PROXY STATEMENT

ANNUAL MEETING AND PROXY SOLICITATION INFORMATION

This Proxy Statement is first being sent to shareholders on or about March 18, 2002 in connection with the solicitation of proxies by the Board of Directors of Brown & Brown, Inc., to be voted at the Annual Meeting of Shareholders to be held in the Atlantic Room of the Hilton Daytona Beach Oceanfront Resort, 2637 S. Atlantic Avenue, Daytona Beach, Florida at 9:00 a.m. on Thursday, April 25, 2002, and at any adjournment thereof (the Meeting). The close of business on March 4, 2002 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting. At the close of business on the record date, we had outstanding 63,295,076 shares of \$.10 par value common stock, entitled to one vote per share.

Shares represented by duly executed proxies in the accompanying form that we receive prior to the Meeting will be voted at the Meeting. If a shareholder specifies in the proxy a choice with respect to any matter to be acted upon, the shares represented by such proxy will be voted as specified. If a proxy card is signed and returned without specifying a vote or an abstention on any proposal, the shares represented by such proxy will be voted according to the recommendation of the Board of Directors on that proposal. The Board of Directors recommends a vote FOR the election of the directors. The Board of Directors knows of no other matters that may be brought before the Meeting. However, if any other matters are properly presented for action, it is the intention of the named proxies to vote on them according to their best judgment.

Shareholders who hold their shares through an intermediary must provide instructions on voting as requested by their bank or broker. A shareholder who returns a proxy may revoke it at any time before it is voted by taking one of the following three actions: (i) giving written notice of the revocation to our Secretary; (ii) executing and delivering a proxy with a later date; or (iii) voting in person at the Meeting. Votes cast by proxy or in person at the Meeting will be tabulated by our transfer agent, First Union National Bank, and by one or more inspectors of election appointed at the Meeting, who will also determine whether a quorum is present for the transaction of business.

A shareholder who abstains from voting on any proposal will be included in the number of shareholders present at the Meeting for the purpose of determining the presence of a quorum. Abstentions will not be counted either in favor of or against the election of the nominees for director or any other proposal. Brokers holding stock for the accounts of their clients who have not been given specific voting instructions as to a matter by their clients may vote their clients' proxies in their own discretion.

Proxies may be solicited by our officers, directors, and regular supervisory and executive employees, none of whom will receive any additional compensation for their services. Also, Georgeson Shareholder Communications, Inc. may solicit proxies on our behalf at an approximate cost of \$4,500 plus reasonable expenses. Such solicitations may be made personally, or by mail, facsimile, telephone, telegraph, messenger, or via the Internet. We will pay persons holding shares of common stock in their names or in the names of nominees, but not owning such shares beneficially, such as brokerage houses, banks, and other fiduciaries, for the expense of forwarding solicitation materials to their principals. We will pay all of the costs of solicitation of proxies.

Our executive offices are located at 220 South Ridgewood Avenue, Daytona Beach, Florida 32114 (telephone number (386) 252-9601) and 401 East Jackson Street, Suite 1700, Tampa, Florida 33602 (telephone number (813) 222-4100).

Certain Relationships and Related Transactions

Effective as of January 1, 2001, we acquired all of the insurance agency business-related assets of Riedman Corporation (Riedman), based in Rochester, New York. As of January 1, 2001, Riedman s capital stock was owned by John R. Riedman, James R. Riedman and a trust, the equal beneficiaries of which were John R. Riedman s four children, James R. Riedman, David J. Riedman, Katherine R. Griswold, and Susan R. Holliday. Simultaneously with this transaction, Brown & Brown of Wyoming, Inc. (Brown & Brown-Wyoming), one of our wholly-owned subsidiaries, acquired all of the insurance agency business-related assets of Riedman Insurance of Wyoming, Inc. (Riedman-Wyoming), a wholly-owned subsidiary of Riedman based in Cheyenne, Wyoming. These acquisitions, recorded using the purchase method of accounting, were made pursuant to an asset purchase agreement among us, Riedman, and Riedman s shareholders, a purchase agreement between us and Andrew Meloni, a key employee of Riedman, and a general assignment and bill of sale from Riedman-Wyoming to Brown & Brown-Wyoming.

The aggregate consideration for these assets, which is payable in cash in three installments by us and Brown & Brown-Wyoming, was equal to approximately 1.55 times Riedman's revenues for the year 2000 less certain Riedman debt related to its prior acquisitions, which we assumed. Cory T. Walker, our Vice President, Treasurer and Chief Financial Officer, determined the purchase price of the assets we acquired, based upon the above-described formula. The cash consideration paid by us and Brown & Brown-Wyoming at closing was approximately \$61,566,572. Certain of the assets acquired in these transactions were acquired by Riedman within two years prior to the transactions, at an approximate aggregate cost of \$12,135,000.

Riedman is the landlord under a lease agreement with us, as tenant, with respect to office space in Rochester, New York that was entered into in connection with the transactions referenced in the preceding paragraph. The lease provides for our payment of annual rent of \$300,000 for a term of five years from January 2001. Additionally, we assumed and took assignment of a covenant not to compete owed to Riedman from John R. Riedman's brother, Frank Riedman. We received a discounted credit toward the asset purchase price for amounts payable to Frank Riedman pursuant to this assumed obligation. We will pay Frank Riedman ten equal quarterly installments of \$82,500 which commenced January 2001.

In January 2001, John R. Riedman, Chairman of Riedman, was elected as one of our directors, and also became one of our Executive Vice Presidents and Vice Chairman of Brown & Brown of New York, Inc., one of our subsidiaries. Mr. John Riedman was paid an annual salary of \$150,000 in 2001 pursuant to an employment agreement with us that provides for a minimum term of one year, and continues thereafter until terminated in accordance with its terms.

James R. Riedman, President of Riedman, is John R. Riedman's son and was elected in January 2001 as an Executive Vice President of Brown & Brown of New York, Inc. Mr. James Riedman was paid an annual salary of \$150,000 pursuant to an employment agreement with us that provided for a minimum term of four months, and continued thereafter until terminated in accordance with its terms. Mr. James Riedman resigned in June 2001.

As of January 2001, Mr. John Riedman directly owned 25.5% of Riedman's capital stock, Mr. James Riedman and an unrelated third party each directly owned 1.8% of such stock, and Mr. John Riedman's children beneficially owned the remainder of such stock through the aforementioned trust. In addition, we received a credit toward the asset purchase price for amounts payable by us for covenants not to compete with terms of five years entered into with Mr. John Riedman and each of his four children. At closing, we paid an aggregate of \$1,250,000 split equally among Mr. John Riedman and his four children for such covenants. Additionally, Mr. John Riedman and Mr. James Riedman were each paid \$250,000 in 2001 and will each be paid \$250,000 annually for the next two years for their respective covenants.

J. Powell Brown, who is the son of J. Hyatt Brown, is employed by us as the profit center manager for the Orlando, Florida retail office and received compensation of \$360,277 for services rendered to us in 2001. P. Barrett Brown, who is also the son of J. Hyatt Brown, is employed by Brown & Brown Insurance of Arizona, Inc., one of our subsidiaries, as a producer in that subsidiary's Phoenix, Arizona retail office, and received compensation of \$75,966 for services rendered to that subsidiary in 2001.

Eileen Craig, who is the sister-in-law of Kenneth D. Kirk, was employed in 2001 by Brown & Brown Insurance of Arizona, Inc. as profit center manager for the Tucson, Arizona retail office, and received compensation of \$80,350 for services rendered to that subsidiary in 2001. Ms. Craig resigned in January 2002.

Joanne B. Penny, who is the mother of J. Scott Penny, is employed by us as a producer in our Daytona Beach, Florida retail office and received compensation of \$168,552 for services rendered in 2001.

For other transactions involving management and us, see Executive Compensation Compensation Committee Interlocks and Insider Participation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who own more than 10% of our outstanding shares of common stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely on our review of the copies of such reports furnished to us and written representations from certain reporting persons that no SEC Form 5s were required to be filed by those persons, we believe that during 2001, our officers, directors and 10% beneficial owners timely complied with all applicable filing requirements, except for David H. Hughes, a director, who was late in filing one Form 4 with respect to one transaction (the subject transaction has since been reported), and C. Roy Bridges, Linda S. Downs, Kenneth D. Kirk, Thomas E. Riley, and Dan W. Williamson, who did not timely file a Form 3 after qualifying in October 2001 as our executive officers under the SEC's rules (Form 5s including the information required on Form 3 have since been filed for each of these individuals). (Mr. Williamson resigned as an executive officer in January 2002 but continues to serve as profit center manager of our Toledo, Ohio retail office.)

EXECUTIVE COMPENSATION

The following table sets forth the compensation received by our Chief Executive Officer, and the four other highest paid executive officers in 2001 (the Named Executive Officers) for services rendered to us in such capacity for each of the three years, as applicable, in the period ended December 31, 2001:

- (1) Certain of the Named Executive Officers have been granted shares of performance stock under our stock performance plan. For a description of the terms of such grants, the number of shares granted and the value of such shares, see Executive Compensation Long-Term Incentive Plans Awards in Last Fiscal Year, below. These dollar amounts reflect cash dividends paid to officer-grantees on those granted performance stock shares that have met the first condition for vesting.
- (2) Amounts shown represent our 401(k) plan profit sharing and matching contributions.
- (3) Mr. Henderson was originally granted 59,779 options under our incentive stock option plan, effective April 21, 2000. On August 23, 2000 and November 21, 2001, respectively, we implemented a 2-for-1 stock split, each effected as a stock dividend. Under the incentive stock option plan, the number of shares underlying granted options are automatically adjusted to reflect any stock dividend, stock split, reverse stock split, recapitalization, combination, reclassification or similar event or change in our capital structure. The weighted average exercise price per share for the granted options is \$9.67, which represents the closing market price of our common stock on April 20, 2000 of \$38.69, after adjustment by our Compensation Committee for the two aforementioned 2-for-1 stock splits.
- (4) By virtue of undertaking policy-making functions, Mr. Riley qualified under applicable securities regulations as a Named Executive Officer in October 2001 and was elected as a Regional Executive Vice President in January 2002.
- (5) By virtue of undertaking policy-making functions, Mr. Kirk qualified under applicable securities regulations as a Named Executive Officer in October 2001 and was elected as a Regional Executive Vice President in January 2002.
- (6) By virtue of undertaking policy-making functions, Mr. Bridges qualified under applicable securities regulations as a Named Executive Officer in October 2001 and was elected as a Regional Executive Vice President in January 2002.

Option Grants in 2001

Grants of stock options under our incentive stock option plan are intended to provide an incentive for key employees to achieve our short- to medium-range performance goals. This is done generally by tying the vesting of granted options to the grantee's region or profit center achieving compound annual growth in pre-tax earnings in excess of 15% over pre-tax earnings for 1999, the plan's base year, for the three-year period ending December 31, 2002. The granted options will vest as these performance standards are achieved or on the day prior to the ten-year anniversary date of the grant, whichever is earlier. Vested stock options may be exercised only pursuant to a schedule set forth in each grantee's agreement with us. The grantee may not sell or transfer any granted stock options.

No stock options were granted to the Named Executive Officers in 2001.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

No stock options granted under our incentive stock option plan were exercised during fiscal year 2001. The closing market price of our stock underlying the granted options was \$27.30 per share as of December 31, 2001. The resulting difference between the year-end market price and the adjusted exercise price per-share of \$9.67 is \$17.63 per share. Therefore, the values at fiscal year-end of unexercised in-the-money options granted to the Named Executed Officers are as set forth in the table below:

NAME	NUMBER OF SECURITIES UNDERLYING UNEXERCISED OPTIONS AT DECEMBER 31, 2001(#)		VALUE OF UNEXERCISED IN-THE-MONEY OPTIONS AT DECEMBER 31, 2001(\$)	
	EXERCISABLE	UNEXERCISABLE	EXERCISABLE	UNEXERCISABLE
J. Hyatt Brown			\$	\$
Jim W. Henderson	10,340	228,776	182,294	4,033,321
Thomas E. Riley	10,340	116,404	182,294	2,052,203
Kenneth D. Kirk	10,340	57,124	182,294	1,007,096
C. Roy Bridges	10,340	185,324	182,294	3,267,262

Long-Term Incentive Plans Awards in Last Fiscal Year

Grants of stock under our stock performance plan are intended to provide an incentive for key employees to achieve our long-range performance goals, generally by providing incentives to remain with us for a long period after the grant date and by tying the vesting of the grant to appreciation of our stock price. The table below sets forth the number of shares of performance stock granted to the Named Executive Officers in 2001 and the criteria for vesting.

NAME	NUMBER OF SHARES(1)(2)	PERFORMANCE OR OTHER PERIOD UNTIL MATURATION OR PAYOUT(3)
J. Hyatt Brown		
Jim W. Henderson	20,000	15 years
Thomas E. Riley	20,000	15 years
Kenneth D. Kirk	20,000	15 years
C. Roy Bridges	20,000	15 years

- (1) None of the shares of performance stock granted to the Named Executive Officers has fully vested as of the date hereof. In order for the grants described above to fully vest, (i) the grantee would have to remain with us for a period of 15 years from the date of grant (subject to the exceptions set forth in footnote (3) below), and (ii) our stock price would have to appreciate at a specified rate during the five-year period beginning on the grant date. For each 20% increase in our average stock price over a 20 trading day period within such

- five-year period, dividends will be payable to the grantee on 20% of the shares granted and the grantee will have the power to vote such shares. The grantee will not have any of the other indicia of ownership (e.g., the right to sell or transfer the shares) until such shares are fully vested.
- (2) The dollar value of the respective grants to Messrs. Henderson, Riley, Kirk, and Bridges on April 1, 2001, the date of grant, was \$350,000. This value represents the number of shares granted multiplied by the closing market price of our common stock on the New York Stock Exchange on the date of grant, as adjusted for our 2-for-1 common stock split effected November 21, 2001. The aggregate number of shares of performance stock granted to the Named Executive Officers as of December 31, 2001 was 115,300 for Mr. Henderson, 115,300 for Mr. Riley, 114,220 for Mr. Kirk, and 97,400 for Mr. Bridges. The corresponding dollar values of all shares of performance stock granted to the Named Executive Officers as of December 31, 2001 were \$3,147,690 for Mr. Henderson, \$3,147,690 for Mr. Riley, \$3,118,206 for Mr. Kirk, and \$2,659,020 for Mr. Bridges.
- (3) If the grantee's employment with us were to terminate before the end of the 15-year vesting period, such grantee's interest in his shares would be forfeited unless (i) the grantee has attained age 64, (ii) the grantee's employment with us terminates as a result of his death or disability, or (iii) the Compensation Committee, in its sole and absolute discretion, waives the conditions of the grant of performance stock.

Employment and Deferred Compensation Agreements

Effective July 29, 1999, J. Hyatt Brown entered into an Employment Agreement that superseded Mr. Brown's prior agreement with us. The agreement provides that Mr. Brown will serve as Chairman of the Board, President and Chief Executive Officer. The agreement also provides that upon termination of employment, Mr. Brown will not directly or indirectly solicit any of our clients or employees for a period of three years.

The agreement requires us to make a payment to an escrow account upon a Change of Control (as defined in the agreement). If, within three years after the date of such Change of Control, Mr. Brown is terminated or he resigns as a result of certain Adverse Consequences (as defined in the agreement), the amount in the escrow account will be released to Mr. Brown. The amount of the payment will be equal to two times the following amount: three times the sum of Mr. Brown's annual base salary and most recent annual bonus, multiplied by a factor of one plus the percentage representing the percentage increase, if any, in the price of our common stock between the date of the agreement and the close of business on the first business day following the date the public announcement of the Change of Control is made. Mr. Brown will also be entitled to receive all benefits he enjoyed prior to the Change of Control for a period of three years after the date of termination of his employment.

As defined in the agreement, a Change of Control includes the acquisition by certain parties of 30% or more of our outstanding voting securities, certain changes in the composition of the Board of Directors that are not approved by the incumbent Board, and the approval by our shareholders of a plan of liquidation, certain mergers or reorganizations, or the sale of substantially all of our assets. The Adverse Consequences described above generally involve our breach of the agreement, a change in the terms of Mr. Brown's employment, a reduction in our dividend policy, or a diminution in Mr. Brown's role or responsibilities.

We entered into the agreement with Mr. Brown after determining that it was in our best interests and our shareholders' best interests to retain his services in the event of a threat or occurrence of a Change of Control and thereafter, without alteration or diminution of his continuing leadership role in determining and implementing our strategic objectives. We also recognized that, unlike our other key personnel who participate in our stock performance plan, Mr. Brown does not participate in that plan and would not enjoy the benefit of the immediate vesting of stock interests granted pursuant to that plan in the event of a Change of Control. Brown & Brown or Mr. Brown may terminate his employment at any time with 30 days' notice.

Jim W. Henderson, C. Roy Bridges, Linda S. Downs, Kenneth D. Kirk, J. Scott Penny, Thomas E. Riley, Cory T. Walker, Laurel L. Gammig, Thomas M. Donegan, Jr., and M. Catherine Wellman have each entered

into standard employment agreements with us. These agreements may be terminated by either party (in the case of Mr. Henderson, Ms. Downs, and Mr. Kirk, upon 30 days' advance written notice). Compensation under these agreements is at amounts agreed upon between us and the employee from time to time. Additionally, for a period of two years following the termination of employment (three years in the case of Mr. Henderson, Ms. Downs, Mr. Kirk, and Mr. Riley), these agreements prohibit the employee from directly or indirectly soliciting or servicing our clients or employees.

John R. Riedman entered into an Employment Agreement with us, effective January 1, 2001. See Management Certain Relationships and Related Transactions.

Compensation Committee Interlocks and Insider Participation

We have a \$50 million line of credit and a \$90 million term loan with SunTrust Banks, Inc., as well as an interest rate swap agreement with respect to the prevailing interest rate for our \$90 million term loan. We expect to continue to use SunTrust Banks, Inc. during 2002 for some of our cash management requirements. Additionally, SunTrust Robinson Humphrey Capital Markets, a division of SunTrust Capital Markets, Inc., the investment banking subsidiary of SunTrust Banks, Inc., may provide investment banking services to us from time to time. Mr. Brown and Mr. Hughes are each directors of SunTrust Banks, Inc. Ms. Jennings is a director of SunTrust Bank/Central Florida. Mr. Smith is a director of SunTrust Bank/Gulf Coast. Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Board Compensation Committee Report on Executive Compensation and the Performance Graph shall not be incorporated by reference into any such filings.

Board Compensation Committee Report on Executive Compensation

The Company's overall compensation philosophy is as follows:

Attract and retain high-quality people, which is crucial to both the short-term and long-term success of the Company;

Reinforce strategic performance objectives through the use of incentive compensation programs; and

Create a mutuality of interest between the executive officers and shareholders through compensation structures that share the rewards and risks of strategic decision-making.

Base Compensation. Salary levels for officers other than the Chief Executive Officer are determined by the Chief Executive Officer each year during the first quarter based upon the qualitative performance of each officer during the previous year and guidelines approved by the Compensation Committee. If an officer has had no change in duties, the percentage of annual salary increases for such officer generally is expected to be approximately 3-5% of the officer's base salary. Exceptional performance or a change in the officer's responsibilities may merit a larger increase.

Annual Bonuses. Bonuses for managers of the Company's Retail Division profit centers are established by the profit center manager from a bonus pool allocated to that manager's profit center through a pre-determined formula. For 2001, in each Retail Division profit center, the aggregate annual bonuses to be allocated among the employees of that profit center ranged from 0% to 12% of that profit center's operating profit before interest, amortization and profit center bonus. The highest bonus percentage level is not met until the profit center's operating profit percentage is equal to or greater than 28%. Other divisions of the Company have similar objective measures of bonus potential based on achievement of targeted operating or pre-tax goals. The annual bonus for Messrs. Henderson and Riley, who, in addition to other duties, served as the profit center manager during all or part of 2001 for the Daytona Beach and Ft. Lauderdale retail operations, respectively, and for Ms. Downs who, in addition to other duties, served as the profit center manager for the Company's professional insurance programs, were each established based on a subjective allocation of the aggregate profit center bonus earned by such profit centers.

The bonuses for the executive officers who are not profit center managers are determined by the Chief Executive Officer based primarily on objective criteria, such as a percentage of the officer's salary, the earnings growth of the Company as a whole, as well as a subjective analysis of the officer's duties and performance.

Long-Term Compensation. The Committee may also grant shares of performance stock to officers and other key employees based upon salary levels, sales production levels and performance evaluations. Grants of performance stock were made in 2001 to certain of the Named Executive Officers, as well as to other non-executive employees of the Company. See Executive Compensation Long-Term Incentive Plans Awards in Last Fiscal Year.

CEO Compensation. With respect to the salary and bonus of J. Hyatt Brown, the Chairman, President and Chief Executive Officer of the Company, the Compensation Committee annually sets these amounts by reference to the general operating performance of the Company. The performance criteria most closely examined by the Committee are improvements in the Company's earnings per share and net income, as well as the continuing growth of the Company's business. The Committee also considers salary levels of chief executive officers in companies similar to the Company and makes adjustments believed appropriate based upon the differences in size of the peer companies as compared to the Company. The Committee reports the salary and bonus amounts recommended for the Chief Executive Officer to the full Board of Directors and responds to questions, if any. At that time, the Board may change salary levels or bonus amounts.

The \$502,205 bonus recommended by the Committee and approved by the Board (excluding Mr. Brown) is 47% higher than Mr. Brown's 2000 bonus. This increase reflects the 47% increase in the Company's earnings per share over 2000, as originally reported.

The financial performance of the Company during 2001 exceeded the expected budgeted levels, and the Committee took this into consideration in establishing compensation levels.

Each member of the Audit Committee qualifies as independent (as that term is defined in Sections 303.01(B)(2)(a) and (3) of the listing standards of the New York Stock Exchange).

With respect to the fiscal year ended December 31, 2001, the Audit Committee:

- (1) has reviewed and discussed the Company's audited financial statements with management;
- (2) has discussed with the independent auditors of the Company the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU Section 380), as may be modified or supplemented; and

Based on the review and discussions with management and the independent auditors referenced above, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001, for filing with the Securities and Exchange Commission.

INFORMATION CONCERNING INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Representatives of Arthur Andersen LLP, our independent public auditors, are expected to be present at the Meeting with the opportunity to make a statement if they desire to do so and to respond to appropriate questions posed by shareholders.

We incurred the following fees for services performed by Arthur Andersen LLP for fiscal year 2001:

Audit Fees:

Fees for Arthur Andersen LLP's audit of our annual financial statements for fiscal year 2001 and its reviews of the financial statements included in our quarterly reports on Form 10-Q during 2001 totaled \$185,163, of which an aggregate amount of \$176,263 has been billed through March 12, 2002.

Financial Information Systems Design and Implementation Fees:

Arthur Andersen LLP did not render any services related to financial information systems design and implementation during fiscal year 2001.

All Other Fees:

The aggregate fees billed to us by Arthur Andersen LLP for all other services for our fiscal year ended December 31, 2001 were \$125,525, which consisted of audit-related fees for assistance in connection with registration statement filings and benefit plan audits.

Our Audit Committee has considered and believes that the provision of such non-audit related services is compatible with maintaining Arthur Andersen LLP's independence.

PERFORMANCE GRAPH

The following graph is a comparison of five-year cumulative total returns for our common stock as compared with the cumulative total return for the Standard & Poor's 500 Index, and a group of peer insurance broker and agency companies (Aon Corporation, Arthur J. Gallagher & Co., Hilb, Rogal and Hamilton Company, and Marsh & McLennan Companies, Inc.). The returns of the companies have been weighted according to their respective stock market capitalizations as of December 31, 1996, for purposes of arriving at a peer group average. The total return calculations are based upon an assumed \$100 investment on December 31, 1996, with all dividends reinvested.

We caution that the stock price performance shown in the graph should not be considered indicative of potential future stock price performance.

PROPOSAL ELECTION OF DIRECTORS

The nine nominees for election as directors at the Meeting are J. Hyatt Brown, Samuel P. Bell, III, Bradley Currey, Jr., Jim W. Henderson, Theodore J. Hoepner, David H. Hughes, Toni Jennings, John R. Riedman and Jan E. Smith. Information concerning each of the nominees is set forth under the caption Management Directors and Executive Officers. Should any nominee become unable or unwilling to accept nomination or election for any reason, it is expected that the resulting vacancy will not immediately be filled. The Board has no reason to believe that any of the nominees will be unable or unwilling to serve if elected.

The Audit Committee (the **Committee**) of the Board of Directors (the **Board**) of Brown & Brown, Inc. (the **Company**) will have the oversight responsibilities, authority and specific duties as described in this Audit Committee Charter (this **Charter**), such Charter to be effective as of June 14, 2000.

I. COMPOSITION OF THE COMMITTEE

The Committee will be comprised of three (3) or more nonexecutive directors as determined by the Board. The members of the Committee will meet the independence and financial literacy requirements of the New York Stock Exchange (NYSE). The members of the Committee will be elected annually by the full Board.

II. RESPONSIBILITIES OF THE COMMITTEE

The Committee will be part of the Board. Its primary function is to assist the Board in fulfilling its oversight responsibilities with respect to: (i) the annual financial information to be provided to shareholders and the Securities and Exchange Commission (SEC); (ii) the system of internal controls that management has established; and (iii) the internal and external audit process. In addition, the Committee provides an avenue for communication between internal audit, the external auditors, in their capacity as independent public accountants (the **Independent Accountants**), financial management and the Board. The Committee is expected to maintain free and open communications (including private executive sessions at least annually) with the Independent Accountants, and management of the Company. The Committee will make periodic reports to the Board concerning its activities.

While the Committee will have the responsibilities and powers set forth in this Charter, it will not be the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the Independent Accountants. Nor will it be the duty of the Committee to conduct investigations, to resolve disagreements, if any, between management and the Independent Accountants or to assure compliance with laws and regulations and the Company's business conduct guidelines.

III. AUTHORITY OF THE COMMITTEE

Subject to the prior approval of the Board, the Committee is granted the authority to investigate any matter or activity involving financial accounting and financial reporting, as well as the internal controls of the Company. IV. SPECIFIC DUTIES OF THE COMMITTEE

In carrying out its oversight responsibilities, the Committee will:

1. Review and reassess the adequacy of this Charter annually and recommend any proposed changes to the Board for approval.

6. Obtain from the Independent Accountants, at least annually, a formal written statement delineating all relationships between the Independent Accountants and the Company as contemplated by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. Discuss with the Independent Accountants any disclosed relationships or services that may impact the objectivity and independence of the Independent Accountants, and, if appropriate in the Committee's judgment, recommend that the Board take appropriate action in response to the Independent Accountants' report to satisfy itself of the Independent Accountants' independence.
7. After the completion of the annual audit, review with management and the Independent Accountants the following:
 - The annual financial statements and related footnotes and financial information to be included in the Company's annual report to shareholders and on Form 10-K.
 - Results of the audit of the financial statements and the related report thereon and, if applicable, a report on changes during the year in accounting principles and their application.
 - Significant changes to the audit plan, if any, and any serious disputes or difficulties with management encountered during the audit. Review with the Independent Accountants any disagreements with management which, if not satisfactorily resolved, would have caused them to issue a nonstandard report on the Company's financial statements.
 - Other communications as required to be communicated by the Independent Accountants by Statement of Auditing Standards (SAS) 61 as amended by SAS 90 relating to the conduct of the audit.
 - If deemed appropriate after such review and discussion, recommend to the Board that the financial statements be included in the Company's annual report on Form 10-K.
