MEDICAL ASSURANCE ANNOUNCES FINAL PORTFOLIO ADJUSTMENT AND REGULATORY APPROVAL
FOR PROFESSIONALS GROUP TRANSACTION

BIRMINGHAM, AL -- (BUSINESS WIRE) -- June 7, 2001 -- Medical Assurance, Inc. (NYSE:MAI) announced today that the portfolio adjustment amount (the "Adjustment Amount") to be used in the consolidation with Professionals Group will be \$1.47 per share if the transaction closes, as expected, before June 30, 2001. Medical Assurance also announced that the Illinois Department of Insurance has approved the transaction, clearing the final regulatory hurdle for the consolidation.

Medical Assurance, Inc. and Professionals Group are combining to form ProAssurance Corporation, which will be the third largest writer of medical professional liability insurance in the country. Shareholders of Medical Assurance and Professionals Group have been sent a Notice and Proxy allowing them to vote on the proposed transaction at special meetings on June 25, 2001. The proposed consolidation is subject to shareholder approvals.

The Adjustment Amount was calculated as of April 30, 2001, the valuation date established under terms of the consolidation agreement announced on June 23, 2000. The Adjustment Amount represents the change in the value of Professionals Group's portfolio assets held on December 31, 1999, through the valuation date. Should unforeseen circumstances postpone the closing until after June 30th, the valuation date will change and the Adjustment Amount will be recalculated.

Using the Adjustment Amount of \$1.47, calculated as of April 30, 2001, Professionals Group shareholders will be eligible to receive either \$27.47 per share in cash, or \$13.47 in cash and ProAssurance stock having an estimated value of \$14.00 per share. The process for establishing the Adjustment Amount and the number of shares to be distributed in a cash and stock election is described in Medical Assurance's Proxy Statement for the June 25, 2001 shareholders' meeting.

This news release contains historical information, as well as forward-looking statements that are based upon Medical Assurance's estimates and anticipation of future events that are subject to certain risks and uncertainties that could cause actual results to vary materially from the expected results described in the forward-looking statements. The Company's expectations regarding the timing, financing, closing, and effects of the consolidation may be beyond the Company's control and thus difficult to predict.
