**PROXY STATEMENT
FOR A SPECIAL MEETING OF
SHAREHOLDERS TO BE HELD THURSDAY, JULY 28, 2005**

These proxy materials are furnished in connection with the solicitation by the Board of Directors of Wintrust Financial Corporation (the Company), an Illinois corporation, of proxies to be used at a Special Meeting of Shareholders of the Company and at any adjournment of such meeting.

You are cordially invited to attend the Company's Special Meeting of Shareholders to be held on July 28, 2005, at 12:00 p.m., at the Deerpath Inn, 255 East Illinois Road, Lake Forest, Illinois, 60045.

Proxies, Outstanding Voting Securities, and Shareholders Entitled to Vote

The Board of Directors has fixed the close of business on June 10, 2005, as the record date for determining shareholders entitled to notice of, and to vote at, the Special Meeting. Only record holders of the Company's common stock as of the close of business on the record date will be entitled to vote at the meeting. On the record date, the Company had outstanding 23,521,718 shares, without par value, of common stock. Each outstanding share of common stock entitles the holder to one vote. Representation at the meeting of a majority of shares will constitute a quorum.

Proxies received from shareholders in proper form will be voted at the Special Meeting and, if specified, as directed by the shareholder. Unless contrary instructions are given, the proxy will be voted at the meeting FOR the amendment to the Company's Amended and Restated Articles of Incorporation in Proposal No. 1 and, in accordance with the best judgment of the persons voting the proxies, with respect to any other business which may properly come before the meeting and at any adjournment of the meeting and is submitted to a vote of the shareholders, including whether or not to adjourn the meeting. Approval of Proposal No. 1 requires the affirmative vote of two-thirds of the votes of the shares entitled to vote on the proposal. With respect to proxies returned by brokers who are prohibited from exercising discretionary authority for beneficial owners who have not returned voting instructions to the brokers, those shares *will not* be included in the vote totals, although both abstentions and broker non-votes are counted as shares present for the purpose of determining whether the shares represented at the Special Meeting constitute a quorum. Therefore, abstentions and broker nonvotes will have the effect of voting against Proposal No. 1.

A proxy may be revoked at any time prior to its exercise by means of a written revocation or submission of a properly executed proxy bearing a later date. Shareholders of record having executed and returned a proxy who attend the meeting and desire to vote in person are requested to so notify the Secretary of the Company prior to or at the time of a vote taken at the Special Meeting.

Your vote is important. Because many shareholders cannot personally attend the Special Meeting, it is necessary that a large number be represented by proxy. Whether or not you plan to attend the meeting in person, prompt voting will be appreciated. Registered shareholders can vote their shares via the Internet or by using a toll-free telephone number. Instructions for using these convenient services are provided on the proxy card. Of course, you may still vote your shares on the proxy card. To do so, we ask that you complete, sign, date and return the enclosed proxy card promptly in the postage-paid envelope.

This Proxy Statement is being mailed to shareholders on or about June 20, 2005.

Cost of Proxy Solicitation

The cost of soliciting proxies will be borne by the Company. Directors, officers, employees and agents of the Company may solicit proxies in person or by mail, telephone, facsimile transmission and other means. Directors, officers and employees will receive no additional compensation for solicitation services. Brokerage firms, nominees, fiduciaries and other custodians have been requested to forward soliciting materials to the beneficial owners of shares of record held by them and will be reimbursed for their expenses in doing so. The Company has retained Morrow & Co. to assist in the solicitation of proxies for a fee of \$5,000 plus out-of-pocket expenses.

PROPOSAL NO. 1 SHAREHOLDER APPROVAL OF AMENDMENT TO THE COMPANY S AMENDED AND RESTATED ARTICLES OF INCORPORATION INCREASING THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

Introduction. At the Special Meeting, there will be submitted a proposal to approve an amendment to the Company s Amended and Restated Articles of Incorporation to increase the number of shares of common stock that the Company is authorized to issue by 30,000,000 shares, from 30,000,000 to 60,000,000. The Board of Directors adopted the amendment on May 26, 2005, subject to shareholder approval.

As approved by the Board, subject to shareholder approval at the Special Meeting, the first paragraph of Paragraph 1 of ARTICLE FOUR of the Company s Amended and Restated Articles of Incorporation would be amended to read as follows:

Authorized Shares, Issued Shares and Consideration Received. The class, number of shares, and the par value, if any, of each class of stock which the Corporation shall have authority to issue shall be as follows:

Class	Par Value Per Share	Number of Shares Authorized	Number of Shares Issued
Common	no par value	60,000,000	23,521,718
Preferred	no par value	20,000,000	0

Purpose of Charter Amendment. The Amended and Restated Articles of Incorporation currently authorize the issuance of up to 30,000,000 shares of common stock and 20,000,000 shares of preferred stock. As of the record date, the Company had 23,521,718 shares of common stock outstanding, 128,189 shares of common stock reserved for issuance to existing warrant holders, 4,348,421 shares of common stock reserved for issuance to current or former directors, officers and employees under compensation and benefit plans, 284,839 shares reserved for issuance pursuant to the terms of agreements related to previous acquisitions of other companies, and 1,600,000 shares reserved for issuance under a Forward Sale Agreement entered into between the Company and Royal Bank of Canada dated as of December 17, 2004, leaving only 116,833 shares of common stock authorized, unissued and unreserved and available for other corporate purposes.

The Board of Directors considers the proposed increase in the number of authorized shares desirable because it would give the Board greater flexibility to declare common stock splits or stock dividends when considered desirable and still leave sufficient shares available for issuance in connection with potential acquisitions, financings, employee benefits and for other general corporate purposes.

The Company s growth strategy includes the pursuit of further acquisitions of other community-oriented banks that are already operating in desirable markets in the greater Chicago and Milwaukee and possibly other metropolitan areas, as well as other specialty lending and related financial services businesses. The Board of Directors believes it is important to have the flexibility to use common stock or a combination of cash and stock as consideration in potential acquisitions. The Company may also desire to issue common stock from time to time in the future to raise additional capital necessary to support future growth of the Company.

Approving an increase in the number of authorized shares at this time would avoid the additional expense and delay incidental to obtaining shareholder approval to increase the number of authorized shares at the time of any planned transaction of the type described above, unless shareholder approval is

otherwise required for a particular issuance by applicable law. The proposed amendment to the Amended and Restated Articles of Incorporation would increase the authorized, unissued and unreserved common stock remaining available for issuance from 116,833 to 30,116,833 shares.

Authorized, unissued and unreserved common stock may be issued from time to time for any proper purpose without further action of the shareholders, except as required by the Amended and Restated Articles of Incorporation, applicable law or the listing requirements of the Nasdaq National Market, on which the common stock is listed.

Each share of common stock authorized for issuance has the same rights and is identical in all respects with each other share of common stock. Newly authorized shares of common stock will not affect the rights, such as voting and liquidation rights, of the shares of common stock currently outstanding. Under Illinois law and the Company's Amended and Restated Articles of Incorporation, shareholders do not have preemptive rights to purchase subsequently issued shares of common stock.

The ability of the Board of Directors to issue additional shares of common stock without additional shareholder approval may be deemed to have an anti-takeover effect. The amendment, however, is not being proposed in order to prevent a change in control, and is not in response to any present attempt known to the Board to acquire control of the Board of Directors, to obtain representation on the Board of Directors or to take significant action which affects control of the Company. Although the Company has no such plans, the Company could use the additional shares of common stock to oppose a hostile takeover attempt or to delay or prevent changes of control or changes in or removal of management of the Company. For example, if the amendment is approved, the Board of Directors could strategically issue shares in private placements that could frustrate takeovers or other transactions that do not favor the current Board of Directors and management, even if those transactions are at substantial market premiums and are favored by shareholders of the Company. Any issuance of additional shares also could have the effect of diluting the earnings per share and book value per share of the outstanding shares of the Company's common stock as well as stock ownership and voting rights of shareholders, including persons seeking to obtain control of the Company. The Board of Directors does not, however, intend to issue any additional shares of common stock except on terms which it deems to be in the best interests of the Company and its shareholders.

**THE BOARD OF DIRECTORS RECOMMENDS SHAREHOLDERS VOTE FOR
APPROVAL OF THE AMENDMENT TO THE AMENDED AND RESTATED
ARTICLES OF INCORPORATION INCREASING THE NUMBER OF
AUTHORIZED SHARES OF COMMON STOCK**

SHAREHOLDER PROPOSALS

Shareholders' proposals intended to be presented at the Company's 2006 Annual Meeting of Shareholders must be received in writing by the Secretary of the Company no later than December 19, 2005, in order to be considered for inclusion in the proxy material for that meeting. Any such proposals shall be subject to the requirements of the proxy rules adopted under the Securities Exchange Act of 1934 (the Exchange Act). Furthermore, in order for any shareholder to properly propose any business for consideration at the 2006 Annual Meeting, including the nomination of any person for election as a director, or any other matter raised other than pursuant to Rule 14a-8 of the proxy rules adopted under the Exchange Act, written notice of the shareholder's intention to make such proposal must be furnished to the Company in accordance with the By-laws. Under the existing provisions of the By-laws, if the 2006 Annual Meeting is held on May 25, 2006, the deadline for such notice is March 26, 2006.

OTHER BUSINESS

The Company is unaware of any other matter to be acted upon at the Special Meeting for shareholder vote. In case of any matter properly coming before the Special Meeting for shareholder vote, unless discretionary authority has been denied the proxy holders named in the proxy accompanying this statement shall vote them in accordance with their best judgment.
