On May 7, 2004, HEALTHSOUTH Corporation ("HEALTHSOUTH") announced that it is amending its solicitation of consents from holders of its 10 3/4% Senior Subordinated Notes due 2008 (the "Subordinated Notes") to further amend the definition of "Refinancing Indebtedness" to conform the definition in the indenture governing the Subordinated Notes to the definition in the indentures for its Senior Notes. FOR IMMEDIATE RELEASE
May 7, 2004

HEALTHSOUTH MAKES CONFORMING AMENDMENT TO THE TERMS OF ITS
CONSENT SOLICITATION FOR ITS
10 3/4% Senior Subordinated Notes due 2008

BIRMINGHAM, Ala. - HEALTHSOUTH Corp. (OTC Pink Sheets: HLSH) today announced

Edgar Filing: HEALTHSOUTH CORP - Form 8-K

that it is amending its solicitation of consents from holders of its 10 3/4% Senior Subordinated Notes due 2008 to conform the definition of "Refinancing Indebtedness" with the definition in the indentures for its Senior Notes. This amendment would make the definition of "Refinancing Indebtedness" consistent with the provisions in the Company's series of Senior Notes and permit the incurrence of indebtedness that is applied to refund, refinance or extend indebtedness that was outstanding on September 25, 2000, as well as indebtedness permitted to be incurred thereafter.

HEALTHSOUTH is not further extending the expiration date of this solicitation, which is currently scheduled to expire at 11:59 p.m., New York City Time, on May 13, 2004. In order to provide holders with sufficient time to consider the proposed amendments, as modified today, HEALTHSOUTH will not close the consent solicitation relating to the 10 3/4% Senior Subordinated Notes due 2008 prior to the consent expiration date of May 13, 2004. The proposed amendments will become effective only upon satisfaction or waiver by HEALTHSOUTH of certain conditions which include receipt of valid and unrevoked consents from holders representing not less than a majority in aggregate principal amount of outstanding notes for a series.

This news release is not a solicitation of consents with respect to any securities. The consent solicitations are being made only pursuant to the terms and conditions of the consent solicitation statements relating to each series of Notes and the accompanying documents. These documents can be obtained from Innisfree M&A Incorporated, the information agent, at 212-750-5833 (Banks and Brokers Call Collect) or 888-750-5834 (Noteholders Call Toll-Free). Questions regarding the solicitations should be directed to Credit Suisse First Boston, the solicitation agent, at 800-820-1653.

In addition, HealthSouth, through its senior management, may from time to time make forward-looking public statements concerning the matters described herein. Such forward-looking statements are necessarily estimates based upon current information, involve a number of risks and uncertainties and are made pursuant to the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. HEALTHSOUTH's actual results may differ materially from the results anticipated in these forward-looking statements as a result of a variety of factors. While it is impossible to identify all such factors, factors which could cause actual results to differ materially from those estimated by HealthSouth include, but are not limited to: the investigations by the Department of Justice and the Securities Exchange Commission into HEALTHSOUTH's financial reporting and related activity; HEALTHSOUTH's statement that as a result of the investigations, the Company's previously filed financial statements should no longer be relied upon and may result in the Company restating its prior financial statements; the withdrawal by HEALTHSOUTH's former accountants of their audit reports on all of the Company's previously filed financial statements; the outcome of pending litigation relating to these matters; significant changes in HEALTHSOUTH's management team; HEALTHSOUTH's ability to successfully amend, restructure and/or renegotiate its existing indebtedness or cure or receive a waiver of alleged defaults under such agreement[s, the inability of which may result in HealthSouth filing a voluntary petition for bankruptcy]; HEALTHSOUTH's ability to continue to operate in the ordinary course and manage its relationships with its creditors, including its lenders, bondholders, vendors and suppliers, employees and customers; changes, delays

in or suspension of reimbursement for HEALTHSOUTH's services by governmental or private payors; changes in the regulation of the healthcare industry at either or both of the federal and state levels; changes to the implementation of the prospective payment system for inpatient rehabilitation services; competitive pressures in the healthcare industry and HEALTHSOUTH's response thereto; HEALTHSOUTH's ability to obtain and retain favorable arrangements with third-party payors; general conditions in the economy and capital markets; and other factors which may be identified from time to time in the Company's SEC filings and other public announcements.

SUPPLEMENT TO

CONSENT SOLICITATION STATEMENT

HEALTHSOUTH CORPORATION

Solicits Consents and Waivers Relating to its
\$319,260,000 Aggregate Principal Amount of 10.750% Senior Subordinated
Notes due 2008 (CUSIP No. 421924AP6)

This Supplement (the "Supplement") of HEALTHSOUTH Corporation ("we" or "us") supplements and amends our Consent Solicitation Statement dated March 16, 2004, as previously amended (the "Consent Solicitation Statement") and related Consent Form (the "Consent Form") pursuant to which we are soliciting (the "Consent Solicitation") consents ("Consents") of Holders (as defined below) as of the Record Date (as defined below) of the \$319,260,000 outstanding aggregate principal amount of our 10.750% Senior Subordinated Notes due 2008 (the "Notes") to proposed amendments (as amended and supplemented hereby, the "Proposed Amendments") to certain provisions of the Indenture dated as of September 25, 2000 (the "Indenture"), between HEALTHSOUTH, as issuer, and HSBC Bank, USA, as successor trustee to The Bank of New York (the "Trustee").

The term "Record Date" means 5:00 p.m., New York City time, on March 15, 2004, and the term "Holder" means (1) each person shown on the records of the registrar for the Notes as a holder on the Record Date or (2) any other person who has been authorized by proxy or in any other manner acceptable to HEALTHSOUTH to vote the applicable Notes on behalf of such Holder.

In this Supplement, we are supplementing and amending the Consent Solicitation to further amend the definition of "Refinancing Indebtedness" to conform the definition in the Indenture to the definition in the indentures for our Senior Notes to permit the incurrence of indebtedness that is applied to refund, refinance or extend our Indebtedness.

Except as set forth herein, no other terms of the Consent Solicitation have been amended or supplemented and remain as set forth in the Consent Solicitation Statement. Unless otherwise defined herein, capitalized terms used herein shall have the meanings given to them in the Consent Solicitation Statement.

Edgar Filing: HEALTHSOUTH CORP - Form 8-K

In the event that the Conditions described in the Consent Solicitation Statement are satisfied or waived, including the receipt of the Requisite Consents (i.e., consent of Holders of not less than a majority in outstanding principal amount of Notes), we will pay to Holders who deliver valid and unrevoked Consents prior to the Expiration Date the Consent Fee. Holders of Notes for which no Consent is delivered will not receive a Consent Fee, even though the Proposed Amendments and Waivers, if approved, will bind all Holders and their transferees.

Each Holder who Consents to the Proposed Amendments will also be waiving all alleged and potential defaults under the Indenture relating to events occurring on or prior to the effectiveness of the Proposed Amendments and any and all rights to cause the principal of, and accrued interest on, the Notes to become immediately due and payable as a result of such alleged and potential defaults (the "Waivers"). Except where the context otherwise requires, references in this Supplement to Consents to the Proposed Amendments will also include Consents to the Waivers.

Holders who have previously delivered properly executed Consent Forms to the Information Agent may revoke such Consents at anytime prior to the date on which the Trustee under the Indenture receives evidence that the Requisite Consents have been obtained in accordance with the terms of the Indenture (the "Consent Date"). In order to provide Holders with sufficient time to consider the Proposed Amendments and Waivers, the Consent Date shall not occur prior to May 13, 2004. Holders who have previously delivered properly executed Consent Forms to the Information Agent and do not revoke such Consents will receive the increased Consent Fee if the Conditions to the Consent Solicitation are satisfied or waived.

Regardless of the outcome of the Consent Solicitation, the Notes will continue to be outstanding and will continue to bear interest as provided in the Indenture. The changes included in the Proposed Amendments will not alter our obligation to pay the principal of or interest on the Notes or alter the stated interest rate, maturity date or redemption provisions of the Notes.

Prior to delivering any consent, you are encouraged to read and consider carefully this supplement in conjunction with the Consent Solicitation Statement and the Consent Form previously distributed to you.

WE HAVE NOT FILED ANY QUARTERLY OR ANNUAL REPORT WITH THE SEC FOR PERIODS AFTER SEPTEMBER 30, 2002, AND WE HAVE CAUTIONED THAT THE FINANCIAL INFORMATION CONTAINED IN PREVIOUSLY FILED REPORTS SHOULD NOT BE RELIED UPON. ACCORDINGLY, NO FINANCIAL STATEMENTS ARE AVAILABLE FOR ANY PRIOR PERIOD, AND YOU SHOULD NOT RELY ON OUR FINANCIAL STATEMENTS AND REPORTS PREVIOUSLY FILED WITH THE SEC.

The Solicitation Agent for the Consent Solicitation is:

Credit Suisse First Boston

See "Risk Factors" beginning on page 36 of the Consent Solicitation Statement for a discussion of some of the risks you should consider before you consent to the Proposed Amendments and Waivers.

The date of this Supplement is May 7, 2004.

Edgar Filing: HEALTHSOUTH CORP - Form 8-K

MODIFICATION TO THE CONSENT SOLICITATION

Expiration Date

On April 29, 2004, we announced the extension of the Expiration Date to 11:59 p.m., New York City Time, on May 13, 2004 (the "Expiration Date"), unless further extended by us. We are not further extending the Expiration Date of the Consent Solicitation.

Revocation

Consents may be revoked at any time prior to the Consent Date. All prior Consents that are not validly revoked prior to the Consent Date by the Holder granting such Consent in accordance with the procedures set forth in the Consent Solicitation Statement will be valid Consents. In order to provide Holders with sufficient time to consider the Proposed Amendments and Waivers, the Consent Date shall not occur prior to May 13, 2004.

Further Amendments to the Indenture and Clarification of Previously Proposed Amendments

Holders are urged to read the description of the Proposed Amendments included in the Consent Solicitation Statement dated March 16, 2004, as previously amended. As used herein, the terms "Proposed Amendments and Waivers" and "Proposed Amendments" will include all amendments proposed in this Supplement. The Proposed Amendments and Waivers constitute a single proposal and a consenting Holder must Consent to the Proposed Amendments and Waivers as an entirety and may not consent selectively with respect to certain of the Proposed Amendments or Waivers.

Further Amendment to the Definition of Refinancing Indebtedness

Section 4.11 of the Indenture currently limits our ability to incur additional Indebtedness, subject to certain exceptions. One of the permitted exceptions to the incurrence of additional Indebtedness is the incurrence of "Refinancing Indebtedness" which is generally, the incurrence of Indebtedness that is applied to refund, refinance or extend our Indebtedness that we incurred as of September 25, 2000. As submitted to Holders and described in the Consent Solicitation Statement dated as of March 16, 2004, the Proposed Amendments to the Indenture, provide, in part, for the amendment of the definition of "Refinancing Indebtedness" to include indebtedness that is designated by HEALTHSOUTH as "Refinancing Indebtedness" and the proceeds of which are not used for any purpose other than to refund, refinance, repurchase or extend existing indebtedness or pay down revolving Bank Debt, notwithstanding that it is not immediately (or contemporaneously) applied for the refunding, refinancing repurchase or extension of other indebtedness.

We are seeking a further amendment that would expand the definition of Refinancing Indebtedness to also permit the incurrence of Indebtedness that is applied to refund, refinance or extend any Indebtedness that we are permitted to incur under Section 4.11 of the Indenture, subject to certain exceptions, notwithstanding that such Indebtedness was not incurred as of September 25, 2000. We are seeking this further amendment to the definition of Refinancing Indebtedness in order to maintain flexibility to refinance outstanding indebtedness whether or not it was outstanding on September 25, 2000. This further amendment was inadvertently omitted from the Consent Solicitation and is being included to conform the definition of Refinancing Indebtedness in the Indenture to the comparable definition in each of our indentures that contain a similar restriction in our Senior Notes following the consummation of our consent solicitations.

Edgar Filing: HEALTHSOUTH CORP - Form 8-K

Capitalized terms used in this section "Further Amendment to the Definition of Refinancing Indebtedness" without definition shall have the meanings set forth in the Indenture.

A copy of the revised Form of Supplemental Indenture, marked to indicate changes from the Form of Supplemental Indenture attached to the Consent Solicitation Statement dated March 16, 2004, is attached hereto as Exhibit A.

EXCEPT AS SPECIFICALLY SET FORTH HEREIN, NO OTHER TERMS OF THE CONSENT SOLICITATION HAVE BEEN SUPPLEMENTED OR AMENDED AND REMAIN AS SET FORTH IN THE CONSENT SOLICITATION STATEMENT. COPIES OF THE INDENTURE ARE AVAILABLE FROM THE INFORMATION AGENT UPON REQUEST.

CONSENT SOLICITATION MATTERS

Holders who have previously delivered Consents in accordance with the procedures set forth in the Consent Solicitation Statement and who still wish to Consent with respect to their Notes in the Consent Solicitation, as modified and amended by the Supplement, do not need to take any further action.

WE ARE NOT DELIVERING A SUPPLEMENTAL CONSENT FORM TO HOLDERS. HOLDERS MAY CONTINUE TO USE EITHER THE CONSENT FORM DELIVERED TO HOLDERS WITH THE CONSENT SOLICITATION STATEMENT DATED MARCH 16, 2004 OR THE CONSENT FORM DELIVERED TO HOLDERS WITH THE SUPPLEMENT DATED APRIL 29, 2004. Holders who wish to Consent must deliver their properly completed and executed Consent Form to the Information Agent at the address set forth on the back cover page of this Supplement, the Consent Solicitation Statement and in the Consent Form in accordance with the instructions set forth in the Consent Solicitation Statement and the Consent Form.

CONSENTS SHOULD NOT BE DELIVERED TO HEALTHSOUTH, THE TRUSTEE OR THE SOLICITATION AGENT. HOWEVER, WE RESERVE THE RIGHT TO ACCEPT ANY CONSENT RECEIVED BY HEALTHSOUTH, THE TRUSTEE OR THE SOLICITATION AGENT.

Subject to applicable laws, we reserve the right, in our sole discretion and regardless of whether any of the Conditions have been satisfied, at any time prior to the Expiration Date, to (1) extend the Expiration Date, (2) amend the terms of the Consent Solicitation or (3) modify the form or amount of the consideration to be paid pursuant to the Consent Solicitation. In addition, we reserve the right, in our sole discretion, to extend, amend or modify any or all of the consent solicitations for our Senior Notes in any manner we deem appropriate, including paying higher or lower consent fees than the Consent Fee proposed to be paid hereunder. If we make a material change to the terms of the Consent Solicitation, we will promptly disclose such change in a manner reasonably calculated to inform the Holders of such change and extend the Consent Solicitation for a period we deem to be adequate to permit Holders to deliver and/or revoke their Consents.

You should direct any questions concerning the terms of the Consent Solicitation to the Solicitation Agent at the address or telephone number set forth on the back cover page hereof.

Edgar Filing: HEALTHSOUTH CORP - Form 8-K

You should direct any requests for assistance in completing and delivering Consent Forms or requests for additional copies of this Supplement, the Consent Solicitation Statement, the Consent Form or other related documents to the Information Agent at the address or telephone number set forth on the back cover page hereof.

In making a decision in connection with the Consent Solicitation, Holders must rely on their own examination of HEALTHSOUTH and the terms of the Consent Solicitation, including the merits and risks involved. Holders should not construe the contents of this Supplement or the Consent Solicitation Statement as providing any legal, business, financial or tax advice. Each Holder should consult with its own legal, business, financial and tax advisors with respect to any such matters concerning this Supplement or the Consent Solicitation Statement and the Consent Solicitation contemplated hereby and thereby.
