INTRODUCTION

This Amendment No. 1 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO originally filed with the Securities and Exchange Commission on May 17, 2006 by Cumulus Media Inc., a Delaware corporation (Cumulus or the Company), relating to the offer by Cumulus to purchase up to 11,500,000 shares of its Class A Common Stock, \$.01 par value per share (the Class A Common Stock), at a price not less than \$11.00 nor greater than \$12.50 per share (such per share purchase price, the Purchase Price), net to the seller in cash, without interest. The offer is subject to the terms and conditions set forth in the Offer to Purchase, dated May 17, 2006 (the Offer to Purchase), and the related Letter of Transmittal (the Letter of Transmittal) which, together with any amendments or supplements to either, collectively constitute the Offer.

This Amendment is intended to satisfy the reporting requirements of Rule 13e-4(c)(3) of the Securities Exchange Act of 1934, as amended. Copies of the Offer to Purchase and the Letter of Transmittal were previously filed with the Schedule TO as Exhibits (a)(1)(A) and (a)(1)(B), respectively.

Items 1 through 11.

Items 1 through 11 of the original Schedule TO, which incorporate by reference the information contained in the Offer to Purchase and the Letter of Transmittal, are hereby amended as follows, with all references to sections and page numbers in the Offer to Purchase as filed with EDGAR:

1. Number of Shares; Expiration Time; Priority of Purchases; Proration; Odd Lots, page 3.

The second paragraph of the subsection entitled *Proration* is amended and restated as follows:

If proration of tendered shares is required, we will determine the proration factor promptly following the Expiration Time. Proration for each stockholder tendering shares, other than Odd Lot Holders, will be based on the ratio of the number of shares validly tendered and not validly withdrawn by the stockholder to the total number of shares validly tendered and not validly withdrawn by all stockholders at or below the Purchase Price, other than Odd Lot Holders, subject to conditional tenders. Because of the difficulty in determining the number of shares validly tendered and not validly withdrawn, and because of the Odd Lot preference described below and the conditional tender procedure described in Section 6, we expect that we will not be able to announce the final proration factor or commence payment for any shares purchased pursuant to the Offer until approximately seven business days after the Expiration Time. The preliminary results of the Offer will be announced by press release promptly after the Expiration Time and the final results of the Offer will be announced by press release promptly after the determination thereof. After the Expiration Time, stockholders may obtain information about such preliminary results from the Information Agent and also may be able to obtain the information from their brokers.

2. Withdrawal Rights, page 11.

The seventh paragraph of this section is amended and restated as follows:

If we extend the Offer or are delayed in our purchase of shares, then, without prejudice to our rights in the Offer, the Depositary may, subject to applicable law, retain tendered shares on our behalf, and such shares may not be withdrawn except to the extent tendering stockholders are entitled to withdrawal rights as described in this Section 4.

3. Purchase of Shares and Payment of Purchase Price, page 12.

The first paragraph of this section is amended by deleting the phrase *as promptly as practicable* and inserting, in lieu thereof, the word *promptly*.

The sixth paragraph of this section is amended and restated as follows:

In the event of proration, we will determine the proration factor and pay for those tendered shares accepted for payment promptly after the Expiration Time. However, we expect that we will not be able to announce the final

results of any proration or commence payment for any shares purchased pursuant to the Offer until approximately seven business days after the Expiration Time. The final results of the Offer, including any proration, will be announced by press release promptly after the Expiration Time. Certificates for all shares tendered and not purchased, including all shares tendered at prices in excess of the Purchase Price and shares not purchased due to proration, will be returned or, in the case of shares tendered by book-entry transfer, will be credited to the account maintained with the book-entry transfer facility by the participant who delivered the shares, to the tendering stockholder at our expense promptly after the Expiration Time or termination of the Offer without expense to the tendering stockholders.

4. Conditions of the Offer, Page 13.

The fifth bullet point in this section is amended by deleting the phrase "or been threatened" therefrom.

The seventh bullet point in this section is amended by deleting the phrase "threatened, instituted, or" and inserting, in lieu thereof, the phrase "instituted, or is."

5. Certain Information Concerning Cumulus, page 17.

The first sentence in the second paragraph of the subsection entitled *Where You Can Find More Information* is amended by deleting the phrase "450 Fifth Street, N.W. Room 1024" and inserting, in lieu thereof, the phrase "100 F Street, N.E."
