99.1 Press release dated December 11, 2006.

Forward-Looking Statements Certain statements in this Form 8-K may contain forward-looking information regarding IntercontinentalExchange, Inc., the New York Board of Trade, and the combined company after the completion of the merger that are intended to be covered by the safe harbor for forward-looking statements provided by the Private Securities Litigation Reform Act of 1995. These statements include, but are not limited to, the benefits of the merger transaction involving ICE and NYBOT, including future strategic and financial benefits, the plans, objective, expectations and intentions of ICE following the completion of the merger, and other statements that are not historical facts. Such statements are based upon the current beliefs and expectations and are subject to significant risks and uncertainties. Actual results may differ from those set forth in the forward-looking statements. The following factors, among others, could cause actual results to differ from those as set forth in the forward-looking statements: the ability to obtain governmental approvals and rulings on or regarding the transaction on the proposed terms and schedule; the risk that the businesses will not be integrated successfully; the risk that the revenue opportunities, cost savings and other anticipated synergies from the merger may not be fully realized or may take longer to realize than expected; disruption from the merger making it difficult to maintain relationships with customers, employees or suppliers; competition and its effect on pricing, spending and third-party relationships and revenues; litigation; social and political conditions such as war, political unrest or terrorism; general economic conditions and normal business uncertainty. Additional risks and factors are identified in ICE's filings with the Securities and Exchange Commission, including ICE's Quarterly Report on Form 10-Q for the quarter ended June 30, 2006 and ICE's Registration Statement on Form S-4 (File No. 333-138312), as filed with the Securities and Exchange Commission on November 16, 2006.

You should not place undue reliance on forward-looking statements, which speak only as of the date of this press release. Except for any obligations to disclosure material information under the Federal securities laws, ICE undertakes no obligation to release publicly any revisions to any forward-looking statements to reflect events or circumstances after the date of this press release.

Important Merger Information

In connection with the proposed merger, ICE has filed a Registration Statement on Form S-4 with the Securities and Exchange Commission (SEC) containing a prospectus/proxy statement regarding the proposed transaction. The SEC declared the Registration Statement on Form S-4 effective on November 17, 2006. INVESTORS ARE URGED TO READ THE PROSPECTUS/PROXY STATEMENT BECAUSE IT CONTAINS IMPORTANT INFORMATION REGARDING THE PROPOSED MERGER.

This Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.
