**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On July 30, 2008, the Board of Directors (the Board) of AutoNation, Inc. (the Company) appointed David B. Edelson, Senior Vice President of Loews Corporation (Loews), as a member of the Board effective immediately. The appointment increases the size of the Board to eight members. The Board determined that Mr. Edelson qualifies as independent under the independence standards set forth in the Company's Corporate Governance Guidelines and the applicable New York Stock Exchange listing standards.

Mr. Edelson will participate in the Company's non-employee director compensation program pursuant to which he will receive an annual fee of \$25,000 for his service on the Board, plus \$1,000 for each Board meeting attended in excess of four annually (and, to the extent he is appointed to a Board committee in the future, \$1,000 for each committee meeting attended). These Board fees will be paid in cash, and the annual fee will be prorated based on the number of months served during the year. Mr. Edelson will also be eligible to receive an annual vehicle allowance of \$22,500 to purchase or lease a vehicle in accordance with the Company's Director Vehicle Allowance Program (prorated based on number of months served during the year) and expense reimbursement in connection with Board and committee meeting attendance.

In accordance with the terms of the Company's 2007 Non-Employee Director Stock Option Plan (the Plan), on July 30, 2008, Mr. Edelson was automatically granted an option to purchase 50,000 shares of Company common stock at an exercise price of \$10.43 per share, the closing price of a share of Company common stock on July 29, 2008. As a non-employee director, Mr. Edelson will also be eligible to receive an automatic annual grant of an option to purchase 20,000 shares of Company common stock on the first business day of each calendar year while the Plan is in effect. All options granted under the Plan vest immediately upon the date of grant and have an exercise price equal to the closing price of a share of Company common stock on the trading day immediately preceding the date of grant.

A copy of a press release issued by the Company announcing Mr. Edelson's appointment is attached as an exhibit hereto and incorporated herein by reference.
