Prior to the consummation of the proposed separation, AOL Holdings LLC will be converted into a Delaware corporation and renamed AOL Inc. Accordingly, the Form 10 has been filed under the name AOL Inc.

The Form 10 contains a preliminary information statement that includes detailed information about AOL as a standalone company, including, among other things, historical financial information for AOL and management’s discussion and analysis of financial condition and results of operation. The preliminary information statement also includes a description of AOL’s business and strategy, its management and their compensation, and other legal and financial disclosures, including risk factors. In addition, the preliminary information statement contains certain information relating to the mechanics of, and conditions to, a proposed spin-off of AOL. The preliminary information statement is incomplete and subject to change, and Time Warner reserves the right not to complete the separation of AOL.
