INDEPENDENT AUDITORS REPORT

To the Board of Directors and Stockholders of
Cogdell Spencer Inc.
Charlotte, North Carolina

We have audited the accompanying statement of revenues and certain expenses (the Statement) of Methodist Professional Center One (the Property) for the year ended December 31, 2005. The Statement is the responsibility of the Property's management. Our responsibility is to express an opinion on the Statement based on our audit. We conducted our audit in accordance with generally accepted auditing standards as established by the Auditing Standards Board (United States) and in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement. The Property is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Statement. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Statement was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in Form 8-K/A of Cogdell Spencer Inc.). Material amounts, as described in note 1 to the Statement that would not be directly attributable to those resulting from future operations of the Property, are excluded and the Statement is not intended to be a complete presentation of the Property's revenues and expenses.

In our opinion, the Statement presents fairly, in all material respects, the revenues and certain expenses, as described in note 1 to the Statement, of the Property for the year ended December 31, 2005, in conformity with accounting principles generally accepted in the United States of America.

**NOTES TO STATEMENT OF REVENUES AND CERTAIN EXPENSES
FOR THE YEAR ENDED DECEMBER 31, 2005**

NOTE 1 ORGANIZATION AND BASIS FOR PRESENTATION

The accompany statement of revenues and certain expenses (the Statement) relate to Methodist Professional Center One building (the Property), which includes a seven-story medical office building and an adjacent 951-space parking deck located in Indianapolis, Indiana.

This Statement is prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (SEC) as a result of the acquisition of the Property by Cogdell Spencer LP, (the Operating Partnership), a subsidiary of Cogdell Spencer Inc. (the Company), on February 15, 2006. Rule 3-14 requires certain information with respect to the operations of real estate assets acquired to be included in certain filings with the SEC. The Statement includes the historical revenues of Methodist Professional Center One and certain operating expenses, excluding items not comparable to the operations of the Property under the Company s ownership, including depreciation, amortization and interest expense.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue recognition The Company recognizes revenues related to non-cancelable operating leases as earned over the life of the lease agreements on a straight-line basis. The leases generally contain provisions under which the tenants reimburse the Property for a portion of property operating expenses and real estate taxes. Rental revenue from the parking deck is recognized when earned.

Repairs and maintenance The costs of ordinary repairs and maintenance are charged to operations when incurred.

Use of estimates The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

NOTE 3 MINIMUM FUTURE RENTAL REVENUES

Methodist Professional Center One is leased to tenants under non-cancelable, fixed-term operating leases with expirations through 2012 and market rent renewal terms. The Property s leases generally require the lessee to pay minimum rent, additional rent based upon increases in the Consumer Price Index and all taxes (including property tax), insurance, and other operating costs associated with the Property.

Future minimum lease payments by tenants under the non-cancelable operating leases as of December 31, 2005 were as follows:

For the year ending:

2008	2,632
2009	2,477
