Item 8.01. Other Events

On June 6, 2008, Arizona Public Service Company (APS) filed with the Arizona Corporation Commission (ACC) a motion in its currently pending rate case, requesting an interim base rate surcharge that would not result in any incremental increase to APS customer bills beyond current levels and would be subject to refund pending the final outcome of the rate case. The motion requests that the interim base rate surcharge of \$.003987 per kilowatt hour (kWh) become effective upon the expiration of the \$.003987 per kWh 2007 power supply adjustor (PSA) charge, the latter of which APS anticipates will remain in effect through July or August 2008.

The purpose of the interim surcharge is to better position APS to fund customer-centered programs and needed infrastructure, access needed capital on reasonable terms, minimize the risk of credit rating downgrades by improving APS credit metrics until the ACC is able to grant permanent rate relief, allow APS to partially recover already incurred costs related to necessary capital expenditure programs to serve its customers, and provide a better opportunity for APS to achieve a return on equity closer to the level deemed reasonable and approved by the ACC in APS last rate case. APS cannot currently predict the outcome of this matter.

The interim base rate surcharge represents approximately \$115 million in annual pretax retail revenues. Our previously issued 2008 earnings guidance did not assume the inclusion of this requested interim surcharge. For additional information regarding the 2007 PSA charge, see 2007 Retail Rate Order in Note 5 of Notes to Condensed Consolidated Financial Statements in the Pinnacle West Capital Corporation/APS Report on Form 10-Q for the fiscal quarter ended March 31, 2008. For information on our 2008 earnings guidance, see the Pinnacle West Capital Corporation/APS Current Report on Form 8-K filed with the Securities and Exchange Commission on April 29, 2008.
