Item 1. SECURITY AND ISSUER.

This Schedule 13D relates to the shares of Class A Common Stock, par value of \$0.01 per share (the "Shares"), of SunCom Wireless Holdings, Inc. (the "Company"). The principal executive offices of the Company are located at 1100 Cassatt Road, Berwyn, Pennsylvania, 19312.

Item 2. IDENTITY AND BACKGROUND.

The Reporting Persons filing this statement include the Fund, PCM, PCM LLC and Mr. Karim Samii. The business address of each Reporting Person is 1001 Avenue of the Americas, Suite 1100, New York, New York 10018. PCM serves as the investment manager of the Fund and the holder of the Shares set forth in this Schedule 13D. PCM, through one or more funds and/or accounts managed by it and/or its affiliates, is engaged in the investment in property of all kinds, including but not limited to capital stock, depository receipts, investment companies, mutual funds, subscriptions, warrants, bonds, notes, debentures, options and other securities and instruments of various kind and nature. PCM LLC, as the general partner of PCM, and Mr. Karim Samii, as the sole member of PCM LLC, may each be deemed to be the beneficial owners of all Shares held by the Fund; however, PCM LLC and Mr. Samii each disclaim beneficial ownership of all Shares held by the Fund.

Neither the Fund, PCM, PCM LLC nor Mr. Samii has ever been convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors), nor been a party to any civil proceeding commenced before a judicial or administrative body of competent jurisdiction as a result of which it or he was or is now subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Mr. Samii is a United States citizen.

Item 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

Between April 20, 2005 and May 3, 2006, the Fund purchased a total of 5,550,000 Shares for a total consideration of \$8,848,805.50 (excluding brokerage commissions and other fees), in a series of open market transactions. All of the funds used to purchase the Shares described in this Schedule 13D came from the working capital of the Fund.

Item 4. PURPOSE OF TRANSACTION.

The Fund originally acquired senior subordinated notes and Shares for investment because the Reporting Persons believed that such securities, when purchased, were substantially undervalued and represented an attractive investment opportunity. The Reporting Persons have communicated with management of the Company, the board of directors of the Company (the "Board of Directors") and other stakeholders in the Company, and expect to continue to do so, regarding, among other things, their desire that the Company pursue appropriate measures to enhance the Company's value. The Reporting Persons intend to closely evaluate the performance of the Company and the value of the Fund's investment in the Company, including but not limited to the continued analysis and assessment by the Reporting Persons of the Company's business, assets, operations, financial condition, capital structure, management and prospects.

In a recent effort to more closely assess the Company's capital structure and financial condition, PCM joined an unaffiliated committee of certain holders of the Company's debt securities (the "Committee") for the purpose of entering into discussions with the Company relating to a potential

financing restructuring of the Company. As part of these discussions, on April 17, 2006, PCM entered into a confidentiality agreement (the "Confidentiality Agreement") with the Company which allowed PCM and its representatives to receive non-public, confidential, and proprietary information about the potential restructuring. The Confidentiality Agreement was terminated on May 2, 2006 and PCM was discharged of all obligations thereunder. No agreement was reached between the Company and the Committee with respect to a potential restructuring.

CUSIP NO. 867220108

PAGE 7 OF 10

On May 11, 2006, the Fund sent a letter to the Board of Directors expressing its disappointment with the outcome of the proposed restructuring negotiations and the Fund's concern that recent actions taken by the Company's management do not adequately address the financial issues the Company is currently facing.

If the Reporting Persons remain unsatisfied with the performance of the Company and the value of their investment, they may, among other things: (i) communicate with other stockholders of the Company, or other persons, regarding the composition of the Board of Directors and management, (ii) seek to cause the Company to merge with or into, consolidate with, transfer all or substantially all of its assets to, or otherwise engage in any business combination or transaction (including the sale of certain assets) with, one or more other parties, and communicate with such other parties, (iii) perform a strategic review of the Company's operations with a view to optimizing such operations, transferring individual assets and/or reducing the Company's currently outstanding debt, (iv) propose to management, the Board of Directors, or other persons, various alternatives for raising cash or reducing the Company's level of indebtedness, (v) solicit proxies from other stockholders to be used to seek the election of one or more nominees of the Reporting Persons and/or (vi) take other actions which the Reporting Persons believe to be appropriate.

Except as set forth herein or as would occur upon completion of any of the actions discussed herein, the Reporting Persons have no present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D. The Reporting Persons intend to review the Fund's investment in the Company on a continuing basis. The Reporting Persons have in the past and may continue in the future to engage in discussions with management, the Board of Directors, other stockholders of the Company and other relevant parties concerning the business, operations, board composition, management, strategy and future plans of the Company. Depending on various factors including, without limitation, the Company's financial position and strategic direction, the outcome of the discussions and actions referenced above, actions taken by the Board of Directors, price levels of the Shares, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to the Fund's investment in the Company as they deem appropriate including, without limitation, purchasing additional Shares or selling some or all of the Shares held by the Fund, engaging in short selling of or any hedging or similar transactions with respect to the Shares and/or otherwise changing its intention with respect to any and all matters referred to in Item 4 of Schedule 13D.
