ITEM 12. RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

On September 5, 2003, AMERCO held its investor call for fiscal year 2003 and the first quarter of fiscal year 2004. During this conference call information regarding our results of operations and financial condition for the completed quarterly period ended June 30, 2003 was discussed. A copy of the transcript of this conference call is attached as Exhibit 99.1. To hear a replay of the call visit [www.amerco.com](http://www.amerco.com).

Note: The conference call occurred before we filed our Form 10-Q for the quarter ended June 30, 2003. As such, information discussed during the call pertaining to our quarterly results was based on preliminary numbers. This accounts for the minor differences between the quarterly results discussed during the conference call and the final quarterly results reflected in our Form 10-Q which was filed with the SEC on September 10, 2003.

The information in this Current Report on Form 8-K is being furnished and shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information in this Current Report shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.
