Item 4. Description of Securities.

Item 5. Interests of Named Experts and Counsel.

Edgar Filing: BRIGHTPOINT INC - Form S-8

Not applicable

Item 6. Indemnification of Directors and Officers.

The Indiana Business Corporation Law ("IBCL") provide that a corporation may indemnify any individual made a party to a proceeding (including a proceeding by or in the right of the corporation) because the individual is or was a director, officer, employee or agent of the corporation against liability incurred in the proceeding if the individual acted in good faith and reasonably believed (i) in the case of conduct in the individual's official capacity with the corporation, that the individual's conduct was in the corporation's best interests and (ii) in all other cases, that the individual's conduct was at least not opposed to the corporation's best interests. In the case of any criminal proceeding, the individual must have also had either reasonable cause to believe the conduct was lawful or no reasonable cause to believe that it was unlawful. In addition, Section 23-1-37-9 and Section 23-1-37-13 provide that a corporation, unless limited by its articles of incorporation, must indemnify a director or officer who was wholly successful in the defense of any proceeding to which the director or officer was a party because the director or officer is or was a director or officer of the corporation against reasonable expenses incurred by the director or officer in connection with the proceeding.

Section 23-1-35-1(e) of the IBCL provides that a director is not liable for any action taken as a director, or any failure to act, unless the director has breached or failed to perform the duties of the director's office in compliance with Section 23-1-35-1 and the breach or failure to perform constitutes willful misconduct or recklessness. Subject to this standard, Section 23-1-35- 4 provides that a director who votes or assents to distributions in violation of the IBCL or the articles of incorporation is personally liable to the corporation for the amount of the illegal distribution and is entitled to contribution from the other directors who voted for or assented to such distribution and the shareholders who received the distribution.

Article VI of the registrant's Articles of Incorporation outlines the necessary factors for compliance with Section 23-1-35-1 of the IBCL. In addition, Article VII of the registrant's Articles of Incorporation and Article XX of the By-Laws of the registrant provide in substance that, to the fullest extent permitted by Indiana law, each director and officer shall be indemnified by the registrant against reasonable costs and expenses, including attorneys fees, and any liabilities which may be incurred in connection with any action to which he may be made a party by reason of having been a director or officer of the registrant. The indemnification provided by the registrant's By-Laws is not deemed exclusive of or in any way to limit any other rights which any person seeking indemnification may be entitled.

The registrant has also entered into certain agreements wherein it has agreed, subject to certain limitations, to indemnify its officers and directors for judgments, fines, assessments, interest and other charges they may incur as a party, witness or other participant in any threatened, pending or completed actions, suits or proceeding by reason of their acting as an officer, director, employee or agent of the registrant or any of its subsidiaries, provided that the indemnified

Edgar Filing: BRIGHTPOINT INC - Form S-8

party acted in good faith in a manner such person believed to be in or not opposed to the best interests of the registrant and, with respect to certain matters, had no reasonable cause to believe that his conduct was unlawful. The agreements also provide that upon a "change of control" of the registrant, as defined in the agreements, the registrant will be required to designate and set aside certain funds for possible future payments of the indemnified parties pursuant to the agreements.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

The Registrant maintains directors' and officers' liability insurance, the effect of which is to indemnify directors and officers of Registrant and its subsidiaries against certain losses.
