Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On April 28, 2008, the Compensation & Organization Committee (the Committee) of the Board of Directors amended the administrative regulations of the Long-Term Incentive Compensation Program (the Program) under the 2005 Stock Incentive Plan (the Plan, approved by the Corporation's shareholders on April 26, 2005). The amendment includes the addition of restricted stock units (RSUs) to the types of awards available for grants under the Program (a type of award permitted under the Other Stock-Based Awards section of the Plan). If granted, the RSUs would operate very similar to the restricted stock awards under the Program, except that there would be no voting rights associated with the RSUs. Other changes to the administrative regulations include the allowance of net exercises for future stock option grants and a change to the restricted stock award termination provisions to agree with those originally implemented under the program (pro rata vesting for certain termination events). The Committee also approved new grant form agreements conforming to the revised administrative regulations and making improvements over the prior grant form agreements, primarily to help with administration in foreign jurisdictions. Also, RSU grant form agreements substantially similar to the revised restricted stock grant form agreements were approved.

Copies of the agreements are filed herewith as Exhibits 10.1 through 10.7.
