**Item 1.01. Entry Into a Material Definitive Agreement.**

On December 20, 2004, Great Wolf Resorts, Inc., a Delaware corporation (the Company or the Registrant), in connection with the previously-announced completion of its initial public offering of common stock (the Public Offering), executed a Revolving Credit Agreement, by and among the Company, GWR Operating Partnership, L.L.P., the Subsidiary Guarantors named therein, Citicorp North America, Inc., Societe Generale, Citigroup Global Markets, Inc., SG Americas Securities LLC and Calyon New York Branch (the Credit Agreement). The Credit Agreement provides for borrowings by the Company of up to \$75 million from time to time and also provides that two of the Company's resort properties will secure the Company's obligations thereunder. The interest rate is equal to LIBOR plus a margin of 2.25% to 3.00% depending upon the Company's leverage ratio from time to time. The Credit Agreement will terminate on December 20, 2007, unless terminated earlier in accordance with its terms. As of the date of closing of the Public Offering, the Company had no amounts drawn under the Credit Agreement.

The Credit Agreement includes, among other things, certain financial and operating debt covenants, including: (i) requiring the Company to meet financial tests based upon its earnings before interest, taxes, depreciation and amortization (EBITDA), (ii) a maximum amount of indebtedness the Company may incur under the Credit Agreement at an advance rate of 3.75 multiplied by the combined net operating income (adjusted for non-recurring items, unusual items, infrequent items and asset impairment charges) of the two resorts securing the Credit Agreement; (iii) a maximum level of the amount of the Company's total debt equal to 5.75 times the Company's total EBITDA (adjusted for non-recurring items, unusual items, infrequent items, non-cash employee compensation expense and asset impairment charges and adjusted to reflect an estimated full year of operating results for resorts open less than a year); (iii) a minimum interest coverage ratio, representing the Company's total EBITDA (adjusted for non-recurring items, unusual items, infrequent items, non-cash employee compensation expense and asset impairment charges and adjusted to reflect an estimated full year of operating results for resorts open less than a year) divided by the Company's total interest expense, of 2.0; and (iv) a minimum fixed charge coverage ratio, representing the Company's total EBITDA (adjusted for non-recurring items, unusual items, infrequent items, non-cash employee compensation expense and asset impairment charges and adjusted to reflect an estimated full year of operating results for resorts open less than a year) divided by the Company's total fixed charges, of 1.5.

The Credit Agreement also contains certain restrictions on the Company's operations, including:

incurring or guaranteeing additional indebtedness;

paying dividends or making distributions or certain other restricted payments;

making capital expenditures and other investments;

creating liens on the Company's assets;

issuing or selling capital stock of the Company's subsidiaries;

transferring or selling assets currently held by the Company;

repurchasing stock and certain indebtedness;

engaging in transactions with affiliates;

entering into any agreements that restrict dividends from the Company's subsidiaries; and

engaging in mergers or consolidations.

The Company must repay Revolving Credit Advances (as defined in the Credit Agreement) under the Credit Agreement on the termination date, Swing Line Advances (as defined in the Credit Agreement)

on the earlier of the maturity date specified in the applicable notice of borrowing and the termination date, and Letter of Credit Advances (as defined in the Credit Agreement) on the same day on which such advance was made. The Credit Agreement contains customary events of default, including payment defaults, cross defaults to other obligations and certain change of control events. Upon the occurrence of an event of default, the outstanding obligations under the Credit Agreement may become due and payable immediately.

Also in connection with the Public Offering, on December 20, 2004, two of the Company's wholly owned subsidiaries owning resort properties in Kansas City, Kansas and Traverse City, Michigan entered into a Loan Agreement with Citigroup Global Markets Realty Corp. and The Travelers Insurance Company (the Kansas/Traverse Mortgage). The maturity date is January 11, 2015. Pursuant to the Kansas/Traverse Mortgage, the Company agreed to guarantee the due and punctual payment of the subsidiaries' obligations under the Kansas/Traverse Mortgage. Events of default applicable to the Company pursuant to the Kansas/Traverse Mortgage include the Company making an assignment for the benefit of creditors; if a receiver, liquidator or trustee shall be appointed for the Company or if the Company shall be adjudicated as bankrupt or insolvent. In addition, the Kansas/Traverse Mortgage contains customary events of default applicable to the subsidiary borrowers. Upon the occurrence of any such event of default, the lenders may (and in certain instances, shall) declare all unpaid principal, interest and fees outstanding immediately due and payable. The maximum obligation which could be incurred by the Company under this guarantee is \$75 million. The annual interest rate under the Kansas/Traverse Mortgage is equal to 5.835% with respect to \$50 million of the outstanding principal amount, and 9.21% with respect to \$25 million of the outstanding principal amount. The lenders under the Kansas/Traverse Mortgage generally have the right to proceed against the Company directly to collect payments due under the Kansas/Traverse Mortgage.

In addition, in connection with the Public Offering, effective December 20, 2004, the Company agreed to:

When fully drawn, this financing will total approximately \$39,000,000. The loan bears interest at the prime rate plus 1.625%, with a minimum interest rate of 6.75%, and matures in 2008. Only interest payments are required during the construction period;

These liabilities will be satisfied by certain future minimum guaranteed amounts of real, personal property and room tax payments by the Company's resort located in Sheboygan, Wisconsin.
