This proxy statement, accompanying notice and proxy and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002 are first being mailed to stockholders on or about May 2, 2003.

Any stockholder giving a proxy has the power to revoke the proxy prior to its exercise. Mere attendance at the annual meeting will not serve to revoke a proxy. Abstentions and shares held of record by a broker or its nominee that are voted on any matter are included in determining the number of votes present for quorum purposes. Broker shares that are not voted on any matter will not be included in determining whether a quorum is present.

All proxies received and not revoked will be voted as directed. If no directions are specified, such proxies will be voted FOR the election of the board's nominees. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2002, Messrs. Eide and Podell were members of the Company's compensation committee. Messrs. Eide and Podell serve as directors of VGR Holding. Mr. Eide is a stockholder, and serves as the Chairman and Treasurer, of Aegis Capital Corp., a registered broker-dealer, that has performed services for New Valley since before January 1, 2002. During 2002, Aegis received commissions and other income in the aggregate amount of approximately \$87,000 from New Valley.

Mr. LeBow is Chairman of the Board and Chief Executive Officer of New Valley and VGR Holding. Mr. Lorber, an executive officer and director of the Company and VGR Holding, and Mr. Lampen, an executive officer of the Company and VGR Holding, are executive officers and directors of New Valley. Prior to October 2002, New Valley's board of directors did not have a separate compensation committee and acted on compensation matters as an entire board. No executive officer of the Company currently serves on the New Valley compensation committee.

DEFINED BENEFIT OR ACTUARIAL PLAN DISCLOSURE

Liggett sponsors the Retirement Plan For Salaried Non-Bargaining Unit Employees of Liggett, which is a noncontributory, defined benefit plan. Each salaried employee of the participating companies becomes a participant on the first day of the month following one year of employment with 1,000 hours of service and the attainment of age 21. A participant becomes vested as to benefits on the earlier of his attainment of age 65, or upon completion of five

Edgar Filing: VECTOR GROUP LTD - Form DEF 14A

years of service. Benefits become payable on a participant's normal retirement date, age 65, or, at the participant's election, at his early retirement after he has attained age 55 and completed ten years of service. A participant's annual benefit at normal retirement date is equal to the sum of: (A) the product of: (1) the sum of: (a) 1.4% of the participant's average annual earnings during the five-year period from January 1, 1986 through December 31, 1990 not in excess of \$19,500 and (b) 1.7% of his average annual earnings during such five-year period in excess of \$19,500 and (2) the number of his years of credited service prior to January 1, 1991; (B) 1.55% of his annual earnings during each such year after December 31, 1990, not in excess of \$16,500; and (C) 1.85% of his annual earnings during such year in excess of \$16,500. The maximum years of credited service is 35. If an employee was hired prior to January 1, 1983, there is no reduction for early retirement. If hired on or after January 1, 1983, there is a reduction for early retirement equal to 3% per year for the number of years prior to age 65 (age 62 if the participant has at least 20 years of service) that the participant retires. The plan also provides benefits to disabled participants and to surviving spouses of participants who die before retirement. Benefits are paid in the form of a single life annuity, with optional actuarially equivalent forms of annuity available. Payment of benefits is made beginning on the first day of the month immediately following retirement. As of December 31, 1993, the accrual of benefits under the plan was frozen.

As of December 31, 2002, none of the named executive officers was eligible to receive any benefits under the retirement plan, except for Mr. Bernstein who is entitled to a monthly benefit of \$372 at age 65.

Under some circumstances, the amount of retirement benefits payable under the retirement plan to some employees may be limited by the federal tax laws. Any benefit lost due to such a limitation will be made up by Liggett through a non-qualified supplemental retirement benefit plan. Liggett has accrued, but not funded, amounts to pay benefits under this supplemental plan.

Effective January 1, 2002, the Company adopted a Supplemental Executive Retirement Plan ("SERP"). The SERP is a defined benefit plan pursuant to which the Company will pay pension benefits to certain key employees, including Messrs. LeBow, Lorber and Bernstein. The SERP is intended to be unfunded for tax purposes, and payments under the SERP will be made out of the general assets of the Company.

Under the SERP, the projected annual benefit payable to a participant at his normal retirement date is a predetermined amount set by the Company's board of directors (\$2,524,163 for Mr. LeBow, \$1,051,875 for Mr. Lorber and \$438,750 for Mr. Bernstein). Normal retirement date is defined as the January 1 following the attainment by the participant of the later of age 60 or the completion of 8 years of service following January 1, 2002 for the Company or a subsidiary. In the case of a participant who becomes disabled prior to his normal retirement date or whose service is terminated without cause, the participant's benefit consists of a fractional portion of the full projected retirement benefit to which he would have been entitled had he remained employed through his normal retirement date, as actuarially discounted back to the date of payment. A participant who dies while working for the Company or a subsidiary (and before becoming disabled or attaining his normal retirement date) will be paid an actuarially discounted equivalent of his projected retirement benefit; conversely, a participant who retires beyond his normal retirement date will receive an actuarially increased equivalent of his projected retirement benefit. No participant whose employment is terminated upon his own volition, or for any reason other than death, disability or attainment of normal (or late) retirement, will be entitled to any benefits under the SERP.

Benefits under the SERP are generally payable in the form of a joint and survivor annuity (in the case of a married participant) or a single life annuity

Edgar Filing: VECTOR GROUP LTD - Form DEF 14A

(in the case of an unmarried participant), with either such form of distribution representing the actuarial equivalent of the benefits due the participant. A participant may also request that his benefits be paid in a lump sum, but the Company may approve or disapprove such request in its discretion.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Compensation arrangements for the Company's executive officers are usually negotiated on an individual basis between Mr. LeBow and each executive. The Company's executive compensation philosophy is:

- to base management's pay, in part, on achievement of the Company's goals;
- to provide incentives to enhance stockholder value;
- to provide competitive levels of compensation, to recognize individual initiative and achievement; and
- to assist the Company in attracting talented executives to a challenging and demanding environment and to retain such executives for the benefit of the Company and its subsidiaries.

Compensation arrangements for the Company's executive officers are determined initially by evaluating the responsibilities of the position held and the experience of the individual, and by reference to the competitive marketplace for management talent. Annual salary adjustments are determined by evaluating the competitive marketplace, the performance of the Company, the performance of the executive, and any increased responsibilities assumed by the executive. Bonus arrangements of certain executive officers are fixed by contract and are not contingent. The Company, from time to time, considers the payment of discretionary bonuses to its executive officers. Bonuses are determined based, first, upon the level of achievement by the Company of its goals and, second, upon the level of personal achievement by such executive officers.

The compensation package of Mr. LeBow was negotiated and approved by the independent members of the board of directors of the Company in February 1992. The compensation of Mr. LeBow is set forth in an employment agreement between Mr. LeBow and the Company. See "Employment Agreements", above.

The compensation package of Mr. Lorber was negotiated and approved by the board of directors of the Company in January 2001 when Mr. Lorber was elected President and Chief Operating Officer of the Company. At that time, Mr. Lorber's base salary from the Company was established at the same level as the consulting payments he had previously received from the Company and Liggett. See "Employment Agreements", above.

The compensation package of Mr. Bernstein, as President and Chief Executive Officer of Liggett, was negotiated and approved by the board of directors of Liggett in September 2000. See "Employment Agreements", above.

In 1993, Section 162(m) was added to the Internal Revenue Code of 1986. This section generally provides that no publicly held company may deduct compensation in excess of \$1,000,000 paid in any taxable year to its chief executive officer or any of its four other highest paid officers unless:

- the compensation is payable solely on account of the attainment of performance goals;
- the performance goals are determined by a compensation committee of two

Edgar Filing: VECTOR GROUP LTD - Form DEF 14A

or more outside directors;

- the material terms under which compensation is to be paid are disclosed to and approved by the stockholders of the Company; and
- the compensation committee certifies that the performance goals were met.

This limitation is applicable to the cash compensation paid by the Company to Mr. LeBow and the other named executives officers in 2002.

The foregoing information is provided by the compensation committee of the Company.

AUDIT COMMITTEE REPORT

The audit committee report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Composition and Independence. The audit committee of the board of directors is composed of three independent directors, as defined by the current New York Stock Exchange rules. The members of the audit committee are Robert J. Eide, Chairman, Jeffrey S. Podell and Jean E. Sharpe.

Responsibilities. The audit committee of the board of directors oversees the Company's financial reporting on behalf of the board. Management is responsible for the system of internal controls and for preparing financial statements. The independent accountants are responsible for expressing an opinion on the fair presentation of the audited financial statements in conformity with generally accepted accounting principles. The audit committee operates in accordance with a charter approved by the board of directors.

Review with Management and Independent Accountants. In fulfilling its oversight responsibilities, the audit committee reviewed the audited December 31, 2002 financial statements of the Company with management and PricewaterhouseCoopers LLP, the Company's independent accountants. Management represented to the audit committee that these statements were prepared in accordance with generally accepted accounting principles. The audit committee also discussed accounting policies, significant judgments inherent in the financial statements, disclosures and other matters required by generally accepted auditing standards with management and the independent accountants. In addition, the audit committee has received from the independent accountants the annual independence disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from management and the Company. In that connection, the audit committee considered the compatibility of all non-audit services with the auditors' independence.

During 2002, the audit committee met with management and the independent accountants to discuss:

- the annual audit scope and plans for the audit,

Edgar Filing: VECTOR GROUP LTD - Form DEF 14A

- the independent accountants' review of the quarterly financial statements,
- the adequacy of the independent accountants' staffing and related fees,
- the results of the independent accountants' examinations, and
- the adequacy and effectiveness of the Company's accounting and financial controls.

The audit committee also met with the independent accountants without management present.

In reliance on the reviews and discussions with management and the independent accountants, the audit committee recommended to the board of directors, and the board approved, the inclusion of the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2002 filed with the Securities and Exchange Commission.

This report is submitted by the audit committee of the Company.
