In connection with the Second Closing, Neoprobe issued the Purchaser: (1) a 10% Series B Convertible Senior Secured Promissory Note in the principal amount of \$3,000,000, due December 26, 2011 (the Series B Note); and (2) a five-year warrant to purchase 8,333,333 shares of Neoprobe s common stock, par value \$.001 per share (Common Stock), at an exercise price of \$0.46 per share (the Series X Warrant). The Series B Note bears interest at a rate per annum equal to 10%, and is convertible at the option of the Purchaser into Common Stock at a price of \$0.36 per share.

Pursuant to the terms of the Amendment and Waiver, Neoprobe and the Purchaser also agreed to: (1) waive the provisions of Section 2.1(b) of the Purchase Agreement which provided for the establishment of the conversion price of the Series B Note and the exercise price of the Series X Warrant as set forth in the forms attached as Exhibit H and Exhibit J to the Purchase Agreement; (2) fix the conversion price of the Series B Note and the exercise price of the Series X Warrant as set forth in the final forms attached as Exhibit A and Exhibit B to the Amendment and Waiver; and (3) amend the conditions precedent to the Third Closing described in Section 2.2(c) of the Purchase Agreement.

In connection with the Second Closing, Neoprobe and the Purchaser also entered into a Second Amendment, effective April 16, 2008 (the Registration Rights Amendment), to the Registration Rights Agreement between Neoprobe and the Purchaser, dated December 26, 2007, as amended by the Amendment to Registration Rights Agreement, dated February 7, 2008. Pursuant to the terms of the Registration Rights Amendment, Neoprobe agreed to file a registration statement with the United States Securities and Exchange Commission (the Commission) on or before May 1, 2008, providing for the resale of: (i) the shares of Common Stock issuable upon conversion of the Series B Note; (ii) the shares of Common Stock issuable upon exercise of the Series X Warrant and the Series W Warrant for the purchase 6,000,000 shares of Common Stock, at an exercise price of \$0.32 per share, issued to the Purchaser pursuant to the Purchase Agreement (the Series W Warrant); and (iii) 3,500,000 shares of Common Stock issuable as interest on the Series B Note, and the 10% Series A Convertible Senior Secured Promissory Note in the principal amount of \$7,000,000, due December 26, 2011 (the Series A Note), issued to the Purchaser pursuant to the Purchase Agreement. Additionally, the Registration Rights Amendment provides that (1) within thirty-five (35) days following the Third Closing Date (as that term is defined in the Purchase Agreement) Neoprobe shall prepare and file with the Commission an additional registration statement providing for the resale of: (i) the shares of Common Stock issuable upon the conversion of the 8% Series A Cumulative Convertible Preferred Stock (the Preferred Stock) issued to the Purchaser pursuant to the Purchase Agreement; (ii) the shares of Common Stock issuable upon exercise of the Series Y Warrant issued to the Purchaser pursuant to the Purchase Agreement; and (iii) shares of Common Stock issuable as dividends on the Preferred Stock; and (2) within thirty-five (35) days of receipt of the written request of the Purchaser therefore, Neoprobe shall prepare and file with the Commission an additional registration statement providing for the resale of the shares of Common Stock issuable upon the conversion of the Series A Note.

On April 16, 2008, Neoprobe and the Purchaser also entered into a Second Amendment to 10% Series A Senior Secured Convertible Promissory Note (the Series A Note Amendment) which amends the description of the event of default contained in Section 2.1(j) of the original Series A Note for consistency with the description of the Events of Default contained in the amended form of Series B Note.

The foregoing description of the terms of the Amendment and Waiver, the Series B Note, the Series X Warrant, the Amended Registration Rights Amendment, and the Series A Note Amendment (collectively, the Second Closing Documents), is qualified in its entirety by reference to the full text of each of the Second Closing Documents, copies of which are included as Exhibits to this Report.
