HEALTHSOUTH PROVIDES UPDATE TO JUNE 29, 2005 MEETING

Comprehensive Form 10-K Filing Anticipated Closer to Meeting Date  
than Previously Expected

Birmingham, Ala. - HealthSouth Corporation (OTC Pink Sheets: HLSH) today reiterated that it will hold a meeting for investors in New York City on June 29, 2005 at 4 p.m. Eastern Time to provide an update of its current operations, a review of its comprehensive Form 10-K for the years ended Dec. 31, 2000 through Dec. 31, 2003, and a brief overview of its strategic business plan. The Company expects the meeting to conclude by 6 p.m. Eastern Time.

The Company affirmed its intent to file its comprehensive Form 10-K with the Securities and Exchange Commission in advance of the June 29 meeting. The Company also stated that it anticipates the filing date for the comprehensive Form 10-K will be closer to the June 29 meeting date than previously expected. This comprehensive Form 10-K will contain restated financial statements for the years 2000-2001 and financial statements for the years 2002-2003.

"We are in the final stage of a multi-stage, multi-year process needed to complete the comprehensive Form 10-K," said HealthSouth CFO John Workman. "There have been hundreds of individuals who have assisted in the extensive work that has been done to ensure that our accounting records are reconstructed thoroughly and our financial statements and other disclosures are prepared properly with respect to these historical financial statements."

The June 29 meeting will be held in the 3rd floor auditorium of the J.P. Morgan Chase World Headquarters at 270 Park Avenue. Individuals attending the meeting in person do not need to make a reservation and should allow ample time for security. Photo identification will be required.
