

The election of directors requires a plurality vote of the shares of common stock voted at the meeting. “Plurality” means that the individuals who receive the largest number of votes cast “FOR” are elected as directors. Consequently, any shares not voted “FOR” a particular nominee (whether as a result of a direction of the securities holder to withhold authority, abstentions or a broker non-vote) will not be counted in such nominee’s favor.

The term of office of the third class of directors (Class C), consisting of Peter R. Haje and John Erickson, will expire at our annual meeting in 2010.

Unless authority is withheld, the proxies solicited by the board of directors will be voted "FOR" the re-election of each of Eugene M. Carr and Robert H. Bloom. Independence of Directors

As a result of our securities being listed on the American Stock Exchange, we adhere to the rules of that exchange in determining whether a director is independent. Our board of directors also consults with our counsel to ensure that the board's determinations are consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors. The American Stock Exchange listing standards define an "independent director" generally as a person, other than an officer of a company, who does not have a relationship with the company that would interfere with the director's exercise of independent judgment. The exchange requires that a majority of the board of directors of a company be independent, as determined by the board. Consistent with these considerations, our board of directors has affirmatively determined that Messrs. Leibowitz, Haje, Bloom and Erickson are independent directors. We currently have a majority of independent directors.

Prior to the Acquisition, our board of directors consisted of Darren M. Sardoff and Messrs. Goldstein, Greenwald, Leibowitz and Haje. Consistent with the considerations set forth in the paragraph above, our board of directors affirmatively determined that Messrs. Leibowitz, Haje and Sardoff were independent directors during that time. We had a majority of independent directors during that time.

Board and Committee Information

During the fiscal year ended December 30, 2007, our board of directors met nine times. Although we do not have any formal policy regarding director attendance at annual stockholder meetings, we attempt to schedule our annual meetings so that all of our directors can attend in person or by telephone conference. In addition, we expect our directors to attend all board and committee meetings and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. We have standing nominating, compensation and audit committees of the board of directors. During the fiscal year ended December 30, 2007, each of our directors attended at least 75% of the aggregate of (i) the number of meetings of the board held during the period he served as a director and (ii) the number of meetings of committees on which he served.

Audit Committee Information and Report

Our audit committee consists of Messrs. Erickson, Haje and Leibowitz, each an independent director under the American Stock Exchange rules, with Mr. Erickson serving as its chairman. Prior to the Acquisition, our audit

committee consisted of Messrs. Leibowitz, Haje and Sardoff, each an independent director under the American Stock Exchange rules. During the fiscal year ended December 30, 2007, our audit committee met nine times. The audit committee's duties, which are specified in our Audit Committee Charter, include, but are not limited to:

8

- reviewing and discussing with management and the independent auditor the annual audited financial statements, and recommend to the board whether the audited financial statements should be included in our annual report on Form 10-K;
- discussing with management and the independent auditor significant financial reporting issues and judgments made in connection with the preparation of our financial statements;
- discussing with management and the independent auditor the effect on our financial statements of (i) regulatory and accounting initiatives and (ii) off-balance sheet structures;
- discussing with management major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies;
- reviewing disclosures made to the audit committee by our chief executive officer and chief financial officer during their certification process for our annual report on Form 10-K and quarterly reports on Form 10-Q about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in our internal controls;
- verifying the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law;
- reviewing and approving all related-party transactions;
- inquiring and discussing with management our compliance with applicable laws and regulations;
- pre-approving all audit services and permitted non-audit services to be performed by our independent auditor, including the fees and terms of the services to be performed;
- appointing or replacing the independent auditor;
- determining the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work; and
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or reports which raise material issues regarding our financial statements or accounting policies.

The Audit Committee Charter is available on our website at www.americancommunitynewspapers.com.

Financial Expert on Audit Committee

The audit committee will at all times be composed exclusively of “independent directors” who are “financially literate” as defined under the American Stock Exchange rules. The American Stock Exchange rules define “financially literate” as being able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement.

In addition, we must certify to the American Stock Exchange that the committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual’s financial sophistication. Our

board has determined that Mr. Erickson satisfies the American Stock Exchange's definition of financial sophistication and also qualifies as an "audit committee financial expert," as defined under the rules and regulations of the Securities and Exchange Commission.

Audit Committee Report

Our audit committee has met and held discussions with management and Grant Thornton LLP, our independent auditors. Management represented to the committee that our consolidated financial

9

statements were prepared in accordance with generally accepted accounting principles, and the committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). Our independent auditors also provided the audit committee with the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and the committee discussed with the independent auditors and management the auditors' independence, including with regard to fees for services rendered during the fiscal year and for all other professional services rendered by our independent auditors. Based upon the committee's discussion with management and the independent auditors and the committee's review of the representations of management and the report of the independent auditors to the audit committee, the committee recommended that the board of directors include the audited consolidated financial statements in our annual report on Form 10-K for the fiscal year ended December 30, 2007.

Notwithstanding anything to the contrary set forth in our previous filings under the Securities Act or the Exchange Act that might incorporate future filings made by us under those statutes, this section entitled "Audit Committee Information and Report" will not be incorporated by reference in any of those prior filings or any future filings by us.

Nominations Committee Information

Our nominations committee consists of Messrs. Leibowitz, Haje and Erickson, each an independent director under American Stock Exchange rules, with Mr. Leibowitz serving as chairman. Prior to the Acquisition, our nominations committee consisted of Messrs. Leibowitz, Haje and Sardoff, each an independent director under the American Stock Exchange rules. During the fiscal year ended December 30, 2007, our nominations committee did not meet. The nominations committee is responsible for overseeing the selection of persons to be nominated to serve on our board of directors. The nominations committee considers persons identified by its members, management, stockholders, investment bankers and others.

Guidelines for Selecting Director Nominees

The guidelines for selecting nominees, which are specified in the Nominations Committee Charter, generally provide that persons to be nominated should be actively engaged in business endeavors, have an understanding of financial statements, corporate budgeting and capital structure, be familiar with the requirements of a publicly traded company, be familiar with industries relevant to our business endeavors, be willing to devote significant time to the oversight duties of the board of directors of a public company, and be able to promote a diversity of views based on the person's education, experience and professional employment. The nominations committee evaluates each individual in the context of the board as a whole, with the objective of recommending a group of persons that can best implement our business plan, perpetuate our business and represent stockholder interests. The nominations committee may require certain skills or attributes, such as financial or accounting experience, to meet specific board needs that arise from time to time. The nominations committee does not distinguish among nominees recommended by stockholders and other persons. Stockholder nominations should be received no later than 30 days after the end of the fiscal year in order to provide sufficient time to evaluate the candidate. Further information regarding stockholder nominations can be found in the section entitled, "Other Information — 2009 Annual Meeting Stockholder Proposals and Nominations."

The Nominations Committee Charter is available on our website at www.americancommunitynewspapers.com.

Compensation Committee Information

Our compensation committee was established upon consummation of the Acquisition and consists of Messrs. Haje, Leibowitz and Bloom, with Mr. Haje serving as chairman. Each of Messrs. Haje, Leibowitz and Bloom is a non-employee director and is independent pursuant to American Stock Exchange rules. During the fiscal year ended December 30, 2007, our compensation committee met four times. The purpose of our compensation committee, which does not have a charter, is to review and approve compensation paid to certain of our senior managers and to all our executive officers and directors and to administer our incentive compensation plans, including authority to make and modify awards under such plans. At present, our only incentive compensation plan is our 2007 Long-Term Incentive Equity Plan.

Our compensation committee generally meets on a quarterly basis to consider compensation trends and best practices in compensation policies and their applicability to us. The compensation committee meets late each year as part of the following year budget approval process, or early in the following year, to determine compensation (including base salary, bonus targets, bonus goals and long-term incentive awards) for the executive officers and certain other senior managers, beginning its work with recommendations on all these items received from Mr. Carr and within the context of any applicable employment agreements. At the end of each fiscal year, Mr. Carr also recommends to the compensation committee the amount of the bonuses to be paid to such senior managers and the executive officers for the prior fiscal year, excluding himself, based on his evaluation of the extent to which each such individual has attained the bonus goals and targets. The compensation committee then meets to determine the bonus award for the prior fiscal year for Mr. Carr, the other executive officers and such senior managers. The compensation committee retains discretion to pay bonuses or other incentive compensation to executive officers or such other members of senior management even if bonus goals and targets are not attained.

The compensation committee has not to date engaged outside compensation consultants, but does analyze general market trends in executive compensation and compares the compensation of our senior management, including the named executive officers, to publicly-reported compensation paid by other newspaper and media companies.

(3) Represents amounts from July 2, 2007, the closing date of Acquisition. (4) Amounts shown in this column reflect the dollar amount recognized for financial statement reporting purposes for stock options awarded in 2007, as determined in accordance with FAS 123(R), other than disregarding any estimates of forfeitures relating to service-based vesting conditions. Assumptions used in the calculation of these amounts are included in footnote 15 to our audited financials contained in our Form 10-K for the year ended December 30, 2007. Mr. Wilson will forfeit his options pursuant to its terms upon the termination of his employment with us. (5) Amounts in this column include: (i) payments for health, dental and life insurance and long-term disability plans, which payments are not generally available for all salaried employees (Mr. Carr – \$5,572 and Mr. Wilson – \$4,132); (ii) monthly automobile allowance (\$6,000 each for Messrs. Carr and Wilson); and matching contributions made to our 401(k) plan (Mr. Carr – \$1,661 and Mr. Wilson – \$1,523).

Commencing on June 30, 2005 and ending on July 2, 2007, we paid Alpine Capital LLC (“Alpine Capital”), an affiliate of Messrs. Goldstein, Greenwald, Gregg Mayer (at the time, our vice president, secretary and controller) and Oded Aboodi (at the time, our special advisor), a fee of \$7,500 per month for providing us with office space and certain office and secretarial services. On July 2, 2007, Messrs. Goldstein, Greenwald and Mayer resigned as chairman and chief executive officer, president and vice president and controller, respectively. This arrangement was solely for our benefit and was not intended to provide Messrs. Goldstein, Greenwald, Mayer and Aboodi compensation in lieu of a salary. No compensation of any kind, including finders and consulting fees, was paid to any of our executive officers or any of their respective affiliates prior to July 2, 2007, including the fiscal year ended December 31, 2006.

On January 24, 2007, we entered into an employment agreement with Mr. Carr, which became effective at the closing of the Acquisition on July 2, 2007. The employment agreement provides for him to be employed as our chairman of the board and chief executive officer (and for him to hold the same positions with our operating subsidiary) at an annual salary of \$295,000. The employment agreement also provides for him to be eligible to receive an annual bonus targeted at half of his annual salary. In accordance with the employment agreement, Mr. Carr was granted an option to purchase 544,500 shares of our common stock pursuant to our 2007 Long-Term Incentive Equity Plan upon the closing of the Acquisition. We granted such option on July 2, 2007. The option is exercisable for a period of ten years from such date at \$5.30 per share and vests in eight equal semi-annual installments over the term of Mr. Carr’s employment.

We established bonus guidelines for Mr. Carr for 2007, which were as follows: Mr. Carr’s targeted 2007 bonus was \$147,500 (pro rated for the period since the Acquisition) and his key objectives required him to achieve 100% of the 2007 consolidated financial budget, continue to implement the acquisition strategy, hire and train a new human resource sales recruiting manager and jointly develop with the New Media Business Development Manager the next phase of the internet and new media strategy. The financial aspects of such bonus guidelines, as established prior to the acquisition of CM Media, Inc. by our Predecessor, were adjusted to account for such acquisition. Each specified task was assigned a date by which it was to be accomplished and a portion of the total targeted bonus that would be earned if the task was achieved in a timely manner. While certain of Mr. Carr’s post-Acquisition 2007 bonus targets were achieved, and the compensation committee was prepared to approve a discretionary award, Mr. Carr declined any post-Acquisition bonus for 2007. In lieu of a cash bonus, on December 20, 2007, we granted to Mr. Carr a ten year option to purchase 77,500 shares of our common stock under our 2007 Long-Term Incentive Equity Plan. The option is exercisable at \$2.50 per share and vests in eight equal, semi-annual installments commencing six months after the date of grant.

Mr. Carr’s targeted 2008 bonus is \$147,500 and his key objectives require him to achieve 100% of the 2008 consolidated financial budget, continue to implement the acquisition strategy, develop an ongoing investor relations program and conduct investor meetings, hire and train a new group publisher for our Minnesota newspaper group, jointly develop with the New Media Business

Development Manager the next phase of the internet and new media strategy and implement the companywide disruptive innovation and one week at a time strategies.

The term of Mr. Carr's employment is four years from the date of the closing of the Acquisition, unless sooner terminated because of his death or disability or by us for "cause" (as defined in the agreement) or by Mr. Carr for "good reason" (as defined in the agreement). We may also terminate his employment "without cause." If employment is terminated by him for good reason or by us without cause, he will be entitled to continue to be paid, as a severance payment, his salary and targeted bonus for the remainder of the then-current term of the agreement, subject to termination of such payment if he breaches the non-competition, inventions or confidentiality provisions of the agreement.

On January 24, 2007, we also entered into an employment agreement with Mr. Wilson, which became effective at the closing of the Acquisition on July 2, 2007. On April 3, 2008, however, Mr. Wilson tendered his resignation, which will become effective on April 30, 2008. The employment agreement with Mr. Wilson provides for him to be employed as our chief financial officer (and for him to hold the same position with our operating subsidiary) at an annual salary of \$235,000. It also provides for him to be eligible to receive an annual bonus target at half of his annual salary. In accordance with the employment agreement, Mr. Wilson was granted an option to purchase 330,000 shares of our common stock pursuant to our 2007 Long-Term Incentive Equity Plan upon the closing of the Acquisition. We granted such option on July 2, 2007, subject to the same terms as the option granted to Mr. Carr. Under the terms of our 2007 Long-Term Incentive Equity Plan, Mr. Wilson will forfeit the option upon the termination of his employment with us.

We established bonus guidelines for Mr. Wilson for 2007, which were as follows: Mr. Wilson's targeted 2007 bonus was \$117,500 (pro rated for the period since the Acquisition) and his key objectives required him to achieve 100% of the 2007 consolidated financial budget, assist the chief executive officer in acquisition planning, reduce company-wide days sales outstanding and align compensation to achieve desired results. The financial aspects of such bonus guidelines, as established prior to the acquisition of CM Media, Inc. by our Predecessor, were adjusted to account for such acquisition. Each specified task was assigned a date by which it was to be accomplished and a portion of the total targeted bonus that would be earned if the task was achieved in a timely manner. While certain of Mr. Wilson's post-Acquisition 2007 bonus targets were achieved, and the compensation committee was prepared to approve a discretionary award, Mr. Wilson declined any post-Acquisition bonus for 2007. In lieu of a cash bonus, on December 20, 2007, we granted to Mr. Wilson a ten year option to purchase 46,500 shares of common stock. The option has the same terms as the option granted to Mr. Carr and was granted under our 2007 Long-Term Incentive Equity Plan. Under terms of our 2007 Long-Term Incentive Equity Plan, Mr. Wilson will forfeit his option upon the termination of his employment with us.

Each employment agreement provides the executive with premium-paid health, hospitalization, disability, dental, life and other insurance as we may have in effect from time to time, together with term life and enhanced long-term disability insurance. Each executive is entitled to reimbursement for all business travel and other out-of-pocket expenses reasonably incurred in the performance of his services. Each executive is also entitled to participate in all other company-wide benefit plans, as they may be made available, to receive 5 weeks of paid vacation per calendar year and to an automobile allowance of \$1,000 per month. Mr. Wilson's right to the aforementioned benefits will terminate upon the termination of his employment with us.

Each employment agreement provides that, during the period of his employment and for a period of one year if the executive's employment is terminated by us for cause or as a result of his disability or for the period that he is entitled to receive severance if his employment is terminated by him for good reason or by us without cause, the executive may not (i) engage in any newspaper publishing business within 75 miles of any market in which we do business in,

or intend to do business in, at the time of termination, (ii) solicit any person who is an employee of ours or was an employee in the preceding 12 months for the purpose of hiring such person (unless such person was terminated by us more than six months prior thereto), (iii) call upon any person who then is or was within the

13

preceding year a customer of ours for the purpose of selling such person services or products competitive to ours or (iv) call upon any prospective acquisition or investment candidate known by the executive to have, with the preceding 12 months, been called upon by us or for which we made an acquisition or investment analysis or contemplated a joint marketing or joint venture arrangement with, for the purpose of acquiring or investing or enticing such entity into joint marketing or joint venture arrangement. The agreements also provide that the executive shall disclose and assign to us all conceptions and ideas for inventions and the like that are conceived by the executive, jointly or with another, during the period of employment that are directly related to our business or activities and that are conceived as a result of his employment. Each executive is also required to maintain the confidentiality of our “Confidential Information” (as defined in the agreements).

Director Compensation

reflect the dollar amount recognized for financial statement reporting purposes for stock options awarded in 2007, as determined in accordance with FAS 123(R), other than disregarding any estimates of forfeitures relating to service-based vesting conditions. Assumptions used in the calculation of these amounts are included in footnote 15 to our audited financials contained in our annual report on Form 10-K for the year ended December 30, 2007.

Employees of ours who serve on the board of directors do not receive any cash compensation for their service as members of the board of directors. Our non-employee directors (other than Messrs. Goldstein and Greenwald) each receive an annual cash fee of \$25,000 and an additional \$1,000 fee for each board and committee meeting that they attend in person or by telephonic participation (\$500 for each meeting attended by telephonic participation if the duration of such meeting is less than one hour). In addition, the chair of our audit committee receives an additional \$15,000 for the chair's service and the chairs of our compensation and nominations committees each receive an additional \$5,000 for the chair's services. All cash payments to directors will be made quarterly in arrears. Our non-employee directors (other than Messrs. Goldstein and Greenwald) will also receive options to acquire 10,000 shares of our common stock to be granted upon the first business day following election or appointment, which will vest semi-annually over three years. In addition, each such then current non-employee director will receive a grant of options to acquire 10,000 shares of our common stock on the first business day following each annual meeting of stockholders at which he or she is re-elected to the board, which will also vest semi-annually over three years. The per share exercise price of these options will be equal to the market price of our common stock on the date of grant.

2007 Long-Term Incentive Equity Plan

The 2007 Long-Term Incentive Equity Plan was adopted by our stockholders on June 28, 2007. The plan provides for the issuance of up to 1,650,000 shares of our common stock to our executive officers (including executive officers who are also directors), employees and consultants and up to 100,000 shares of our common stock to non-employee directors in the form of incentive or non-qualified stock options, stock appreciation rights, restricted stock awards, deferred stock and other stock based awards, with a maximum award to any holder in any calendar year not to exceed 600,000 shares of common stock in the aggregate. The plan will terminate when no further awards may be granted and awards granted are no longer outstanding, provided that incentive options may only be granted until July 2, 2017. To the extent permitted under the provisions of the plan, the compensation committee has authority to determine the selection of participants, allotment of shares, price, and other conditions of awards.

As stated above, Mr. Carr, our chairman of the board, president and chief executive officer, and Mr. Wilson, our vice president and chief financial officer, are each party to an employment agreement with us. Mr. Carr's agreement provides for the grant to him of a stock option to purchase 544,500 shares of our common stock. Mr. Wilson's agreement provides for the grant to him of a stock option to purchase 330,000 shares of our common stock. Both options are exercisable with respect to one-eighth of the shares on each of December 31, 2007, June 30 and December 31, 2008, June 30 and December 31, 2009, June 30 and December 31, 2010 and July 2, 2011. Mr. Wilson will forfeit his option upon the termination of his employment with us, pursuant to the terms of our 2007 Long-Term Incentive Equity Plan.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our officers, directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and ten percent stockholders are required by regulation to furnish us with copies of all Section 16(a) forms they file. Based solely on copies of such forms received or written representations from certain reporting persons that no Form 5s were required for those persons, we believe that, during the fiscal year ended December 31, 2007, all filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with.

Certain Relationships and Related Transactions

Related party policy

Our written Code of Ethics requires us to avoid, wherever possible, all related party transactions that could result in actual or potential conflicts of interest, except under guidelines approved by the board of directors (or the audit committee). SEC rules generally define related-party transactions as transactions in which (1) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (2) we or any of our subsidiaries is a participant, and (3) any (a) executive officer, director or nominee for election as a director, (b) greater than 5 percent beneficial owner of our common stock, or (c) immediate family member, of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest (other than solely as a result of being a director or a less than 10 percent beneficial owner of another entity). A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position. Our audit committee, pursuant to its written charter, is responsible for reviewing and approving related-party transactions to the extent we enter into such transactions. The audit committee considers all relevant factors when determining whether to approve a related party transaction, including whether the related party transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction. No director may participate in the approval of any transaction in which he is a related party, but that director is required to provide the audit committee with all material information concerning the transaction. Additionally, we require each of our directors and executive officers to complete a directors' and officers' questionnaire annually that elicits information about related party transactions. These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

Related party transactions

In March 2005, we issued 3,000,000 shares of our common stock to the following individuals for \$25,000 in cash, at an average purchase price of approximately \$0.0083 per share, as set forth below:

Number of Shares	Relationship to Us (at the Time of Grant)	Name
990,000	Richard D. Goldstein	Chairman of the Board and Chief Executive Officer
756,000	Bruce M. Greenwald	President and Director
220,000	HMA 1999 Trust	Stockholder
220,000	DKA 1999 Trust	Stockholder
220,000	ASH 1999 Trust	Stockholder
210,000	JAR Partners, L.P.	Stockholder
150,000	Dennis H. Leibowitz	Director
84,000	BMG 2004 Trust	Stockholder
75,000	Carl D. Harnick	Vice President and Chief Financial Officer
75,000	Peter R. Haje	Director

Effective April 1, 2005, Mr. Goldstein transferred 150,000 shares of common stock to Gregg H. Mayer, our former vice president, controller and secretary. Effective April 5, 2005, Messrs. Goldstein and Greenwald each transferred 30,000 shares of common stock to Darren M. Sardoff, a former director of ours. Effective May 31, 2005, Messrs. Goldstein and Greenwald each transferred an additional 7,500 shares of common stock to Mr. Sardoff. The 3,000,000 shares issued in March 2005 are referred to as the "Original Shares" and the holders of the Original Shares are referred to as the "Initial Stockholders."

Pursuant to an escrow agreement between us, the Initial Stockholders and Continental Stock Transfer & Trust Company, all of the Original Shares have been placed in escrow, with Continental acting as escrow agent, pursuant to an escrow agreement, until the earlier of: (i) June 30, 2008; or (ii) the consummation of a liquidation, acquisition, stock exchange or other similar transaction which results in all of our stockholders having the right to exchange their shares of common stock for cash, securities or other property. During the escrow period, these shares cannot be sold, but the Initial Stockholders will retain all other rights as stockholders, including, without limitation, the right to vote their shares of common stock and the right to receive cash dividends, if declared. If dividends are declared and payable in shares of common stock, such dividends will also be placed in escrow.

We also entered into a registration rights agreement with the Initial Stockholders pursuant to which the holders of the majority of the Original Shares will be entitled to make up to two demands that we register these shares. The holders of the majority of these shares may elect to exercise these registration rights at any time commencing three months prior to the date on which these shares of common stock are to be released from escrow. In addition, the Initial Stockholders have certain "piggy-back" registration rights on registration statements filed subsequent to the date on which these shares of common stock are released from escrow. We will bear the expenses incurred in connection with the filing of any such registration statements.

Commencing on June 30, 2005 and terminating on July 2, 2007, Alpine Capital LLC, an affiliate of Messrs. Goldstein, Greenwald, Gregg Mayer (at the time, our vice president, secretary and controller) and Oded Aboodi (at the time, our special advisor), made available to us a small amount of office space and certain office and secretarial services, as we required from time to time. We paid Alpine Capital LLC \$7,500 per month for these services.

Prior to July 2, 2007, we reimbursed our officers and directors for any reasonable out-of-pocket business expenses incurred by them in connection with certain activities on our behalf such as identifying and investigating possible target businesses and business combinations. Such reimbursements totaled approximately \$118,000.

Upon the closing of our initial public offering, we deposited approximately \$1,927,000, representing the net proceeds remaining from the initial public offering after offering expenses and

17

the deposit in the trust account, in an account at Alpine Capital Bank (an affiliate of Alpine Capital LLC) and invested it in United States treasury bills, upon which interest of approximately \$94,000 was earned through December 30, 2007. On January 18, 2007, the treasury bills were redeemed and the proceeds were placed in a money market checking account at Alpine Capital Bank and used to pay our expenses. Through December 30, 2007, interest of approximately \$1,800 was earned on this account and a balance of \$14,128 remained in the account as of that date. Alpine Capital Bank did not charge us any banking charges or other fees for the banking services it provided to us.

As of July 2, 2007, we had borrowed \$380,355, including accrued interest, from Messrs. Goldstein and Greenwald. The loan was unsecured, bore interest at the rate of 5% per annum and was non-recourse to the trust account which held proceeds from our initial public offering for the benefit of stockholders who purchased their shares in the initial public offering. Pursuant to our organizing documents as in effect at the time, the funds in the trust account were released to us, and the loan was repaid, on the consummation of the Acquisition.

On July 2, 2007, an affiliate of Messrs. Aboodi, Goldstein and Greenwald purchased from us 42,193 shares of Series A Preferred Stock, respectively, for \$100 per share. The Series A Preferred Stock is entitled to dividends payable on the last day of December, March, June and September at a rate between 15.75% and 16.50% and has a liquidation preference equal to \$100 plus all accrued and unpaid dividends (“Accreted Value”). We must redeem the Series A Preferred Stock, at a price equal to the Accreted Value, six months after the maturity of the indebtedness incurred pursuant to that certain Credit Agreement, dated as of June 29, 2007, by and among us, Ares Capital Corporation and the other lenders party thereto.

Certified Public Accountant

We have not selected a principal accountant for fiscal year ending December 28, 2008, as our audit committee is evaluating proposals from certified public accounting firms, including a proposal from Grant Thornton LLP (“Grant Thornton”), our principal accountant for our last completed fiscal year.

Grant Thornton was our principal accountant for the fiscal year ended December 30, 2007. Representatives of Grant Thornton are expected to be present at the annual meeting. The representatives of Grant Thornton will have the opportunity to make statements and will be available to respond to appropriate questions from stockholders.

Change of Certified Accountant in October 2007

Effective October 5, 2007, our audit committee approved the termination of the engagement of Goldstein Golub Kessler LLP (“GGK”) and the engagement of Grant Thornton as the principal accountant to audit our financial statements.

GGK’s report on the financial statements for the fiscal years ended December 31, 2005 and December 31, 2006 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope, or accounting principles, except that GGK’s report on the December 31, 2006 financial statements included an explanatory paragraph regarding our ability to continue as a going concern if no acquisition was consummated prior to July 7, 2007. We completed the Acquisition prior to such date.

During the fiscal years ended December 31, 2005 and December 31, 2006 and the interim period preceding the dismissal of GGK, there were (i) no disagreements with GGK on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of GGK, would have caused GGK to make reference to the subject matter of the disagreements in connection with its report; and (ii) no “reportable events” (as described in paragraph 304(a)(1)(v) of Regulation S-K).

We provided GGK with a copy of the disclosures made herein and previously filed in our Current Report on Form 8-K, filed on October 12, 2007. We requested GGK to furnish a letter addressed to the Commission, attached to the Current Report on Form 8-K as Exhibit 16, stating whether it agreed with such disclosures, and, if not, stating the respects in which it did not agree.

18

During the fiscal years ended December 31, 2005 and December 31, 2006 and the interim period preceding the engagement of Grant Thornton, we did not consult Grant Thornton regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on our financial statements, and either a written report was provided to us or oral advice was provided that Grant Thornton concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a disagreement or a “reportable event” (as described in paragraph 304(a)(1)(v) of Regulation S-K).

Audit Fees

During the fiscal year ended December 30, 2007, we paid Grant Thornton \$26,250 in connection with the review of our third Quarterly Report on Form 10-Q. Subsequent to the year ended December 30, 2007, we incurred a fee of approximately \$200,550 for the audit of the financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 30, 2007. The aggregate of such fees is \$226,800.

During the fiscal year ended December 31, 2006, we did not pay any audit fees to Grant Thornton.

Audit-Related Fees

During the fiscal years ended December 30, 2007 and December 31, 2006, Grant Thornton did not render assurance and related services reasonably related to the performance of the audit or review of financial statements.

Tax Fees

During the fiscal years ended December 30, 2007 and December 31, 2006, we did not pay any tax compliance, tax advice or tax planning fees to Grant Thornton.

All Other Fees

During the fiscal years ended December 30, 2007 and December 31, 2006, there were no fees billed for products and services provided by Grant Thornton other than those set forth above.

Audit Committee Pre-Approval Policies and Procedures

During the fiscal years ended December 30, 2007 and December 31, 2006, our audit committee approved all audit-related, tax or other services provided by our principal accountant prior to its engagement for such purpose. On a going forward basis, the audit committee will continue to approve all services provided and fees earned by our principal accountant prior to its engagement.
