NEWS RELEASE

For Immediate Release

WEYERHAEUSER SENDS LETTER TO WILLAMETTE SHAREHOLDERS

FEDERAL WAY, Wash., May 16, 2001 - Weyerhaeuser Company (NYSE: WY) today sent the following letter to shareholders of Willamette Industries, Inc. (NYSE: WLL):

May 16, 2001

Dear Willamette Shareholder:

With the June 7th Annual Meeting of Willamette shareholders fast approaching, we believe Willamette's board and management are engaged in a desperate effort to convince you that their repeated rejections of our premium offers were based on value. You should know that they have refused to discuss with us the details of these offers or our willingness to pay an increased price. We think that Willamette's board and management have made it crystal clear that the company they have been entrusted to manage for you is simply not for sale, at any price.

We believe Willamette's board is jeopardizing the value of your investment by failing to negotiate a mutually beneficial transaction with Weyerhaeuser. WE ARE SEEKING YOUR SUPPORT FOR THE ELECTION OF OUR THREE NOMINEES TO WILLAMETTE'S BOARD AT THE LONG-DELAYED ANNUAL MEETING. THESE NOMINEES ARE COMMITTED TO MAXIMIZING VALUE FOR SHAREHOLDERS NOW. IF THE WEYERHAEUSER NOMINEES ARE NOT ELECTED, WE WILL BE FORCED TO WITHDRAW OUR OFFER. PLEASE SIGN, DATE AND RETURN THE ENCLOSED GOLD PROXY CARD VOTING FOR THE ELECTION OF THE WEYERHAEUSER NOMINEES.

WILLAMETTE IS USING AN ARTIFICIAL "INDUSTRY COMPOSITE"
TO INFLATE ITS STAND-ALONE VALUE

Recently, Willamette has been using fuzzy math to speculate on the trading level of its share price in the absence of the Weyerhaeuser offer. We believe Willamette's "Industry Composite" and "comparable" transactions analysis are fundamentally flawed. Willamette has created its very own "Industry Composite" to support its self-serving speculation about where Willamette might trade today if the Weyerhaeuser offer did not exist. Take a hard look at Willamette's "Industry Composite." We believe it is just NOT credible:

-more-

-2-

- o Willamette's self-selected "Industry Composite" consists of seven forest products companies. Despite the fact that these companies range widely in size and market capitalization, Willamette gives

Edgar Filing: WILLAMETTE INDUSTRIES INC - Form DFAN14A

each of the companies EQUAL WEIGHTING in its analysis.

- o The standard investment community practice is to analyze peer group performance on a MARKET CAPITALIZATION WEIGHTED basis. For example, the S&P 500 index and the S&P Paper & Forest Products index, the recognized share performance benchmark for our industry, are calculated on a MARKET-WEIGHTED basis. In addition, Securities and Exchange Commission rules require the use of MARKET WEIGHTING for the disclosure of peer group performance.
- o Willamette itself has followed the standard practice by using the MARKET-WEIGHTED S&P Paper & Forest Products index to measure its comparative performance in its last five proxy statements and its investor presentations as recently as February 2001. We believe Willamette has changed to the EQUAL-WEIGHTING methodology in an attempt to justify its recent speculative valuation statements made in the context of our offer.
- o Willamette excludes itself but includes Weyerhaeuser in its "Industry Composite." Given Weyerhaeuser's proposed acquisition of Willamette, standard investment community practice would be to exclude both companies in calculating peer group performance.

We believe Willamette's self-selected "Industry Composite" significantly overstates where Willamette's stock might trade absent the Weyerhaeuser offer. Since November 10th, the last trading day prior to the public announcement of our proposal, the S&P Paper & Forest Products index (excluding Weyerhaeuser and Willamette), HAS RISEN BY ONLY 8.6 PERCENT. That day, Willamette's closing stock price was \$34.75.

THEN AND NOW, WE BELIEVE OUR OFFER
REPRESENTS A COMPELLING VALUATION

[Chart showing significant gap between the 44% offer premium and the 8.6% increase in the S&P Paper & Forest Products Index and the 8.8% decrease in the S&P 500 Index from November 10, 2000 through May 11, 2001. The chart will be available on Weyerhaeuser's website at www.weyerhaeuser.com, or, for a fax copy, please call Jeremy Zweig at Joele Frank, Wilkinson Brimmer Katcher (212-355-4449 ext. 124).]

ASK YOURSELF: "WHAT WOULD MY
SHARES BE WORTH IF WEYERHAEUSER WENT AWAY?"

We think that Willamette is manipulating the data solely to justify its long-standing decision not to permit a sale of the company. We believe that by failing to pursue Weyerhaeuser's all-cash premium offer, Willamette is jeopardizing the value of your investment. While no one can predict what Willamette's share price would be absent the Weyerhaeuser offer, the S&P 500 index has fallen 8.8 percent since November 10th, and independent financial experts recognize that if Weyerhaeuser goes away, Willamette could trade at significantly lower levels:

"DOWNSIDE RISK COULD BE AS MUCH AS [A] \$33 PER SHARE [PRICE] IF THE

Edgar Filing: WILLAMETTE INDUSTRIES INC - Form DFAN14A

DEAL WITH [WEYERHAEUSER] FALLS THROUGH."

First Call, Lehman Brothers: Peter Ruschmeier, April 16, 2001*

Remember, despite the significant and immediate value shareholders would receive in a negotiated transaction, WILLAMETTE MANAGEMENT HAS NEVER EXPLAINED HOW OR WHEN IT WOULD DELIVER EQUIVALENT VALUE ON A STAND-ALONE BASIS.

"THE ABSENCE OF A COGENT, ECONOMICALLY-BASED RESPONSE TO THE WEYERHAEUSER BID IS BOTH TROUBLING AND DISAPPOINTING. WILLAMETTE SEEMS TO BE SAYING 'WE'RE WORTH A LOT MORE, BUT WE CAN'T THINK OF A WAY TO EXPLAIN WHY IN A MANNER THAT YOU WILL UNDERSTAND.'"

First Call, Credit Suisse First Boston: Mark Connelly, May 9, 2001*

WE BELIEVE WILLAMETTE'S "COMPARABLE" TRANSACTIONS ANALYSIS IS ALSO FUNDAMENTALLY FLAWED

In another attempt to justify its actions, Willamette cherry-picks its data regarding premiums paid in "comparable" transactions:

- o There have been 64 industry transactions since 1990.[1] Willamette's self-selected list of transactions consists of merely three -- International Paper/Union Camp, International Paper/Champion International and Stora Enso/Consolidated Papers.
- o According to independent financial analysis, the average one-day premium paid in those 64 paper industry transactions was 32 percent.[1] Weyerhaeuser's 44 percent premium exceeds that average.
- o We believe Willamette is using the Stora Enso/Consolidated Papers transaction to significantly inflate Willamette's purported "average" premium figure.

-4-

- o Weyerhaeuser's 44 percent one-day premium is squarely in line with the other two transactions Willamette believes are comparable.
- o Willamette also conveniently ignores the fact that our \$50 per share offer would provide you with a substantial premium of approximately 67 percent to Willamette's average share price for the 60 days prior to the announcement.[2]

TAKE CONTROL OF YOUR INVESTMENT
VOTE THE GOLD PROXY CARD TODAY

For more than two years Willamette has repeatedly rebuffed Weyerhaeuser's attempts to have a meaningful dialogue concerning a transaction. Instead, they have hidden behind their poison pill and recited the mantra "we are not for sale."

Despite the fact that Weyerhaeuser's \$50 per share offer would provide you with a significant premium for your shares NOW, Willamette refuses to sit down and negotiate a transaction or even take the time to explore ways to increase the value of a combination to Willamette shareholders. AS WE HAVE REPEATEDLY STATED, IF WILLAMETTE CAN DEMONSTRATE ADDITIONAL VALUE WEYERHAEUSER IS READY TO NEGOTIATE.

[2] The one-day premium is artificially reduced by the unexplained increase in Willamette's share price (both in absolute terms and relative to the peer group) that occurred between the delivery of our confidential proposal on August 28, 2000 and the public announcement of our proposal on November 13, 2000.

IF THE WEYERHAEUSER NOMINEES ARE NOT ELECTED,
WE WILL BE FORCED TO WITHDRAW OUR OFFER

Weyerhaeuser remains committed to the proposed transaction. If our slate is elected at the June 7th meeting and Willamette continues to refuse to negotiate, Weyerhaeuser intends to nominate a slate of directors for election at Willamette's 2002 Annual Meeting. HOWEVER, IF THE WEYERHAEUSER NOMINEES ARE NOT ELECTED ON JUNE 7TH, WE WILL BE FORCED TO WITHDRAW OUR OFFER, SINCE IT WILL TAKE AT LEAST TWO MORE YEARS, UNTIL THE 2003 ANNUAL MEETING, TO EFFECT A TRANSACTION NOT APPROVED BY THE CURRENT WILLAMETTE BOARD.
